

## Radical My Journey Out Of Islamist Extremism Maajid Nawaz

***Examines the ways in which the gospel is contradicted by the American dream and challenges Christians to join in a one-year experiment in authentic discipleship that promises spiritual transformation through the word of God.***

***WHAT IS JESUS WORTH TO YOU? It's easy for American Christians to forget how Jesus said his followers would actually live, what their new lifestyle would actually look like. They would, he said, leave behind security, money, convenience, even family for him. They would abandon everything for the gospel. They would take up their crosses daily... BUT WHO DO YOU KNOW WHO LIVES LIKE THAT? DO YOU? In Radical, David Platt challenges you to consider with an open heart how we have manipulated the gospel to fit our cultural preferences. He shows what Jesus actually said about being his disciple--then invites you to believe and obey what you have heard. And he tells the dramatic story of what is happening as a successful" suburban church decides to get serious about the gospel according to Jesus. Finally, he urges you to join in The Radical Experiment -- a one-year journey in***

***authentic discipleship that will transform how you live in a world that desperately needs the Good News Jesus came to bring. (From the 2010 edition)"***

Extremism Rowman & Littlefield***

***"[A] landmark book . . . Solnit illustrates how the uprisings that begin on the streets can upend the status quo and topple authoritarian regimes" (Vice). A book as powerful and influential as Rebecca Solnit's Men Explain Things to Me, her Hope in the Dark was written to counter the despair of activists at a moment when they were focused on their losses and had turned their back to the victories behind them—and the unimaginable changes soon to come. In it, she makes a radical case for hope as a commitment to act in a world whose future remains uncertain and unknowable.***

***Drawing on her decades of activism and a wide reading of environmental, cultural, and political history, Solnit argues that radicals have a long, neglected history of transformative victories, that the positive consequences of our acts are not always immediately seen, directly knowable, or even measurable, and that pessimism and despair rest on an unwarranted confidence about what is going to happen next. Now, with a moving new introduction explaining***

***how the book came about and a new afterword that helps teach us how to hope and act in our unnerving world, she brings a new illumination to the darkness of our times in an unforgettable new edition of this classic book. "One of the best books of the 21st century." —The Guardian "No writer has better understood the mix of fear and possibility, peril and exuberance that's marked this new millennium." —Bill McKibben, New York Times—bestselling author of Falter "An elegant reminder that activist victories are easily forgotten, and that they often come in extremely unexpected, roundabout ways." —The New Yorker***

***"Prairie Radical is the memoir of a young man whose life was radically changed when he joined the civil rights movement and spoke out against the war in Vietnam. It is an inside history of Students for a Democratic Society (SDS), the largest student organization of the 1960s as seen by one of its national officers who spent 1967-68 in the SDS national office at the height of the antiwar movement. It is also the history of the vibrant and innovative SDS chapter at the University of Texas in Austin, one of the Prairie Power strongholds, where the cultural rebellion and the political movement were united.***

Originally a radical socialist, the current driving force behind the rise of the Hollywood right recounts how he moved from one set of political convictions to another over the course of thirty years, and challenges readers to consider how they came by their own convictions.

An empowering book on propelling profound social change by going inward, from a mindfulness teacher and activist who has turned personal practice into movements The practice of self-care is most often touted for its profound mind, body, and spirit benefits. Shelly Tygielski shows that self-care can also be a powerful tool for spurring transformative collective action. In a winning combination of

## Online Library Radical My Journey Out Of Islamist Extremism Maajid Nawaz

*memoir, manifesto, and how-to, Shelly shares her evolution from a Jerusalem-born child of traditional Sephardic Jewish parents to a middle-class American suburban youth who questioned her faith to a young executive in corporate America. As she used radical self-care practices to manage a serious chronic health issue, she had an epiphany: finding true health and peace is not a solo endeavor but one that lives in connection with others. Tygielski considers herself an unlikely meditator, activist, and teacher. But as such, she is uniquely qualified to speak to all today who wonder, "What can I do?" or, "Will my actions even make a difference?" Tygielski's work began as "me" work and transformed into "we" work. In Sit Down to Rise Up, she shows that this is possible for all of us. I'm not an expert, therapist, pastor, teacher, or monk. I am merely a person going through my own mental and emotional health journey, hoping that I can pass on some of the wisdom and tools that I'd been blessed enough to learn along the way. And I truly believe that if we can help heal the hearts and minds of everyone on earth, we will solve every other problem known to man in the process. -- Zachary Levi Radical Love is the debut memoir from Zachary Levi (Shazam!,*

