For every athlete or sports fanatic who knows she's just as good as the guys. This is for fans of The Running Dream by Wendelin Van Draanen, Grace, Gold, and Glory by Gabrielle Douglass and Breakaway: Beyond the Goal by Alex Morgan. The summer before Caleb and Tessa enter high school, friendship has blossomed into a relationship . . . and their playful sports days are coming to an end. Caleb is getting ready to try out for the football team, and Tessa is training for cross-country. But all their structured plans derail in the final flag game when they lose. Tessa doesn't want to end her career as a loser. She really enjoys playing, and if she's being honest, she likes it even more than running cross-country. So what if she decided to play football instead? What would happen between her and Caleb? Or between her two best friends, who are counting on her to try out for cross-country with them? And will her parents be upset that she's decided to take her hobby to the next level? This summer Caleb and Tessa figure out just what it means to be a boyfriend, girlfriend, teammate, best friend, and someone worth cheering for. "A great next choice for readers who have enjoyed Catherine Gilbert Murdock's Dairy Queen and Miranda Kenneally's Catching Jordan."—SLJ "Fast-paced football action, realistic family drama, and sweet romance...[will have] readers looking for girl-powered sports stories...[finding] plenty to like."—Booklist "Tessa's ferocious competitiveness is appealing."—Kirkus Reviews "[The Football Girl] serves[] to illuminate the appropriately complicated emotions both of a young romance and of pursuing a dream. Hedding writes with insight and restraint."—The Horn Book A brilliant, boundary-leaping debut novel tracing twelve-year-old genius map maker T.S. Spivet's attempts to understand the ways of the world When twelve-year-old genius cartographer T.S. Spivet receives an unexpected phone call from the Smithsonian announcing he has won the prestigious Baird Award, life as normal-if you consider mapping family dinner table conversation normal-is interrupted and a wild cross-country adventure begins, taking T.S. from his family ranch just north of Divide, Montana, to the museum's hallowed halls. T.S. sets out alone, leaving before dawn with a plan to hop a freight train and hobo east. Once aboard, his adventures step into high gear and he meticulously maps, charts, and illustrates his exploits, documenting mythical wormholes in the Midwest, the urban phenomenon of "rims," and the pleasures of McDonald's, among other things. We come to see the world through T.S.'s eyes and in his thorough investigation of the outside world he also reveals himself. As he travels away from the ranch and his family we learn how the journey also brings him closer to home. A secret family history found within his luggage tells the story of T.S.'s ancestors and their long-ago passage west, offering profound insight into the family he left behind and his role within it. As T.S. reads he discovers the sometimes shadowy boundary between fact and fiction and realizes that, for all his analytical rigor, the world around him is a mystery. All that he has learned is tested when he arrives at the capital to claim his prize and is welcomed into science's inner circle. For all its shine, fame seems more highly valued than ideas in this new world and friends are hard to find. T.S.'s trip begins at the Copper Top Ranch and the last known place he stands is Washington, D.C., but his journey's movement is far harder to track: How do you map the delicate lessons learned about family and self? How do you depict how it feels to first venture out on your own? Is there a definitive way to communicate the ebbs and tides of heartbreak, loss, loneliness, love? These are the questions that strike at the core of this very special debut. Now a major motion picture directed by Jean-Pierre Jeunet and starring Kyle Catlett and Helena Bonham Carter.

In this heartwarming companion to Drive Me Crazy, twelve-year-old Fiona Coppleton is living a middle schooler's worst nightmare: her diary was made public and her best friend is partly to blame. Fiona and Cassie are supposed to be best friends forever. No one else listens or makes Fiona laugh like Cassie, and that meant everything when Fiona's parents were divorcing. They love each other in spite of their (many) differences, and even though Cassie cares a little too much about being popular, Fiona can't imagine life without her. Until Fiona's diary is stolen by the most popular girls at school, and her most secret thoughts are read out loud on the bus. Even worse: Cassie was there, and she didn't do anything to stop it. Now, for some reason, she's ignoring Fiona. Suddenly the whole world has shifted. Life without a best friend is confusing, scary, maybe impossible. But as Fiona navigates a summer of big changes, she learns more about herself—and friendship—than she ever thought possible.

Prioritizing her competitive swimming goals above everything including her grades and friendships, Brynn buries her family troubles only to find herself in a brutal cat-and-mouse competition involving her wild best friend and a hot new college swimmer. Robyn Schneider's The Beginning of Everything is a witty and heart-wrenching teen novel that will appeal to fans of books by John Green and Ned Vizzini, novels such as The Perks of Being a Wallflower, and classics like The Great Gatsby and The Catcher in the Rye. Varsity tennis captain Ezra Faulkner was supposed to be homescoming king, but that was before—before his girlfriend cheated on him, before a car accident shattered his leg, and before he fell in love with unpredictable new girl Cassidy Thorne. As Kirkus said in a starred review, "Schneider takes familiar stereotypes and infuses them with plenty of depth. Here are teens who could easily trade barbs and double entendres with the characters that fill John Green's novels." Funny, smart, and including everything from flash mobs to blankets forts to a poode who just might be the reincarnation of Jay Gatsby, The Beginning of Everything is a refreshing contemporary twist on the classic coming-of-age novel—a heart-wrenching story about how difficult it is to play the part that people expect, and how new beginnings can stem from abrupt and tragic endings.

