and concise notes that covers the important topics relevant from UPSC CSE examination perspective by referring daily newspapers, the Press Information Bureau (PIB), reliable sources like government magazines, for example, the Yojana and the Kurukshetra, etc. It is relevant for all freshers and veterans in the examination, as it is important to cover all aspects of a current affairs topic, which is holistically and entirely covered by daily, weekly, monthly and yearly basis. Current Affairs are essential for the preparation of the UPSC CSE & PSC examination. The UPSC, State PSC prelims and mains

examination demand conceptual clarity of current affairs, Clearing the UPSC CSE & State PSC examination requires a complete, holistic and comprehensive understanding of concepts in the news and current affairs which has been provided by us in very crisp and meticulous notes covering all notable and crucial State, national and international current affairs.

With the onset of globalization, liberalization and technological market changes, organizations are making many strategic responses by redefining their portfolios, processes, systems and structures. At operational level, these responses are: (i)

Portfolio related responses (mergers, acquisitions, demergers, diversification, share buy-back, divestiture, and so on) process related strategic responses (quality strategy, international quality certification, JIT, benchmarking, core competence, etc.) and (iii) structure related responses (strategic business units, matrix structures, and flat organization structures). This well-organized and compact text gives a brilliant analysis of the significance of the HRD system in planning and implementation of strategic responses, focussing on the alignment between strategic responses of organizations and

HRD in India~s most valuable companies. The entire theme is presented with the help of exhaustive literature review and is based on empirical study conducted in 59 Indian organizations. The book is unique as it provides overview of 26 strategic responses and the role of HRD in them. The book is profusely illustrated and contains 140 tables, and a fairly large number of figures and boxes, which will enable the readers to grasp the subject with ease. The comprehensive References will be of great help in delving deeper into the topics discussed. Designed primarily as a textbook for postgraduate

definitive insider story on the rot in India's banking system – how many promoters easily swapped equity with debt as bank managements looked the other way to protect their balance sheets, until the RBI began waging a war against ballooning bad loans. The same troubles quickly spilled over to India's mushrooming non-banking financial companies, which were quick to spot the post-demonetisation easy liquidity and banks' reluctance to lend, prompting them to make the cardinal sin of borrowing short to lend long. What really ails public sector banks, the backbone of India's financial system? Is it the government ownership itself, or how this owner actually behaves? And just when many were rooting for privatisation as a way out, powerful bankers such as Chanda Kochhar and Rana Kapoor exposed the soft

underbelly of seemingly more efficient and profitable private banks of India. A timely and insider look at dramatic forces reshaping banking in Asia's third-largest economy, this book is a bird's-eye view of Indian banking and also a fly-on-wall documentary. A must-read to understand contemporary India's challenges and economic potential.