*American Underdog, The Marvelous Mrs. Maisel, Chuck), which shares his emotional journey through a lifetime of crippling anxiety and depression to find joy, gratitude, and ultimate purpose. Facing the scars of childhood trauma and the voices in his head that told him he would never be enough, Zac recounts the raw yet honest behind-the-scenes story of his family life, career successes, and the personal disappointments that led him to rock bottom and landed him in a therapy center, where he learned to address the underlying issues that preceded his downward spiral. Radical Love combines witty, touching, and powerful commentary with relatable illustrations to help you on your own path toward mental wellness. With vulnerability and humor, Zac relates the valuable lessons and insights he's learned so that you can rise from the ashes of trauma and pursue a meaningful life of gratitude. You won the election... now what? Activist organizing meets government gridlock as a millennial New Yorker cartoonist follows a first-year senator on her unforgettable journey — from outsider to insider. In early 2018, cartoonist Sofia Warren was not paying attention to New York state politics. But that summer, her Brooklyn neighborhood began*

*buzzing about Julia Salazar, a 27-year-old democratic socialist running for state senate whose grassroots campaign was inspiring an army of volunteers. When they beat the odds and won, Warren found herself wondering what would happen next. How does it work when an outsider who runs on revolutionary change has to actually do the job? So she decided to find out. Using the graphic memoir format, Radical: My Year with a Socialist Senator is a remarkable first-hand account of Warren's experience embedded with Julia Salazar and her staff during their first year in office. From candid conversations and eyewitness experiences, Warren builds a gripping and intimate portrait of a scrappy team of community organizers battling entrenched power structures, particularly to advance Julia's marquee issue of housing rights. At every key point during the year — setting up an office, navigating insider politics, public pushback, testy staff meetings, emotional speeches, protest marches, setbacks, and victories — Warren is up close and personal with Julia and her team, observing, questioning, and drawing, as they try to translate their ideals into concrete legislation. Along the way, Warren works toward answers to deeper questions: what*

“Go back to where you came from, you terrorist!” This is just one of the many warm, lovely, and helpful tips that Wajahat Ali and other children of immigrants receive on a daily basis. Go back where, exactly? Fremont, California, where he grew up, but is now an unaffordable place to live? Or Pakistan, the country his parents left behind a half-century ago? Growing up living the suburban American dream, young Wajahat devoured comic books (devoid of brown superheroes) and fielded well-intentioned advice from uncles and aunties. (“Become a doctor!”) He had turmeric stains under his fingernails, was accident-prone, suffered from OCD, and wore Husky pants, but he was as American as his neighbors, with roots all over the world. Then, while Ali was studying at University of California, Berkeley, 9/11 happened. Muslims replaced communists as America’s enemy #1, and he became an accidental

## Online Library Radical My Journey Out Of Islamist Extremism Maajid Nawaz

spokesman and ambassador of all ordinary, unthreatening things Muslim-y. Now a middle-aged dad, Ali has become one of the foremost and funniest public intellectuals in America. In *Go Back to Where You Came From*, he tackles the dangers of Islamophobia, white supremacy, and chocolate hummus, peppering personal stories with astute insights into national security, immigration, and pop culture. In this refreshingly bold, hopeful, and uproarious memoir, Ali offers indispensable lessons for cultivating a more compassionate, inclusive, and delicious America.