Whether you're single and want to get more out of your sexual encounters or you've been married for donkey's years and need to put the zing back into your love making, you're holding the solution to all your sexual dilemmas. With the surest shortcuts and insider secrets, Elisabeth Wilton and Marcelle Perks reveal 52 passionate ideas that you can build into your everyday life. So it's time to gently nudge your natural libido and ignite your imagination with these simple and sensational tips.

It is the simmering summer of 2001 in New York City. Heller is the youngest employee of Soft Tidings, a messenger service whose motto is "news with a personal touch." At Soft Tidings, a message is not handed over but told to the recipient. And the messages, as a rule, are not especially good news. Heller prefers his bike to the mandatory Rollerblades, and he gets away with his maniacal bike riding because he is, hands down, the best deliverer of bad news. This summer will be memorable for Heller as he finds himself drawn into the lives of a wildly diverse cast of characters, accidentally falling in love, and relating to people in a whole new way. The wondrous Aimee Bender conjures the lush and moving story of a girl whose magical gift is really a devastating curse. On the eve of her ninth birthday, unassuming Rose Edelstein, a girl at the periphery of schoolyard games and her distracted parents' attention, bites into her mother's homemade lemon-chocolate cake and discovers she has a magical gift: she can taste her mother's emotions in the cake. She discovers this gift to her horror, for her mother—her cheerful, good-with-crafts, can-do mother—tastes of despair and desperation. Suddenly, and for the rest of her life, food becomes a peril and a threat to Rose. The curse her gift has bestowed is the secret knowledge all families keep hidden—her mother's life outside the home, her father's detachment, her brother's clash with the world. Yet as Rose grows up she learns to harness her gift and becomes aware that there are secrets even her taste buds cannot discern. The Particular Sadness of Lemon Cake is a luminous tale about the enormous difficulty of loving someone fully when you know too much about them. It is heartbreaking and funny, wise and sad, and confirms Aimee Bender's place as "a writer who makes you grateful for the very existence of language" (San Francisco Chronicle). **BONUS:** This edition includes an excerpt from Aimee Bender's The Color Master.

A USA TODAY BESTSELLER! A historical novel inspired by true events, Kelli Estes's brilliant and atmospheric debut is a poignant tale of two women determined to do the right thing and the power of our own stories. The smallest items can hold centuries of secrets... Inara Erickson is exploring her deceased aunt's island estate when she finds an elaborately stitched piece of fabric hidden in the house. As she peels back layer upon layer of the secrets it holds, Inara's life becomes interwoven with that of Mei Lein, a young Chinese girl mysteriously driven from her home a century before. Through the stories Mei Lein tells in silk, Inara uncovers a tragic truth that will shake her family to its core—and force her to make an impossible choice. A touching and tender book for fans of Marie Benedict, Susanna Kearsley, and Duncan Jepson.

Anna is dreading another tourist-filled summer on Dune Island that follows the same routine: beach, ice cream, friends, repeat. That is, until she locks eyes with Will, the gorgeous and sweet guy visiting from New York. Soon, her summer is filled with flirtatious fun as Anna falls head over heels in love. But with every perfect afternoon, sweet kisses, and walk on the beach, Anna can't ignore that the days are quickly growing shorter, and Will has to leave at the end of August. Anna's never felt anything like this before, but when forever isn't even a possibility, one summer doesn't feel worth the promise of her heart breaking....

When teenaged sisters Daisy, Violet, and Calla spend their last summer together at Camp Callanwolde, the decisions they make—both good and bad—bring challenges to their relationship as well as opportunities to demonstrate their devotion to one another.

Everything I Never Expected about Being a Mom

Football Girl

Join Will Carter for his freshman year, when he'll search for sex, love, and acceptance anywhere he can find it. In the process, he'll almost kill a trombone player, face off with his greatest nemesis, get caught up in a messy love triangle, suffer a lot of blood loss, narrowly escape death, run from the cops (not once, but twice), meet his match in the form of a curvy drill teamer, and surprise everyone, including himself.

