the process of modern quilt design, one step at a time. Applying negative space to your quilts in eight key ways, you'll start with traditional blocks or quilts and transform them into modern masterpieces. Each chapter focuses on a negative space design concept, such as removing elements or disintegration, and includes a project to practice that technique. Complete with tips on choosing fabrics, estimating yardage, and machine quilting for an artistic finish, this book has something for every quilter!

The Underground Railroad story is one of the most dramatic chapters in America's history. It's a story about how countless slaves made their way out of bondage, risking death for freedom. This book features fifteen traditional quilt blocks believed to have had secret meanings to escaping slaves.

Indulge your passion for color and fabric with a smorgasbord of

blocks to use in a quilt that's a visual feast. The fun begins with more than 100 beautiful quilt blocks that all finish at 6" square, making them perfect for using scraps and for easy mixing and matching. Whether you prefer traditional or modern, you'll find so much to love in the varied assortment of block designs. Susan A (you may know her as @yardgrl60 on Instagram) shares 50 expert tips throughout, plus step-by-step instructions for making half-square triangles, flying geese, stitch-and-flip corners, and more. Once your tantalizing blocks are stitched, arranging them in the stunning sampler quilt is sheer pleasure!

and given you the instructions on what to cut and where to stitch, but I have not infused the blocks with any meaning. This is your quilt. The fabrics that you choose, the colors that you use and why you are making it are what will give the quilt a purpose. Name your blocks, write in the margins, cross out the ones that you don't like, draw hearts around the ones that you love. In a perfect world, everyone's book would end up looking like a journal, coffee stains and all. The more adventurous ones might rename the book and write their own introduction. Tula Pink's City Sampler is a collaboration between you and me. I am the platform and you are the speaker, so stand on my shoulders and tell the future who you are and why you make."
