analyze everyone
though including

analyzing why we
feel this way when
falling in love. Why
every time we are in
a relationship with
someone we end up
blaming that
particular person
instead of looking at
our self. So I

and ending up
having bad day.

What I am referring

is to take our time to learn about others, take our time to see beyond that person, take our time to feel what the other person is feeling instead of blocking their heart. It is easy to run away but what youre really doing is just ignoring what can be