As zizzing as a see-and-be-seen night on the town, as lip-smacking as a flawless cosmo, The Perfect Manhattan serves up a dishy tale of bartending among the beautiful people—and provides the ultimate summer cocktail. Meet Cassie Ellis—a young college graduate with the world on a string, a yen for screenwriting, and a need for fast cash to pay off her student loans. Eager to avoid the lucrative snooze-fest of a real-estate consulting job, she seeks everyone she knows by opting for a sexier, more flexible job: mixing drinks. Never mind that she doesn't know single-malt whiskey from Jack Daniel's: she's eager to learn. And under the tutelage of a sexy Soho bar owner, she's soon cranking out three-olive martinis with the city's glitterati fifteen-deep at the bar—all while angling for tips, fielding bad pick-up lines, and trying to keep up with the other bartenders who party as hard as their stylish clientele. When Cassie accepts a summer gig bartending in the Hamptons, New York's most elite summer destination, she finds herself catapulted into a whirlwind of dazzling celebrity and over-the-top wealth unlike anything she's ever seen. Life behind the velvet rope is hard to resist, especially when she finds herself falling for a Hamptons hottie named James. But as the summer progresses, and she finds herself surrounded by playboys, moguls, spoiled rich kids, and Paris Hilton clones in strappy stilettos, she soon wonders if playing the ersatz socialite—while actually trying to make a living—is more than she bargained for. Drawn from the authors' own experiences as bartenders in the thick of New York's party scene, The Perfect Manhattan is a perfect mix of sparkling social satire, romance, comedy, and scandal that provides a fast-paced, enormously entertaining look inside the life on the chichi side of the tracks.

A 2015 Whitney Award Nominee! A powerful story of loss, second chances, and first love, reminiscent of Sarah Dessen and John Green. When Oakley Nelson loses her older brother, Lucas, to cancer, she thinks she'll never recover. Between her parents' arguing and the battle she's fighting with depression, she feels nothing inside but a hollow emptiness. When Mom suggests they spend a few months in California with Aunt Jo, Oakley isn't sure a change of scenery will alter anything, but she's willing to give it a try. In California, Oakley discovers a sort of safety and freedom in Aunt Jo's beach house. Once they're settled, Mom hands her a notebook full of letters addressed to her—from Lucas. As Oakley reads one each day, she realizes how much he loved her, and each letter challenges her to be better and to continue to enjoy her life. He wants her to move on. If only it were that easy. But then a surfer named Carson comes into her life, and Oakley is blindsided. He makes her feel again. As she lets him in, she is surprised by how much she cares for him, and that's when things get complicated. How can she fall in love and be happy when Lucas never got the chance to do those very same things? With her father's dying words as guidance, Oakley knows she must learn to listen and trust again. But will she have to leave the past behind to find happiness in the future? Sky Pony Press, with our Good Books, Racehorse and Arcade imprints, is proud to publish a broad range of books for young readers—picture books for small children, chapter books, books for middle grade readers, and novels for young adults. Our list includes bestsellers for children who love to play Minecraft; stories told with LEGO bricks; books that teach lessons about tolerance, patience, and the environment, and much more. The Summer of Firsts and Lasts

When the Sudanese civil war reaches his village in 1985, 11-year-old Salva becomes separated from his family and must walk with other Dinka tribe members through southern Sudan, Ethiopia and Kenya in search of safe haven. Based on the life of Salva Dut, who, after emigrating to America in 1996, began a project to dig water wells in Sudan. By a Newbery Medal-winning author.

Spencer "Responsible" Davis is nowhere ready to "give up the V," as opposed to her hormonally crazed crew of friends, obsessed with the who-what-when-where-how of it all. "It" being . . . well, you get it. Even Spencer's male friends, who claim to have expertise in the matter, offer their services to help relieve her of that pesky letter, much to her embarrassment. But when new-kid Benjamin enters the picture, Spencer begins to rethink her "responsible" moniker, and for the first time she wonders if she's found just the right guy worth trading in her V-card.

A tween rivalry-turned-friendship story bursting with humor and heart—perfect for fans of Lisa Graff and Lynda Mullaly Hunt. Lana and Cassie have met only once before, at the wedding of Lana’s Grandpa Howe and Cassie’s Grandma Tess two months ago. The two girls couldn’t be more different, and they didn’t exactly hit it off—but they’re about to spend an entire week together for their grandparents’ honeymoon, road-tripping from California to Maine in the backseat of a Subaru. It’s going to be a disaster. Told in alternating chapters between Cassie and Lana, Drive Me Crazy shows that even though friendship can be a bumpy road, it just might change your life for the better.

Two missing girls. Thirteen years apart. An intense psychological thriller for readers of I Am Watching You, The Luckiest Girl Alive, and All the Missing Girls. Olivia Shaw has been missing since last Tuesday. She was last seen outside the entrance of her elementary school in Hunts Point wearing a white spring jacket, blue jeans, and pink boots. I force myself to look at the face in the photo, into her slightly smudged features, and I can't bring myself to move. Olivia Shaw could be my mirror image, returned to thirteen years ago. If you have any knowledge of Olivia Shaw's whereabouts or any relevant information, please contact... I've spent a long time peering into the faces of girls on missing posters, wondering which one replaced me in that basement. But they were never quite the right age, the right look, the right circumstances. Until Olivia Shaw, missing for one week tomorrow. Whoever stole me was never found. But since I was taken, there hasn't been another girl. And now there is.

Just before her sixteenth birthday, Brie Eagan dies at the broken heart when her boyfriend tells her he does not love her, and she then must go through the stages of grief, while watching her friends and family try to cope with her death.