Mr. Dude is in for an awakening - rude, important, and life-changing. *The Radical Undersea Journey of Mr. Dude* is a children's book that tells the tale, beginning with the local surf hero's eco-unfriendly exploits and leading into the momentous day on which he finds himself transformed into a fish. As a fish, Mr. Dude sees firsthand just how tremendous is the destruction he has sewn. A fun and impactful adventure, this is one that will inspire loving hearts and real action, encouraging the next generation to do what is right for our planet by cultivating a sense of awareness and responsibility with regards to our roles in the world. A portion of the proceeds from the book will benefit *Vote The Ocean!*

For many of us, feelings of deficiency are right around the corner. It doesn't take much--just hearing of someone else's accomplishments, being criticized, getting into an argument, making a mistake at work--to make us feel that we are not okay. Beginning to understand how our lives have become ensnared in this trance of unworthiness is our first step toward reconnecting with who we really are and what it means to live fully. —from *Radical Acceptance*

“Believing that something is wrong with us is a deep and tenacious suffering,” says Tara Brach at the start of this illuminating book. This suffering emerges in crippling self-

## Online Library Radical My Journey Out Of Islamist Extremism Maajid Nawaz

judgments and conflicts in our relationships, in addictions and perfectionism, in loneliness and overwork—all the forces that keep our lives constricted and unfulfilled. Radical Acceptance offers a path to freedom, including the day-to-day practical guidance developed over Dr. Brach's twenty years of work with therapy clients and Buddhist students. Writing with great warmth and clarity, Tara Brach brings her teachings alive through personal stories and case histories, fresh interpretations of Buddhist tales, and guided meditations. Step by step, she leads us to trust our innate goodness, showing how we can develop the balance of clear-sightedness and compassion that is the essence of Radical Acceptance. Radical Acceptance does not mean self-indulgence or passivity. Instead it empowers genuine change: healing fear and shame and helping to build loving, authentic relationships. When we stop being at war with ourselves, we are free to live fully every precious moment of our lives.

The far right is back with a vengeance. After several decades at the political margins, far-right politics has again taken center stage. Three of the world's largest democracies – Brazil, India, and the United States – now have a radical right leader, while far-right parties continue to increase their profile and support within Europe. In this timely book, leading global expert on political extremism Cas Mudde provides a concise overview of the fourth wave of postwar far-right politics, exploring its history, ideology, organization, causes, and consequences, as well as the responses available to civil society, party, and state actors to challenge its ideas and influence. What defines this current far-right renaissance, Mudde argues, is its mainstreaming and normalization within the contemporary political landscape. Challenging orthodox thinking on the relationship between conventional and far-right politics,

## Online Library Radical My Journey Out Of Islamist Extremism Maajid Nawaz

Mudde offers a complex and insightful picture of one of the key political challenges of our time.

An “unfiltered and unafraid” (Marie Forleo, #1 New York Times bestselling author of Everything is Figureoutable) guide to building the kind of confidence it really takes to live the life of your dreams, from Impact Theory cofounder and growth mindset guru Lisa Bilyeu. Author Lisa Bilyeu grew up in London, where she was always told her dreams of Hollywood were a little too big for a girl. Despite her first love of movie-making, Lisa moved to Los Angeles and became a housewife—for eight frikin’ years! How the heck did that happen? Radical Confidence is the “empowering, transformative, and practical” (Jay Shetty, #1 New York Times bestselling author of Think Like A Monk) story of how Lisa unpaused her life to cofound a company that went from zero to a billion dollars in just five years and became the leader in the world of personal development. Transforming herself with a growth mindset, Lisa learned to face her insecurities and inadequacies, embrace new challenges, solve her own problems, tell her negative voice to shut the eff up, and become the hero of her own life by life-hacking her way to feeling confident. Part deeply personal memoir, part guide to life, Radical Confidence “challenges the deep-rooted beliefs that prevent so many of us from knowing or reaching for our dreams” (Dr. Nicole Lepera, New York Times bestselling author of How to Do the Work). Lisa teaches you how to: -Dream big -Boost your confidence -Toughen the F up -And learn how to save yourself Full of insight and practical tools for honest self-assessment, mastering emotions, and staying motivated, Radical Confidence teaches you how to be driven by your insecurities to create the life of your dreams.

