\*\*\*A standalone novel in The Pucked Series\*\*\* Lily LeBlanc isn't versed in the art of casual sex, but after seven years in an on-again, off-again relationship, she's definitely willing to give it a shot. And who better to try it with than her best friend's boyfriend's best friend? What could possibly go wrong? NHL player, Randy Ballistic, lives up to his last name on the ice and in the bedroom. His best friend and teammate has recently given up the puck bunnies and traded them in for a real girlfriend. And she just happens to have a seriously feisty, extra-hot best friend on the rebound. Randy's more than happy to be Lily's spring board back into the dating scene. But casual sex is only casual until those pesky things called emotions get involved. Once that happens, someone's bound to get pucked over.

I'm no one-thrust wonder, and you're damn right I'm going to prove to her I can do better. But every time I think I'm finally on my way back into her pants, she one-ups and out-balls me. A soldier has six weeks to convince the only woman he has ever longed for to take a chance on life with him in Alaska.... Sara's letters were the only bright spot during Gabe's devastating tour in Iraq. With each new correspondence he fell harder, needed her more, wanted to be with her. Now, after initially rejecting his offer to meet, she's shown up at the door of his isolated cabin in Alaska looking for...what? Gabe's not sure what made Sara change her mind, but he knows he never wants to let her go. Major Gabe Randall is everything Sara Ryan wants but nothing she feels she deserves. A modern-day spinster, Sara hides behind family obligations and the safe, quiet life she's resigned herself to living. But secretly, even though she may have stretched the truth about who she is in her letters to him, she wants Gabe. Will he still want her when he discovers the real woman behind the pen? Once they meet, Gabe asks her for six weeks in Alaska. Six weeks to spend getting to know each other, and then she'll have to decide whether they are better together or apart.

Ruby Scott is months behind on rent and can't seem to land a steady job. She has one chance to turn things around with a big audition. But instead of getting her big break, she gets sick as a dog and completely bombs it in the most humiliating fashion. All thanks to a mysterious, gorgeous guy who kissed—and then coughed on—her at a party the night before. Luckily, her best friend might have found the perfect opportunity; a job staying at the lavish penthouse apartment of hotel magnate Bancroft Mills while he's out of town, taking care of his exotic pets. But when the newly-evicted Ruby arrives to meet her new employer, it turns out Bane is the same guy who got her sick. Seeing his role in Ruby's dilemma, Bane offers her a permanent job as his live-in pet sitter until she can get back on her feet. Three HOT Standalone hockey rom coms including... HOT AS PUCK The things I want to do to my sweet, kindergarten-teaching, mitten-crocheting best friend Libby Collins are ten different kinds of wrong. Maybe twenty. But I'm a firm believer in teaching by example, and by the end of our first sex lesson, we've graduated to a hands on approach to her education: my hands all over her, her hands all over me, and her hot mouth melting beneath mine as I prove to her there isn't a damned thing wrong with the way she kisses. Give me a month, and I'll transform Libby from wall flower to wall banger, and ensure she's confident enough to seduce any guy she wants. Problem is... the only guy I want her seducing is me. SEXY MOTHERPUCKER Laura Collins is the last woman I should be thinking about taking in the back seat of my car, in the woods behind my in-laws' house, or in a hotel room where we're sharing one very small, very squeaky bed. I need a steady, stable influence for my daughter, not a fling with this too wild, too young, too impulsive red head. So what if she's beautiful and intense and passionate and has the biggest heart I've ever known? I don't want to fall in love. I really don't. The whole "pretend girlfriend" thing was supposed to solve my problems, buy me a little more time. But when it comes to Laura? Hell, maybe I'm just not cut out for faking it. PUCK AHOLIC I hate my new roommate... And I want to do dirty, delicious things to her in that swing she installed that we both know has nothing to do with aerial yoga. Neither of which is good, considering Diana Daniels is my NHL team captain's little sister, and he will break my face if I'm not a perfect gentleman. I try to be. Really, I do. But Diana has all sorts of Jedi mind tricks to make a man obsessed with getting her into bed, and I'm not gonna lie--I fall for every single one of them. Especially the one where she warns me not to fall for her.

