As a spiteful tithe, the pig is given to the local monastery. The pig becomes a Christian. The pig is Saint Katy the Virgin. Fantastical and farcical, this short story parodies religious tropes and stereotypes. With a lively imagination and piercing wit, John Steinbeck delivers an absurd tale that amuses and entertains whilst asking powerful, revealing questions.

She disappeared to South America, where she could fight both her savage gift and those who cursed her with it. Now, she needs Harry’s help more than ever. For the

vengeful Duchess of the Red Court has discovered a secret Susan has long kept from everyone—including Harry—and she plans to use it. A masterpiece of Biblical scope, and the magnum opus of one of America's most enduring authors, in a commemorative hardcover edition In his journal, Nobel Prize winner John Steinbeck called *East of Eden* "the first book," and indeed it has the primordial power and simplicity of myth. Set in the rich farmland of California's Salinas Valley, this sprawling and often brutal novel follows the intertwined destinies of two families—the Trasks and the Hamiltons—whose generations helplessly reenact the fall of Adam and Eve and the poisonous rivalry of Cain and Abel. The masterpiece of Steinbeck's later years, *East of Eden* is a work in which Steinbeck created his most mesmerizing characters and explored his most enduring themes: the mystery of identity, the inexplicability of love, and the murderous consequences of love's absence. Adapted for the 1955 film directed by Elia Kazan introducing James Dean, and read by thousands as the book that brought Oprah's Book Club back, *East of Eden* has remained vitally present in American culture for over half a century.

The final novel of one of America's most beloved writers—a tale of degeneration, corruption, and spiritual crisis A Penguin Classic In awarding John Steinbeck the 1962 Nobel Prize in Literature, the Nobel committee stated that with *The Winter of Our*

Discontent, he had “resumed his position as an independent expounder of the truth, with an unbiased instinct for what is genuinely American.” Ethan Allen Hawley, the protagonist of Steinbeck’s last novel, works as a clerk in a grocery store that his family once owned. With Ethan no longer a member of Long Island’s aristocratic class, his wife is restless, and his teenage children are hungry for the tantalizing material comforts he cannot provide. Then one day, in a moment of moral crisis, Ethan decides to take a holiday from his own scrupulous standards. Set in Steinbeck’s contemporary 1960 America, the novel explores the tenuous line between private and public honesty, and today ranks alongside his most acclaimed works of penetrating insight into the American condition. This Penguin Classics edition features an introduction and notes by leading Steinbeck scholar Susan Shillinglaw. For more than seventy years, Penguin has been the leading publisher of classic literature in the English-speaking world. With more than 1,700 titles, Penguin Classics represents a global bookshelf of the best works throughout history and across genres and disciplines. Readers trust the series to provide authoritative texts enhanced by introductions and notes by distinguished scholars and contemporary authors, as well as up-to-date translations by award-winning translators.

Walk Two Moons

In her third and most important work, Juliet Diaz, the bestselling author of Witchery, offers an approach to Magic, spirituality, and healing like no other and takes readers through the deep work of decolonizing their spirituality. The Altar Within: A Radical Devotional to Liberate the Divine Self is a work of spiritual revolution for all peoples, offering them practices and rituals in the arts of self-worship, self-discovery, and self-activism. The Altar Within is like no other approach to Spirituality, breaking through the vicious cycles of harmful and toxic spiritual practices and beliefs. Diaz speaks for those victimized and enslaved by colonization and offers a new

take on personal development based in the resounding plea of our ancestors to live our Divined lives, the ones they could not have for themselves. In the book, Diaz leads the reader through an exploration of: Self-Worship: Here, the reader comes to ritualize the experiences of self-compassion, mindfulness, self-acceptance, and radical self-honesty, creating practices that help them to see their Divinity and Altar within. Through these rites, readers will have a better understanding of what it means to decolonize their Spirituality, giving birth to new spiritual practices while honoring the experiences of our ancestors. Dismantling the idea that Divinity must only exist from without, Diaz takes readers on a journey of powerful Self-Worship, connecting them into the Divinity that resides within all of us. Self-Discovery: In this section, Diaz helps the reader to discover their Divined lives, but in a way that most teachers haven't offered. As Diaz shares, it isn't through our achievements that we find our purpose but through understanding the Divine self.

