

Purple Squirrel Stand Out Land Interviews And Master The Modern Job Market

Brave orphan Mina dreams of becoming a great scientist, even though she's just a beginner. But when her parents' killer escapes from prison and threatens to kill again, she must make the terrifying leap from apprentice to master sooner than planned—if she wants to survive. Book 1 of *The Naturalist* combines historical fantasy with thrilling adventure and a touch of Renaissance romance.

"A moving animal-fantasy kids will want to squirrel away for repeated reading." —Booklist (starred review) When a hawk snatches up an adventurous squirrel named Phoenix, he's ready to kiss his tail goodbye. But what should have been a death sentence becomes the beginning of a sweeping big-city adventure in this "charming" (Kirkus Reviews) novel by National Book Award nominated author Tor Seidler. Phoenix is a pretty big deal in his neck of the woods: The largest in his litter with the most lustrous fur and by far the bushiest tail, he's one of the most sought-after squirrels in New Jersey—which makes his kidnapping by hawk even more dramatic. Luckily, the hawk doesn't have the best grip. Unluckily, he drops Phoenix on a freshly-tarred street in downtown Manhattan. Now stripped of his gorgeous golden-brown coat, Phoenix looks like nothing more than a common sewer rat. Fortunately for Phoenix, it's not a pack of sewer rats that find him (they're a notoriously surly bunch), but rather wharf rats. Taken in by siblings Lucy and Beckett, Phoenix is welcomed into a rat pack living in abandoned piers on the Hudson. But when they learn of plans to demolish the piers, Phoenix is swept up in a truly electrifying scheme to stop the humans from destroying his new friends' home.

It takes time and effort to cultivate any high quality relationship, and the relationship with your boss is no exception. What is unique about the boss-employee relationship is that it can be a beacon for productivity, job satisfaction, and exceeding business objectives, or it can be a burden, which leads to stress, a drop in morale, and a loss of engagement and progress in one's career. Successful companies are built on effective relationships both up and down the reporting chain. Conversely, businesses with the greatest chances for success have sometimes faltered simply because they failed to recognize the need to "manage up" the hierarchy. #MANAGING UP tweet, by organizational experts Tony Deblauwe and Patrick Reilly, is a concise and easy guidebook that helps you successfully navigate the right way to manage your boss to the mutual benefit of both parties and the organization. Each section provides thought provoking and actionable statements that will help you learn how to effectively collaborate with your manager and drive a better connection that positively impacts how each party views job roles, expectations, priorities, and performance. Their concise, direct-to-action tips give you: An overview of the boss-employee relationship How to enter into productive collaboration and negotiation Ways to balance skillful interaction with on-time deliverables Innovative ideas for improving your job satisfaction Even if you and your boss currently have a great relationship, this book shows you how to increase the level of support, success, and satisfaction you receive in your daily work-life. #MANAGING UP tweet cuts to the chase with bite-sized "bytes" of wisdom that reveal how you can build effective communication and rapport upwards that will reverberate throughout your team. Tony Deblauwe, founder of HR4Change, and Patrick Reilly, president of Resources in Action, Inc., have extensive experience working with corporations large and small to coach leaders and employees alike how to manage and optimize human relationships in the workplace. Their quick and valuable read will supercharge your productivity, career, and job satisfaction so that you achieve optimum alignment with your boss and the organization. #MANAGING UP tweet is part of the THiNKaha series whose slim and handy books contain 140 well-thought-out quotes (tweets/ahas).