My brother's childhood friend. Oh, how stupidly in love with that boy I was. He was the first boy that made me blush, my first official crush. Sounds beautiful so far, right? That excitement that bubbles up inside you, those famous butterflies you feel for the very first time--he was the reason for them all. But, you only get to live in that fairytale world until they crush your hopes and dreams and then stomp on your heart for good measure. And boy did he crush my little heart into pieces. After the stomping part he became the boy I did my best to stay away from--and let me tell you, it was pretty hard to do when he slept in the room right across from mine. When tragedy struck his family and they moved away, I was ready to forget he ever existed. Now he is a movie star, the one who makes women of all ages go into a screaming frenzy, the one who makes everyone swoon with that dimpled smile of his. Do you think that's dreamy? I certainly don't think so. How about me coming face to face with him? Nope still not dreamy. Not when I can't even manage to look him in the eye. Me? I'm Olive, a new writer. Actually, I'm THE writer of the book that inspired the movie he is about to star in on the big screen. As of late, I am also referred to as the oh-so-very-lucky girl who

Basically now that he's finished screwing up his life, he's decided to turn mine upside down. She's the first thing I've ever

wanted more than hockey. He's the guy I know I should stay away from. But what if this thing that started out so wrong turns into something so perfect?

You know those stories where an adorably misunderstood clumsy girl needs a fake date to a wedding so she asks her brother's best friend and they accidentally fall in love? I wish that was the kind of life I lead, but it's not. I don't need a date to a wedding. I need a date to a funeral. Clumsy sometimes fits, but then, that's true for all of us, right? But adorable? No. Misunderstood? Nope again. I'm just your average girl, standing in front of a funeral invitation, asking it to be a winning lottery ticket instead. And I don't have a brother, or a best friend with a brother available, which means I'm stuck with Tyler Jaeger. Sure, he's a professional hockey player who also knows advanced calculus, but let's say we're not compatible and leave it at that. I should know. I am a matchmaker. Not a very good one, but that's beside the point. I know a mismatch when I see one. Still, Tyler's what I've got, and I am not going to this funeral solo, so he's what I'll take. After all—what could go wrong at a funeral? I Pucking Love You is a hilariously wrong romantic comedy about the world's worst matchmaker, a hockey player with a problem he doesn't want to talk about, and an awkward date-of-convenience that everyone would prefer to forget. It comes complete with a cat working his way

Suffering from a complete lapse in judgment, Violet discovers just how good Alex is with the hockey stick in his pants. Violet believes her night of orgasmic magic with Alex is just that: one night. But Alex starts to call. And text. And email and send extravagant--and quirky--gifts. Suddenly, he's too difficult to ignore, and nearly impossible not to like. A new standalone, laugh-out-loud romantic comedy by New York Times bestselling author Helena Hunting. Cosy Felton is great at her job—she knows just how to handle the awkwardness that comes with working at an adult toy store. So when the hottest guy she's ever seen walks into the shop looking completely overwhelmed, she's more than happy to turn on the charm and help him purchase all of the items on his list. Griffin Mills is using his business trip in Las Vegas as a chance to escape the broken pieces of his life in New York City. The last thing he wants is to be put in charge of buying gag gifts for his friend's bachelor party. Despite being totally out of his element, and mortified by the whole experience, Griffin is pleasantly surprised when he finds himself attracted to the sales girl that helped him. As skeptical as Cosy may be of Griffin's motivations, there's something about him that intrigues her. But sometimes what happens in Vegas doesn't always stay in Vegas and when real life gets in the way, all bets are off. Filled with hilariously awkward situations and enough sexual chemistry to power Sin City, *Making Up* is the next standalone in the *Shacking Up* world.

