Testimonios of Migration, Deportation, and Asylum

*Powerful personal accounts from migrants crossing the US-Mexico border provide an understanding of their experiences, as well as the consequences of public policy. Migrants, refugees, and deportees live through harrowing situations, yet their personal stories are often ignored. While politicians and commentators mischaracterize and demonize, herald border crises, and speculate about who people are and how they live, the actual memories of migrants are rarely shared. In the tradition of oral storytelling, Voices of the Border reproduces the stories migrants have told, offering a window onto both individual and shared experiences of crossing the US-Mexico border. This collection emerged from interviews conducted by the Kino Border Initiative (KBI), a Jesuit organization that provides humanitarian assistance and advocates for migrants. Based in Nogales, Arizona, and Nogales, Sonora--twin border cities connected by shared histories, geographies, economies, and cultures--the editors and their colleagues documented migrants' testimonios to amplify their voices. These personal narratives of lived experiences, presented in the original Spanish with English translations, bring us closer to these individuals' strength, love, and courage in the face of hardship and injustice. Short introductions written by migrant advocates, humanitarian workers, religious leaders, and scholars provide additional context at the beginning of each chapter. These powerful stories help readers better understand migrants' experiences, as well as the consequences of public policy for their community. Royalties from the sale of the book go to the Kino Border Initiative.*

*THE DEFINITIVE EDITION • Discovered in the attic in which she spent the last years of her life, Anne Frank's remarkable diary has since become a world classic—a powerful reminder of the horrors of war and an eloquent testament to the human spirit. Updated for the 75th Anniversary of the Diary's first publication with a new introduction by Nobel Prize-winner Nadia Murad "The single most compelling personal account of the Holocaust ... remains astonishing and excruciating."—The New York Times Book Review In 1942, with Nazis occupying Holland, a thirteen-year-old Jewish girl and her family fled their home in Amsterdam and went into hiding. For the next two years, until their whereabouts were betrayed to the Gestapo, they and another family lived cloistered in the "Secret Annex" of an old office building. Cut off from the outside world, they faced hunger, boredom, the constant cruelties of living in confined quarters, and the ever-present threat of discovery and death. In her diary Anne Frank recorded vivid impressions of her experiences during this period. By turns thoughtful, moving, and amusing, her account offers a fascinating commentary on human courage and frailty and a compelling self-portrait of a sensitive and spirited young woman whose promise was tragically cut short.*

*The revolutionary literary vision that sowed the seeds of Objectivism, Ayn Rand's groundbreaking philosophy, and brought her immediate worldwide acclaim. This modern classic is the story of intransigent young architect Howard Roark, whose integrity was as unyielding as granite...of Dominique Francon, the exquisitely beautiful woman who loved Roark passionately, but married his worst enemy...and of the fanatic denunciation unleashed by an enraged society against a great creator. As fresh today as it was then, Rand's provocative novel presents one of the most challenging ideas in all of fiction—that man's ego is the fountainhead of human progress... "A writer of great power. She has a subtle and ingenious mind and the capacity of writing*

**In this haunting novel about two young vatos, author Sergio Elizondo eulogizes Óscar Balboa and Valentín Rodríguez, who are sixteen and nineteen respectively when they are shot and killed by the police in Austin, Texas. On leave from Camp Gary, a youth training facility in nearby San Marcos, the two "strutting icons of Raza manhood worthy of a guitar ballad" are the novel's principal voices as they lie dying. In other chapters, Óscar remembers traveling north with his parents as a young boy to pick crops and joining farm workers' protest marches. Songs of all types—symphonic, orchestral and protest—infuse the narrative: "We'll summon the spirit of a poet so that he can adapt our people's story through time and set it to music." Elizondo's short and tragic novel bears witness to la raza's struggles for rights, whether in the fields, the work place or on college campuses. Originally published in Spanish and now available for the first time in English, this classic of Mexican-American literature provides insight into the Chicano civil rights movement of the late 1960s and early 1970s. *Muerte en una estrella / Shooting Star* is a profoundly disturbing and moving denunciation of bigotry and discrimination.**