"Should appeal to all rugged individualists who dream of escape to the forest."—The New York Times Book Review Sam Gibley is terribly unhappy living in New York City with his family, so he runs away to the Catskill Mountains to live in the woods—all by himself. With only a penknife, a ball of cord, forty dollars, and some flint and steel, he intends to survive on his own. Sam learns about courage, danger, and independence during his year in the wilderness, a year that changes his life forever. "An extraordinary book . . . It will be read year after year." —The Horn Book

Journalist Walls grew up with parents whose ideals and stubborn nonconformity were their curse and their salvation. Rex and Rose Mary and their four children lived like nomads, moving among Southwest desert towns, camping in the mountains. Rex was a charismatic, brilliant man who, when sober, captured his children's imagination, teaching them how to embrace life fearlessly. Rose Mary painted and wrote and couldn't stand the responsibility of providing for her family. When the money ran out, the Walls retreated to the dismal West Virginia mining town Rex had tried to escape. As the dysfunction escalated, the children had to fend for themselves, supporting one another as they found the resources and will to

leave home. Yet Walls describes her parents with deep affection in this tale of unconditional love in a family that, despite its profound flaws, gave her the fiery determination to carve out a successful life. -- From publisher description.

The Valley of the Giants is set on the edge of Humboldt Bay in the fictional town of Sequoia, California. Starting in 1850s, with John Cardigan founding the logging company to build a life for him and his son Bryce, the novel follows the ups and downs of the Cardigan family and the on-going rivalry with Colonel Pennington over logging rights and other business matters. When Bryce Cardigan returns home from the college he finds out that his father's company is in trouble and that Pennington is pushing them out of business. He must try to save the company and screw Colonel Pennington, while juggling a secret relationship with Shirley, Pennington's niece.

Hispanic Engineer & Information Technology is a publication devoted to science and technology and to promoting opportunities in those fields for Hispanic Americans.

Winner of the Travel Media Awards 'Travel Guide Book of the Year' award 2016. This original and colourful guide to British summer wildlife experiences is packaged into daily suggestions for what, when, where and how to see the best of British summer wildlife. For both the experienced wildlife tourist and the novice, the suggestions criss-cross England, Scotland and Wales, complete with inspiring itineraries, engaging descriptions, detailed directions and tips on how to find, identify and enjoy British animals, butterflies, birds and plants. Each entry gives an informative and inspiring suggestion focusing on up to four species, with full-colour photography and a helpful box covering practicalities such as grid references, useful websites, access arrangements to specific sites, flexibility details such as flight periods for butterflies or flowering weeks for orchids, and alternative sites to make viewing possible if you don't live near the suggested site but want to view the suggested species. From delicate orchids to gargantuan basking sharks, from seabird skyscrapers to ostentatious otters, this is the only guide of its type to offer full details of how to get the most out of British summer wildlife-watching.

The Wizard of Pride

A Memoir

A Game of Fox & Squirrels

The Adventures of Bucky the Squirrel

In the year 1939, discretion is a way of life for young men like Darius Krasner. However, when he gets caught making love to one of the young farm hands by the wicked Agnes McCain, and she threatens to expose him and take his dog, he's forced to run away from the only family and home he's ever known. In his rush to leave, Darius stumbles across one of the most wonderful, handsome young men he's ever met. Unfortunately, there isn't much time to get to know him because there's a storm approaching and Darius decides to run back home to make sure his family is safe. By the time Darius reaches the farm, there's a twister in the distance and he escapes to the house for shelter. On his way, a piece of flying debris hits him on the head and knocks him out. When he finally regains consciousness, he's in the most unusual place called The Land of Pride. And according to The Good Fairy, Miss Glitz, his only way back home involves a pair of magical pink stilettos, a silvery gilded road, a place called The Rainbow City, and a man they call the Wonderful Wizard of Pride. It's an LGBTQ+ fairytale filled with references to gay culture and LGBTQ+ Pride that's long before Darius's time, but he's well aware there's no shame or hate in The Land of Pride. In his quest to find The Wizard of Pride, he meets other people like himself, and one in particular who teaches him that he can fall in love and live happily ever after with a man, which is something he never thought possible.

This new collection of poetry from the foreign writer Ach Outre was inspired by his travels across America, in which he details what he sees as a country becoming the world's first social technocracy.