\*A Standalone novel\* I'm NHL defenseman Lance Romero, AKA Lance "Romance." I'm notorious for parties and excess. I have the most penalty minutes in the league. I get into the most fights. I take the most hits. I'm a player on and off the ice. I'm the one women with no inhibitions want. Not because I like the notoriety, but because I don't know how to be any other way. I have secrets. Ones I shared with the wrong person, and she used them against me. Sometimes she still does. I should cut ties. But she makes it difficult, because she's the kind of bad I deserve. From New York Times bestselling author Helena Hunting comes *I Flipping Love You*, a love story about flipping houses, taking risks, and landing that special someone who's move-in ready. Rian Sutter doesn't usually get hit on in the grocery store, but when she notices a sexy man in a suit checking her out, she thinks maybe it's her lucky day. Either that or the suit has a thing for sweaty, yoga-pant wearing women with excellent price matching skills. Turns out it's neither. Pierce Whitfield can't believe his luck when he's able to track down the woman who scratched up the paint job on his car at the scene of the crime. But when he confronts the hit and run hottie, he discovers there's not just one, but two of them, and he's been throwing accusations at the wrong twin. As repair costs are negotiated, and the chemistry between them flares, Rian and Pierce find out they have more than mutual attraction in common. They're both vying for the same pieces of prime real estate in The Hamptons and neither one plans to give up without a fight. Can these passionate rivals turn up the heat on their budding romance—without burning down the house?

Hollywood happily-ever-after where a famous heartthrob falls for his ultimate fangirl. "As charming as its title, but it's also so much more... Fans of Jasmine Guillory's *The Wedding Date* and Helen Hoang's *The Kiss Quotient* will love *Meet Cute*." --The Washington Independent Review of Books Kailyn Flowers was always calm, rational, and controlled--until she ended up sprawled all over Daxton Hughes, the former actor she totally crushed on as a teenager. Then she did the unthinkable: She became a mortifying fangirl in five seconds flat, which may or may not have included professing her undying love. And oddly, he didn't run away. In fact, their meet cute led to a friendship she never saw coming. Of course, she never saw his betrayal coming, either... Now Dax needs her help. As guardian to his thirteen-year-old sister, he's in way over his head. And though Kailyn hasn't forgiven Dax, she isn't heartless enough to make him fend for himself, either. Soon their friendly meetings turn into flirty dinner dates, and Kailyn can feel their chemistry is as explosive as ever. But how can she possibly let down her guard again to a guy who has heartbreak written all over him? From New York Times bestselling author Helena Hunting comes a new romance about trading secrets, breaking the rules, and playing for keeps. My name is Ryan Kingston, and I'm a rule follower. I've never been in a fistfight. I always obey the speed limit. I don't get drunk, and I definitely don't pick up random women at bars. Except the night I found out that my whole existence has been a lie. I got drunk. And picked up a stranger. Her name was Queenie, and she was everything I'm not: reckless, impulsive, and chaotic. We did shots and traded secrets. And ended up naked at my place. She left me a thank-you note in the morning and her panties as a parting gift. But no way to contact her. Six weeks later I'm sitting in the first official team meeting of the season, and there she is. I neglected to mention that I'm the goalie for Seattle's NHL team. And Queenie? Turns out she's the general manager's daughter. An emotional, angst-ridden story about two childhood friends who learned to rely on one another to cope with their anxiety, only when it got to be too much, their families tore them

apart. Now as college students, they must navigate adulthood and try to avoid falling into old behaviors, only problem is they've fallen in love.

As an NHL player, relationships haven't been my thing. Shrouded in secrecy and speculation, they never last very long. But then that's what happens when you require an NDA before the first date. Until Charlene. She's like a firefly. She's elusive, and if you catch her she'll burn bright, but keeping her trapped dulls her fire and dims her beauty. I caught her. And as much as I might want to keep her, I'll never put the lid on her jar. Not at the risk of losing her. So I've let her set the rules in our relationship. But as long hidden secrets expose us both, I discover exactly how fragile Charlene is, and how much I need her. We're all broken. We're all messed up. Some more than others. Me more than most.

Royally Pucked is a hilariously wrong romance between a spare heir and the lady least likely to ever wear a princess crown, complete with dirty cookies, an emotional support monkey, and lots of pucking around. This romantic comedy stands alone with no cheating, cliffhangers and ends happily with a family of...more than two.
