When Jesus says, "Follow Me," it's not an invitation to say a prayer, it's a summons to lose our lives. Pastor David Platt challenges the traditions

of cultural Christianity and reintroduces us to Jesus and His most simple request: Follow Me. In *Dear Science and Other Stories* Katherine McKittrick presents a creative and rigorous study of black and anticolonial methodologies.

Download File PDF Radical By David Platt

Drawing on black studies, studies of race, cultural geography, and black feminism as well as a mix of methods, citational practices, and theoretical frameworks, she positions black storytelling and stories as strategies of invention

and collaboration. She analyzes a number of texts from intellectuals and artists ranging from Sylvia Wynter to the electronica band Drexciya to explore how narratives of imprecision and relationality interrupt knowledge systems that

seek to observe, index, know, and discipline blackness. Throughout, McKittrick offers curiosity, wonder, citations, numbers, playlists, friendship, poetry, inquiry, song, grooves, and anticolonial chronologies as interdisciplinary

codes that entwine with the academic form. Suggesting that black life and black livingness are, in themselves, rebellious methodologies, McKittrick imagines without totally disclosing the ways in which black intellectuals invent

ways of living outside prevailing knowledge systems.

What is the gospel? It seems like a simple question, yet

Download File PDF Radical By David Platt

it has been known to incite some heated responses, even in the church. How are we to formulate a clear, biblical understanding of the gospel? Tradition, reason, and experience all leave us ultimately disappointed. If

Download File PDF Radical By David Platt

we want answers, we must turn to the Word of God. Greg Gilbert does so in *What Is the Gospel? Beginning with Paul's systematic presentation of the gospel in Romans and moving through the sermons in Acts*, Gilbert

Download File PDF Radical By David Platt

argues that the central structure of the gospel consists of four main subjects: God, man, Christ, and a response. The book carefully examines each and then explores the effects the gospel can have in

individuals, churches, and the world. Both Christian and non-Christian readers will gain a clearer understanding of the gospel in this valuable resource. Special 10-pack, ideal for church giveaways, welcome

by becoming a disciple.

Challenge the Status Quo The Radical Question offers a compelling introduction to Radical's challenge to the contemporary church. In this concise message, Platt asks, "What is Jesus worth to you?" Then he explores

what a commitment to Jesus would actually look like in action. The Radical Idea extracts key passages in Radical Together, the follow up to Radical, to show readers that church is not built on places, performances, programs, or professionals, but on

people. Platt argues that those of us in the pews are meant to be active and intentional in spreading the good news of the gospel because when ordinary believers mobilize in everyday ministry, communities and church families change dramatically. "The goal of the

church is never for one person to be equipped and empowered to lead as many people as possible to Christ. The goal is always for all of God's people to be equipped and empowered to lead as many people as possible to Christ."

“If there were a Guinness Book of World Records entry for ‘amount of times having prayed the sinner’s prayer,’ I’m pretty sure I’d be a top contender,” says pastor and author J. D. Greear. He struggled for many years to gain

Download File PDF Radical By David Platt

an assurance of salvation and eventually learned he was not alone. “Lack of assurance” is epidemic among evangelical Christians. In *Stop Asking Jesus Into Your Heart*, J. D. shows that faulty ways of presenting the gospel are a leading source of the

Download File PDF Radical By David Platt

confusion. Our presentations may not be heretical, but they are sometimes misleading. The idea of “asking Jesus into your heart” or “giving your life to Jesus” often gives false assurance to those who are not saved—and keeps those who genuinely are saved

Download File PDF Radical By David Platt

from fully embracing that reality. Greear unpacks the doctrine of assurance, showing that salvation is a posture we take to the promise of God in Christ, a posture that begins at a certain point and is maintained for the rest of our lives. He also answers

Download File PDF Radical By David Platt

the tough questions about assurance: What exactly is faith? What is repentance? Why are there so many warnings that seem to imply we can lose our salvation? Such issues are handled with respect to the theological rigors they require,

Download File PDF Radical By David Platt

but Greear never loses his pastoral sensitivity or a communication technique that makes this message teachable to a wide audience from teens to adults.

Taking Back Your Faith from the American Dream, contends that multitudes of people around the world culturally think they are Christians yet biblically are not followers of Christ. Scores of men, women, and children have

Download File PDF Radical By David Platt

been told that becoming a follower of Jesus simply involves believing certain truths or saying certain words. As a result, churches today are filled with people who believe they are Christians . . . but aren't. We want

Download File PDF Radical By David Platt

to be disciples as long as doing so does not intrude on our lifestyles, our preferences, our comforts, and even our religion. Revealing a biblical picture of what it means to truly be a Christian, *Follow Me* explores the

Download File PDF Radical By David Platt

gravity of what we must forsake in this world, as well as the indescribable joy and deep satisfaction to be found when we live for Christ. The call to follow Jesus is not simply an invitation to pray a prayer; it's a summons to

lose your life—and to find new life in him. This book will show you what such life actually looks like. Maajid Nawaz spent his teenage years listening to American hip-hop and learning about the radical Islamist movement spreading

Download File PDF Radical By David Platt

throughout Europe and Asia in the 1980s and 90s. At 16, he was already a ranking member in Hizb ut-Tahrir, a London-based Islamist group. He quickly rose through the ranks to become a top recruiter, a charismatic

spokesman for the cause of uniting Islam's political power across the world. Nawaz was setting up satellite groups in Pakistan, Denmark, and Egypt when he was rounded up in the aftermath of 9/11 along with many

Download File PDF Radical By David Platt

other radical Muslims. He was sent to an Egyptian prison where he was, fortuitously, jailed along with the assassins of Egyptian President Anwar Sadat. The 20 years in prison had changed the assassins' views on Islam and

Download File PDF Radical By David Platt

violence; Maajid went into prison preaching to them about the Islamist cause, but the lessons ended up going the other way. He came out of prison four years later completely changed, convinced that his entire belief system had

been wrong, and determined to do something about it. He met with activists and heads of state, built a network, and started a foundation, Quilliam, funded by the British government, to combat the rising Islamist tide in Europe

and elsewhere, using his intimate knowledge of recruitment tactics in order to reverse extremism and persuade Muslims that the 'narrative' used to recruit them (that the West is evil and the cause of all of Muslim suffering),

epilogue.

In the first devotional from David Platt, Follow Him equips and empowers you to bring people to know Jesus Christ through your life. To be a disciple of Jesus is to make disciples of Jesus. This has

Download File PDF Radical By David Platt

been true since the first century, when Jesus invited four men to follow him. More than searching for fish all over the Sea of Galilee, these men would spread the gospel all over the world. They would give their lives by not

Download File PDF Radical By David Platt

simply being disciples of Jesus, but by sacrificially making disciples of Jesus. And God's design for twenty-first-century disciples is the same. Becoming a Christian involves responding to the gracious invitation of God in

Download File PDF Radical By David Platt

Christ. As we follow Christ, he transforms our will, mind, desires, relationships, and our ultimate reason for living. Every disciple of Jesus exists to make disciples of Jesus, here and among every people group on the planet.