Adam Newman once had it all. But then he lost it. Now Adam yearns to reunite with his estranged wife, Evelyn, and recapture the Edenic life they once had running Paradise Dogs, the roadside hot-dog restaurant now legendary throughout central Florida. He has a few obstacles along the way. For starters, there's his impending marriage to Lily. There's also the matter of a quarter million dollars' worth of diamonds that he mislaid, along with what appears to be a shadowy conspiracy that is buying up land around the Cross-Florida Canal (and which may or may not be a product of Adam's alcohol-infused imagination). Despite his own troubles---and a brief stay in Chattahoochee---Adam looks to mentor his son, Addison, in the ways of love. Awkward, unsure, and employed as the world's least accurate obituary writer, Addison pines for a beautiful and painfully earnest linguistic student but must compete for her attention with his older and more sophisticated half brother from Evelyn's first marriage. But if anybody can set these worlds in order, it is Adam, who has an uncanny knack for being in the right place at the right time and allowing others to believe he's someone he's not. Whether it's delivering a baby, rescuing a marriage, or exposing a Communist conspiracy, our

protagonist is up for the job. Paradise Dogs, from Georgia Author of the Year Award winner Man Martin, is a farcical tale of paradise lost, the American Dream, and the true measures of love

Purple Squirrel is the first job seeker book to focus on the art and science of GETTING RECRUITED. Job search can be incredibly time consuming and frustrating, or it can be a highly enjoyable and lucrative experience. If you're interested in discovering what it feels like to be an in-demand resource, this is the only book on the market for you. Managers, critics, and industry experts agree...Purple Squirrel is "the best job seeker and career book in decades," "the right book at the right time," and "a powerful, practical, and entertaining read." Grab your copy today!

Why Are Careers in Flux? Are you lost, hopeless, or angry in your job search? Do you feel alone, cheated, ripped off, or not sure what to do next? Or are you curious to understand the massive shift in the job hunting market currently rippling through the career transition landscape? What if you could understand what is driving this sea change and how Generation Flux is flourishing? What if you knew precisely where the profitable job opportunities lie? And what careers to avoid? Is College Worth it Anymore? Most of us have been told or believed that going to college after high school was worth it in the long run. But is student loan debt really worth the investment? Or is it a debt trap? Why do university tuition rates continue to skyrocket past the rate of simple inflation? Allusion of Career Security What if following the traditional career path, with its promise of a retirement pension after 20 or 30 years of dedicated service is not as secure as we think? The good news is that even though the definition of career success is changing, seeming instability in income and job tenure can also lead to be a more rewarding and fulfilling career. See how Generation Flux is succeeding with shorter job tenures and/or multiple streams of income. Whether you or someone you know is in college or just starting out, gainfully employed (and concerned about career ambiguity), underemployed, or have been downsized, rightsized, laid off, fired, cast off, or otherwise in career transition, Why Career Advice Sucks is for you. Satisfaction in Spite of Complexity With 15 years of twists and turns, Miles Anthony Smith delves into the ups and downs of his career, shares many funny, some sad, and other frustrating stories that will have you laughing and crying as you earn an advanced degree through his many mistakes and missteps. He paints a future of growing complexity where career success is defined by those who are willing to take calculated risks. Are you willing to join the ranks of Generation Flux? Create Career Clarity Miles will guide you on a job search journey to understand the past, confront the career development present, and conquer future career success. You will learn why traditional career planning is dead, how to become agile, adapt to ambiguity, and develop resilience no matter what the job change market throws your way. It's Laid Out in 4 Simple Parts Part 1: Lies, Damned Lies: Historical Context Part 2: Stop The Education Madness! Part 3: Embrace Becoming Generation Flux Part 4: Hope in the Job Seeking Trenches Get this book now to decrease your confusion, stress, and frustration with your career. The career advice in these pages is genuinely worth far more than the simple investment you will make. Pick up your copy of the book by clicking the BUY NOW button at the top of the page.

