At the beginning of the third decade of the 21st century, the Latino minority, the biggest and fastest growing in the United States, is at a crossroads. Is assimilation taking place in comparable ways to previous immigrant groups? Are the links to the countries of origin being redefined in the age of contested globalism? How are Latinos changing America and how is America changing Latinos? The Oxford Handbook of Latino Studies reflects on these questions, offering a sweeping overview of Latino life and history, from literature, popular culture, and music, to religion, philosophy and politics. Edited by leading expert Ilan Stavans, the handbook traces the emergence of Latino studies as a vibrant and interdisciplinary field of research starting in the 1980s, assessing the current state of the discipline while suggesting new paths for exploration. With its twenty-three essays and a conversation by established and emerging scholars, the book discusses various aspects of Latino life and history, from literature, popular culture, and music, to religion, philosophy and politics. Important themes such as the Chicano Movement, gender and race relations, the changes in demographics, the tension between rural and urban communities, immigration and the US/Mexico border, the legacy of colonialism, and the controversy surrounding Spanglish. The first handbook on Latino Studies, this collection offers a multifaceted and thought-provoking look at how Latinos are redefining the American identity.

Apuntes para una historia breve de Puerto Rico

Authored by experts in various facets of civil litigation and reviewed by general editor William C. Bochet, LexisNexis Practice Guide New Jersey Trial, Post-Trial, and Appellate Proceedings offers quick, direct, New Jersey-specific answers to questions that arise in day-to-day civil litigation practice. Typically organized, LexisNexis Practice Guide New Jersey Trial, Post-Trial, and Appellate Proceedings covers a range of civil practice issues and takes task-oriented approach to each subject in its action-oriented section headings (e.g. Moving for Relief in Limine, Preparing for Direct Examinations of Experts at Trial, and Making Objections or Requests for Curative Instructions) and multiple checklists in each chapter that guide the reader through each step of a task. This publication covers critical topics such as jury charges, bench trial, opening statements, burdens of proof, trial motions, party and non-party witnesses, expert witnesses, summations, and bringing appeals. It includes numerous practice tips (Strategic Point, Warning, Timing and Exception) to ensure best practices and help the attorney make choices, avoid practice pitfalls and recognize important time limitations and exceptions to general rules. The online product includes practice forms.

"This work, of considerable value in terms of the constitutional history of Puerto Rico, discusses the historical background of U.S. territorial policy prior to 1898. The second part deals with events subsequent to that date."

This is the first important critical analysis of Puerto Rican historiography by a leading historian of Puerto Rico. Brau noted the limitations of earlier historical works on Puerto Rico and sought to correct the factual errors he found in them. In writing the work, Brau relied primarily on historical documents available at the Archivo General de las Indias in Spain, where he spent three years. The study discusses a wide diversity of Puerto Rican documents from the sixteenth, seventeenth, and eighteenth centuries, which Brau uncovered at the Archivo.

Puerto Rican Women and Work

acercamiento a la historia social de la educación en Puerto Rico

desde sus origenes hasta el siglo XVIII

The contributions of the black population to the history and economic development of Puerto Rico have long been distorted and underplayed, Luis A. Figueroa contends. Focusing on the southeastern coastal region of Guayama, one of Puerto Rico's three leading centers of sugarcane agriculture, Figueroa examines the transition from slavery and slave labor to freedom and free labor after the 1873 abolition of slavery in colonial Puerto Rico. He corrects misconceptions about how ex-slaves went about building their lives and livelihoods after emancipation and debunks standing myths about race relations in Puerto Rico. Historians have assumed that after emancipation in Puerto Rico, as in other parts of the Caribbean and the U.S. South, former slaves acquired some land of their own and became subsistence farmers. Figueroa finds that in Puerto Rico, however, this was not an option because both capital and land available for sale to the Afro-Puerto Rican population were scarce. Paying particular attention to class, gender, and race, his account of how these libertos joined the labor market profoundly revises our understanding of the emancipation process and the evolution of the working class in Puerto Rico.