How Radical Self-Care Can Change the World

Radical Recovery

The Legacy Journey

A case for friendship as a radical practice of love, courage, and trust, and seven strategies that pave the way for profound social change. Grounded in the Buddha's teachings on spiritual friendship, Radical Friendship shares seven strategies to help us embody our deepest values in all of our relationships. Drawing on her experiences as a leading meditation teacher, as well as personal stories of growing up multiracial in a racist world, Kate Johnson brings a fresh take on time-honored wisdom to help us connect more authentically with ourselves, with our friends and family, and within our communities. The divides we experience within us and between us are not only a threat to our physical and emotional health—they are also the weapons and the outcomes of structural oppression. But through wise relationships, it is possible to transform the barriers created by societal injustice. Johnson leads us on a journey to becoming better friends by

## Online Library Radical My Journey Out Of Islamist Extremism Maajid Nawaz

offering ways to show up for our own and each other's liberation at every stage of a relationship. Each chapter ends with a meditation or reflection practice to help readers cultivate vibrant, harmonious, revolutionary friendships. Radical Friendship offers a path of depth and hope and shows us the importance of working toward collective wellbeing, one relationship at a time.

Over the course of his long and storied career, George Mitchell proved to be much more than just that senator from Maine. He is one of the last from a sort of "golden age" of American politics, when opposing parties worked together to accomplish things for the good of the nation, rather than the good of the party. Before becoming senator, Mitchell was an attorney and then a judge in Maine. Among his many public efforts, he is perhaps known for his environmental work and his work on peace and justice, especially his brokering of the peace in Ireland and his efforts in the Middle East. Now, seasoned journalist Douglas Rooks gives us a thoughtful and highly readable look at the man and his public work. While the book traces his personal life, it is primarily a political biography, exploring his time in office as well as his public work

## Online Library Radical My Journey Out Of Islamist Extremism Maajid Nawaz

before and after his elected terms. Compiled from extensive interviews with Mitchell as well as staffers and others who've known and worked with him, it is as much an exploration of American politics at a time when politics could actually be said to have "worked," as it is a man whose vision and ideals have helped shape the world.

A totalitarian regime has ordered all books to be destroyed, but one of the book burners suddenly realizes their merit.

Have you ever dreamed of a life full of laughter, love, and sequins ... but felt totally clueless about how to make it happen? You're not alone. Best-selling author and speaker Gala Darling spent years in soul-sucking jobs, battling depression, an eating disorder, and a preference for chaos and disaster—simply because she didn't know how to create the life she dreamed about. In *Radical Self-Love*, you'll discover exactly what makes you so magnificent, and you'll gain a litany of tools and techniques to help you manifest a life bursting with magic, miracles, bliss, and adventure! Featuring fun homework exercises and cool illustrations, this book will take you from learning to fall madly in love with yourself, to loving others, to making your

**When I was sixteen I became an Islamic fundamentalist. Five years later, after much emotional turmoil, I rejected fundamentalist teachings and returned to normal life and my family. I tried to put my experiences behind me, but as the events of 7/7 unfolded it became clear to me that Islamist groups pose a threat to this country that we - Muslims and non-Muslims alike - do not yet understand. Why are young British Muslims becoming extremists? What are the risks of another home-grown terrorist attack on British soil? By describing my experiences inside these groups, the reasons I joined them and how, after**

## Online Library Radical My Journey Out Of Islamist Extremism Maajid Nawaz

leaving I recovered my faith and mind, I hope to explain the appeal of extremist thought, how fanatics penetrate Muslim communities and the truth behind their agenda of subverting the West and moderate Islam. Writing candidly about life after extremism, I illustrate the depth of the problem that now grips Muslim hearts and minds. I will lay bare what politicians and Muslim 'community leaders' do not want you to know. This is the first time an ex-member openly discusses life within radical Islamic organisations. This is my story.

What happens when a former Zen Buddhist monk and his feminist wife experience an apparition of the Virgin Mary? “This book could not have come at a more auspicious time, and the message is mystical perfection, not to mention a courageous one. I adore this book.”—Caroline Myss, author of *Anatomy of the Spirit* Before a vision of a mysterious “Lady” invited Clark Strand and Perdita Finn to pray the rosary, they were not only uninterested in becoming Catholic but finished with institutional religion altogether. Their main spiritual concerns were the fate of the planet and the future of their children and grandchildren in an age of ecological collapse. But this Lady barely even referred to the Church and its proscriptions. Instead, she spoke of the miraculous power of the rosary to transform lives and heal the planet, and revealed the secrets she had hidden within the rosary’s prayers and mysteries—secrets of a past age when forests