Athena Lee had returned home to her planet of birth. She is home to visit the family she has not seen for over 16 years. Her ship the James Cook is there to repair damage caused by the O'Malley pirates. She finds that her once peaceful agrarian world is overrun with corruption and graft. Her own family is wrapped up in a daily power play for control of the planet and its resources. What was a nice family visit has become a trial of wills. What about the marriage they arranged for her? Oh Hell No! This engineer now has to fight her own family to survive. A reckoning is approaching will she be ready for it?

Californian Story of the Gilded Age

In this best-selling novel, Patrick Smith tells the story of three generations of the MacIveys, a Florida family who battle the hardships of the frontier to rise from a dirt-poor Cracker life to the wealth and standing of real estate tycoons. The story opens in 1858, when Tobias MacIvey arrives in the Florida wilderness to start a new life with his wife and infant son, and ends two generations later in 1968 with Solomon MacIvey, who realizes that the land has been exploited far beyond human need. The sweeping story that emerges is a rich, rugged Florida history featuring a memorable cast of crusty, indomitable Crackers battling wild animals, rustlers, Confederate deserters, mosquitoes, starvation, hurricanes, and freezes to carve a kingdom out of the swamp. But their most formidable adversary turns out to be greed, including finally their own. Love and tenderness are here too: the hopes and passions of each new generation, friendships with the persecuted blacks and Indians, and respect for the land and its wildlife. Patrick Smith's novel is now available for young readers. A teacher's manual is available for using A Land Remembered to teach language arts, social studies, and science coordinated

with the Sunshine State Standards of the Florida Department of Education.

Includes songs for solo voice with piano accompaniment.

Andre Norton Award finalist Jenn Reese explores the often thin line between magic and reality, light and darkness in her enchanting middle grade standalone. "Brings to life, viscerally, what it is like to live in fear of abuse—even after the abuse itself is over. But there is magic here too, and the promise of a better future that comes with learning to let people who care about you into your world." —Alan Gatz, New York Times—bestselling author of Refugee "A captivating and touching story... both whimsical and emotionally—sometimes frighteningly—compelling." —Ingrid Law, Newbery Honor-winning author of Savvy "Magically creative and deeply honest, A Game of Fox & Squirrels merges games and grimness in a fantasy tale that tells the truth." —Elana K. Arnold, Printz Honor-winning author of Damsel and A Boy Called Bat After an incident shatters their family, eleven-year old Samantha and her older sister Caitlin are sent to live in rural Oregon with an aunt they've never met. Sam wants nothing more than to go back to the way things were... before she spoke up about their father's anger. When Aunt Vicky gives Sam a mysterious card game called "A Game of Fox & Squirrels," Sam falls in love with the animal characters, especially the charming trickster fox, Ashander. Then one day Ashander shows up in Sam's room and offers her an adventure and a promise: find the Golden Acorn, and Sam can have anything she desires. But the fox is hiding rules that Sam isn't prepared for, and her new home feels more tempting than she'd ever expected. As Sam is swept up in the dangerous quest, the line between magic and reality grows thin. If she makes the wrong move, she'll lose far more than just a game. Perfect for fans of Barbara O'Connor, Lauren Wolk, and Ali Benjamin, A Game of Fox & Squirrels is a stunning, heartbreaking novel about a girl who finds the light in the darkness... and ultimately discovers the true meaning of home.

Bestselling author Robert Whitlow presents an international legal drama with historical mysteries, religious intrigue, and political danger that speaks to critical issues of our day in these two novels now available in one collection. Chosen People Hana Abboud is a Christian Arab Israeli lawyer currently living and practicing in Atlanta. When a partner in her law firm comes to her with a special case, she joins forces with Jakob Brodsky, a young Jewish lawyer, and Daud Hasan, an Arab investigator, to seek justice for one little

girl. To unravel the case, this team will travel from the streets of Atlanta to the alleys of Jerusalem, a world where hidden motives thrive, the risk of death is real, and the search for truth has many faces. What they uncover will forever change their understanding of justice, heritage, and what it means to be chosen for a greater purpose. Promised Land Bestselling author Robert Whitlow explores the meaning of family and home—and how faith forms the identity of both—in this breathtaking follow-up to Chosen People.