Gang activity in 14 countries, including the United States, is discussed within the larger framework of social and economic conditions.

The paper focuses on the following questions concerning the Spanish-American War (SP WAR) : What were the causes of the SP War? What strategic principles were applied in the SP War? What influence did the strategic thinkers of the day have on the SP War? What was the state of readiness of the combatants? What was the effect of disparate technologies that were used in the SP War? What was the nature of the ground campaign? What effect did naval forces have on the strategic aspects of the war? To what extent did the American ground and naval forces cooperate operationally; and why was it necessary for them to do so? How were IVjoint operations coordinated? What was the command structure that resembled our modern concept of joint command? Was there any "unity of command" principle applied? What were the strategic implications of the outcome of the war? What effect did the SP War have on attempts to improve future readiness of American forces?

Status of Puerto Rico: Economic factors in relation to the status of Puerto Rico

In the late nineteenth century, American teachers descended on the Philippines, which had been newly purchased by the U.S. at the end of the Spanish-American War. Motivated by President McKinley's project of "benevolent assimilation," they established a school system that centered on English language and American literature to advance the superiority of the Anglo-Saxon tradition, which was held up as justification for the U.S.'s civilizing mission and offered as a promise of moral uplift and political advancement. Meanwhile, on American soil, the field of American literature was just being developed and fundamentally, though invisibly, defined by this new, extraterritorial expansion. Drawing on a wealth of material, including historical records, governmental documents from the War Department and the Bureau of Insular Affairs, curriculum guides, memoirs of American teachers in the Philippines, and 19th century literature, *Way Healing* not only links empire with education, but also demonstrates that the rearticulation of American literary studies through the imperial occupation in the Philippines served to actually define and strengthen the field. *Empire's Proxy* boldly argues that the practical and ideological work of colonial dominance figured into the emergence of the field of American literature, and that the consolidation of a canon of American literature was intertwined with the administrative and intellectual tasks of colonial management.

Four scholarly essays investigating the history of education in Puerto Rico. This text employs documentary and firsthand sources in an attempt to provide a clear overview of the island's educational history.

A survey of the topics in gender and history of Puerto Rican women. Organized chronologically and covering the 19th and 20th centuries, it deal with issues of slavery, emancipation, wage work, women and politics, women's suffrage, industrialization, migration and Puerto Rican women in New York.

New Perspectives

Historia del pueblo de Puerto Rico

*An investigation into government forestry policies in Puerto Rico and how these have impacted on the condition of the country's forests.*

*"Originally published in 1953, this is one of the most important works to deal with the historic development of slavery in Puerto Rico and its repercussions on the daily life of the island's inhabitants."*

*This book is a "must read" for those who are looking for fresh perspectives on the process of creolization of language. Focusing on peoples whose agency has too often been rendered invisible in colonial and neo-colonial history and on voices which have too often been silenced in linguistic accounts of creole genesis, this volume considers socio-historical and linguistic evidence that attests to the important roles played in the emergence of the Atlantic and Pacific Creoles by marginalized populations, such as women and people of non-European descent. In this work, the authors amass and critically analyze a wealth of compelling data not only from phonology, morpho-syntax, pragmatics, and descriptive, theoretical, and applied linguistics, but also from history, economics, political science, sociology, anthropology, and critical theory to demonstrate how enterprising women, rebellious slaves, insubordinate sailors, and a host of other renegades and maroons had a major impact on the creolized societies, cultures, and languages of the colonial era Atlantic and Pacific.*

*Escria para propagarla entre el pueblo, recordándole los grandes hechos de sus héroes y para difundir entre todas les clases el amor al país y la memoria de sus glorias*

In particular, marginal citizenship adopted patriarchy as a model to regulate social relations at home, failing to address gender inequalities and perpetuating class differences."--BOOK JACKET.

Doctor Luis M. Díaz Soler offers a general history of Puerto Rico from its geological origins until 1898.