Here, Diaz leads readers through practices in self-love, self-patience, and self-forgiveness, helping them to experience the stillness and wholeness needed to hear the messages shared by the Divine. Self-Activism: Unlike traditional manifestation teachers, Diaz recognizes that manifestations are not brought forth by #goodvibesonly but by a real and committed process of activism, standing in our deep worth and sharing our humanity. In this section, Diaz offers a series of Devotionals to guide readers in the practice of Community Care, connecting the work not only with the Magic of manifestation but with our communities, our ancestors, and the Divine Self within. Pushing back on #lightandlove and #goodvibesonly, Diaz dismantles the wellness industry, releasing readers from the practice of spiritual bypassing into a far more powerful experience of self, healing, hope, and Spirit. This book is for anyone, including those who can't afford to buy all the tools, pay for the expensive memberships, people who have real-life issues, illnesses, and hardships. Through The Altar Within,

Diaz brings the Magic to real life, acknowledging our humanness by connecting with our Spirit. The Altar Within will help readers create success in every area of their lives—from wealth, health, relationships, and personal development, to the nourishment of their relationship with the Divine self. As Diaz explains, when we can finally decolonize our spiritual beliefs, Divinity can be a super force in our lives, making us whole, stronger, wiser, and setting us on a path of transcendent activism. #magicalaf In this life-changing work, Juliet offers readers a collection of rituals, ceremonies, meditations, daily exercises, journaling, and subconscious and mindset techniques to take their spiritual and magical practice to the next level, healing deep trauma and finally living their Divine lives. Juliet Diaz is a Bruja and Seer, spiritual activist, and an Indigenous Taino Cubana from a long line of curanderos (Healers) and Brujas. Juliet has a Master of Science in Herbal Medicine and countless certifications in an array of healing modalities. She's the

creator of Love Juliet & Co and has nearly one million followers across multiple platforms. She has been featured in major publications like Oprah Magazine, National Geographic, The Atlantic, Wired, and Refinery. A Man Without a Country

Mere Christianity

The Book of Boy

New York Times Bestseller: The moving, entertaining, never-before-told story of how one man found his calling: to see that those who defend this country and its freedoms are never forgotten. "The book is called Grateful American, and I promise you after you read it you will be grateful for what Gary has accomplished and contributed to our country." -- Clint Eastwood As a kid in suburban Chicago, Gary Sinise was more

interested in sports and rock 'n' roll than reading or schoolwork. But when he impulsively auditioned for a school production of West Side Story, he found his purpose--or so it seemed. Within a few years Gary and a handful of friends created what became one of the most exciting and important new theater companies in America. From its humble beginnings in a suburban Chicago church basement and eventual move into the city, the Steppenwolf Theatre Company launched a series of groundbreaking productions, igniting Gary's career along with those of John Malkovich, Joan Allen, Gary Cole, Laurie Metcalf, Jeff Perry, John Mahoney, and others. Television and film came calling soon after, and Gary starred in Of Mice and Men (which he also directed) and The Stand before taking the role that would change his life in unforeseeable ways: Lieutenant Dan in the Academy Award-winning Forrest Gump. The military community's embrace of the character of the disabled veteran was matched only by the depth of Gary's realization that America's defenders had not received all the honor, respect, and gratitude their sacrifices deserve. In the

aftermath of the September 11 attacks, this became Gary's mission. While starring in hits like Apollo 13, Ransom, Truman, George Wallace, CSI:NY, and Criminal Minds: Beyond Borders, Gary has worked tirelessly on behalf of those who serve this country... entertaining more than a half million troops around the world playing bass guitar with his Lt. Dan Band, raising funds on behalf of veterans, and founding the Gary Sinise Foundation with a mission to serve and honor America's defenders, veterans, first responders, their families, and those in need. Grateful American is the moving, entertaining, profoundly gripping story of how one man found his calling: to see that those who defend this country and its freedoms are never forgotten.