## Online Library Radical My Journey Out Of Islamist Extremism Maajid Nawaz

were the only cathedrals and people wove rose garlands for a Mother whose loving presence was as close as the ground beneath their feet. She told Strand and Finn: The rosary is My body, and My body is the body of the world. Your body is one with that body. What cause could there be for fear? Weaving together their own remarkable story of how they came to the rosary, their discoveries about the eco-feminist wisdom at the heart of this ancient devotion, and the life-changing revelations of the Lady herself, the authors reveal an ancestral path—available to everyone, religious or not—that returns us to the powerful healing rhythms of the natural world.

What does the Bible really say about money? About wealth? How much does God expect you to give to others? How does wealth affect your friendships, marriage, and children? How much is “enough”? There’s a lot of bad information in our culture today about wealth—and the wealthy. Worse, there’s a growing backlash in America against our most successful citizens, but why? To many, wealth is seen as the natural result of hard work and wise money management. To others, wealth is viewed as the ultimate, inexcusable sin. This has left many godly men and women confused about what to do with the resources God’s put in their care. They were able to build wealth using God’s ways of handling money, but then they are left feeling guilty about it. Is this what God had in mind?

## Online Library Radical My Journey Out Of Islamist Extremism Maajid Nawaz

In a time of uncertainty and devastation--from pandemics to environmental catastrophe--a call to action for finding beauty, creating art, and healing in community. When a beloved place is decimated by physical damage, many may hit the donate button or call their congressperson. But award-winning author Trebbe Johnson argues that we need new methods for coping with these losses and invites readers to reconsider what constitutes “worthwhile action.” She discusses real wounded places ranging from weapons-testing grounds at Eglin Air Force Base, to Appalachian mountain tops destroyed by mining. These stories, along with tools for community engagement—ceremony, vigil, apology, and the creation of art with on-site materials—show us how we can find beauty in these places and discover new sources of meaning and community.

Renowned political scientist Terri Givens calls for 'radical empathy' in bridging racial divides to understand the origins of our biases, including internalized oppression. Deftly weaving together her own experiences with the political, she offers practical steps to call out racism and bring about radical social change.

**“I was told to come alone. I was not to carry any identification, and would have to leave my cell phone, audio recorder, watch, and purse at my hotel. . . .”** For her whole life, Souad Mekhennet, a reporter for The Washington Post who was born and educated in Germany, has had to balance the two sides of her upbringing - Muslim and Western. She has also sought to provide a mediating voice between these cultures, which too often misunderstand each other. In this compelling and evocative memoir, we accompany Mekhennet as she journeys behind the lines of jihad, starting in the German neighborhoods where the 9/11 plotters were radicalized and the Iraqi neighborhoods where Sunnis and Shia turned against one another, and culminating on the Turkish/Syrian border region where ISIS is a daily presence. In her travels across the Middle East and North Africa, she documents her chilling run-ins with various intelligence services

**and shows why the Arab Spring never lived up to its promise. She then returns to Europe, first in London, where she uncovers the identity of the notorious ISIS executioner “Jihadi John,” and then in France, Belgium, and her native Germany, where terror has come to the heart of Western civilization.**

**Mekhennet’s background has given her unique access to some of the world’s most wanted men, who generally refuse to speak to Western journalists. She is not afraid to face personal danger to reach out to individuals in the inner circles of Al Qaeda, the Taliban, ISIS, and their affiliates; when she is told to come alone to an interview, she never knows what awaits at her destination. Souad Mekhennet is an ideal guide to introduce us to the human beings behind the ominous headlines, as she shares her transformative journey with us. Hers is a story you will not soon forget.**

**A companion to Add More ~Ing to Your Life chronicles the author's spiritual journey through low self-esteem and drug abuse to counsel readers on how to overcome personal fears and achieve greater fulfillment, providing a range of**