"Puerto Rican Women and Work: Bridges in Transnational Labor" is the only comprehensive study of the role of Puerto Rican women workers in the evolution of a transnational labor force in the twentieth century. This book examines Puerto Rican women workers, both in Puerto Rico and on the U.S. mainland. It contains a range of information--historical, ethnographic, and statistical. The contributors provide insights into the effects of migration and unionization on women's work, taking into account U.S. colonialism and globalization of capitalism throughout the century as well as the impact of Operation Bootstrap. The essays are arranged in chronological order to reveal the evolutionary nature of women's work and the fluctuations in migration, technology, and the economy. This one-of-a-kind collection will be a valuable resource for those interested in women's studies, ethnic studies, and Puerto Rican and Latino studies, as well as labor studies.

Puerto Rican Women's History: New Perspectives

*El tema de la fraternidad masónica despierta un interés por los mitos creados alrededor de la orden con las condenas y bulas papales de la Iglesia Católica, las persecuciones que han sufrido sus miembros de parte de gobiernos absolutistas, que la condenan como organización peligrosa y por sus preceptos de libertad, igualdad y fraternidad. La vertiginosa propagación transnacional, desde su fundación oficial en 1717 en Londres, despertó miedos y sospechas sobre sus fines como organización global. Quizás lo que más intriga es la cantidad de hombres ilustres que por todo el mundo han formado parte de la fraternidad, desde libertadores en América, científicos, militares, educadores, líderes religiosos, presidentes de naciones, monarcas, educadores, médicos y hasta el segundo astronauta en pisar la luna. La masonería ha sido acusada de atentar contra el status quo por la introducción de una gama de ideas nuevas dentro de una ilustración que le ponía el pie encima a los remanentes de la inquisición medieval. Estos elementos han generado, a lo largo de la existencia de la fraternidad masónica, una diversidad de investigaciones puramente especulativas que aseveran la existencia de logias en la época más antigua creadas por el propio Adán hasta investigaciones con rigurosidad académica cimentadas en un cuerpo abundante de fuentes primarias. La historia de la masonería autóctona en Puerto Rico ha sido trabajada muy efímeramente por los investigadores puertorriqueños. La excepción han sido los trabajos hechos por el Dr. José Antonio Ayala, de la Universidad de Murcia, que investigó con profundidad la "Masonería de la Obediencia Española" en el siglo XIX y XX en Puerto Rico y la "Masonería de la Obediencia Francesa en Puerto Rico en el siglo XIX, con el auspicio de la Universidad de Murcia. El Dr. Ayala pudo examinar las fuentes documentales primarias y secundarias existentes en los archivos en España, Francia y Puerto Rico que le permitieron escribir sus dos libros y varios artículos que documentan con rigurosidad académica la masonería española y francesa en Puerto Rico. Esta última, aunque documentada en un artículo, quedó muy distante de ser un trabajo abarcador como los dos volúmenes que publicó sobre la masonería de la obediencia española en Puerto Rico que cubren el siglo XIX y XX.*

*Using a proven approach to heritage language learning, Samaniego/Rojas/Rodriguez Nogales/Alarcón's EL MUNDO 21 HISPANO, 3rd edition, empowers you to connect with your history, culture and language on a more personal level. As you learn about your country of origin – or that of your ancestors – you will find a new respect for your cultural heritage as well as those of your classmates. Extremely student-friendly, the text delivers a seamless passage through Intermediate Spanish for the heritage speaker, along with integrated grammar, vocabulary, media and culture. It also provides ample opportunities to interact with and discuss each lesson's theme. FULL COURSE ACCESS, RIGHT IN YOUR POCKET Complete course work on the go with the Cengage Mobile App, which delivers a seamless course experience on a smartphone or tablet. Read your textbook whether online or offline and study with the help of flashcards, practice quizzes, and instant feedback from your instructor. You can receive due date reminders and complete assignments from the convenience of your mobile device! POWER YOUR OWN POTENTIAL Track your scores and stay motivated to achieve your goals. Whether you have more work to do or are ahead of the curve, know where you need to focus your efforts. The MindTap Green Dot tool keeps you focused along the way.