**positive affirmations, physical activities and meditations.**

**Maajid Nawaz spent his teenage years listening to American hip-hop and learning about the radical Islamist movement spreading throughout Europe and Asia in the 1980s and 90s. At 16, he was already a ranking member in Hizb ut-Tahrir, a London-based Islamist group. He quickly rose through the ranks to become a top recruiter, a charismatic spokesman for the cause of uniting Islam's political power across the world. Nawaz was setting up satellite groups in Pakistan, Denmark, and Egypt when he was rounded up in the aftermath of 9/11 along with many other radical Muslims. He was sent to an Egyptian prison where he was, fortuitously, jailed along with the assassins of Egyptian President Anwar Sadat. The 20 years in prison had changed the assassins' views on Islam and violence; Maajid went into prison preaching to them about the Islamist cause, but the lessons ended up going the other way. He came out of prison four years later completely changed, convinced that his entire belief system had been wrong, and determined to do**

**something about it. He met with activists and heads of state, built a network, and started a foundation, Quilliam, funded by the British government, to combat the rising Islamist tide in Europe and elsewhere, using his intimate knowledge of recruitment tactics in order to reverse extremism and persuade Muslims that the 'narrative' used to recruit them (that the West is evil and the cause of all of Muslim suffering), is false. Radical, first published in the UK, is a fascinating and important look into one man's journey out of extremism and into something else entirely. This U.S. edition contains a "Preface for US readers" and a new, updated epilogue.**

**We all want to be customer centric...but most of us struggle with that vague term, and how to measure it. Radical Value reveals that the measurable, trackable, trainable thing you really seek --at the core of customer centricity--is customer-perceived value. Radical Value breaks through the confusing tangle of sales performance solutions available today. There's radical simplicity -and radical power -- in focusing everything your company does on customer value.**

**Radically flipping the 10% of today's training/coaching effort currently devoted to value: the thing that moves 90+% of customer decisions. Radically re-thinking how -- and how widely - we engage customers who are more distracted and siloed than ever, causing buying decisions to dissolve into a confused mess favoring "no decision". Radically re-thinking how we organize our companies, often every bit as siloed as our customers, where one role "sells", while many serve customers but never relay value discoveries they make almost daily. Radical Value doesn't stop at high-level theory, but provides intuitive, easy-to-implement tools that should integrate into your existing systems and workflows, implementing radical value focus. Sellers will learn how to sell and price to value. Marketers will master outcome-based messaging. Product/ service managers will gain insights into current customer outcomes...and guide more powerful future innovations. Executives will be able to form value-based feedback loops between every function in their companies.**

that genuine leadership is not about dollars and  
market share but about improving lives and*

**communities. Mark Bertolini didn't get to the corner office through traditional means. He grew up in a blue-collar neighborhood in Detroit. Early in his career, he was known for his bare-knuckled leadership and hard driving competitiveness that helped him to turnaround several companies. But his ambition came at a cost as he ran roughshod over his colleagues and employees, and spent time away from his family. Two events served as wakeup calls for the hard-charging Bertolini. First his son Eric was diagnosed with incurable cancer, and Bertolini found himself confronting the healthcare industry firsthand, not as an executive, but as the parent of a deathly ill child, determined to save his son's life. And miraculously, after a year in the hospital, often at death's door--Eric was twice given last rites--his son recovered. The second wakeup call was a skiing accident several years later in which Bertolini broke his neck. As his life unraveled in the face of years of chronic pain, therapy, and medication, he realized he had to reinvent himself, emotionally, spiritually, and as a leader--or go under. Mission-Driven Leadership speaks to the lessons Bertolini learned about empathy, about helping employees and Aetna's customers take better care of themselves and each other, about the need to "find the divine in me," and the importance of getting out to meet with employees and customers face-to-face in town halls to truly discover their needs and**

***better serve them.***

***Travel the world, change lives, save souls. (Note: Results not typical.) A young idealist heeds the call to radical obedience, gives away all of his belongings and shaking off the fetters of a complacent life, travels halfway around the world. There he discovers, among the poor and the fatherless of West Africa, that he has only surrendered to a new kind of captivity. There is no doubt that young people today are fully invested in social and human rights issues. They start their own nonprofits, they run their own charities, they raise money for worthy causes. Books on saving the world abound, topping the bestsellers' lists, fueling the drive to prove not only commitment to the world but devotion to God. Now there is a new crop of books starting to emerge, detailing the consequences of trying to save a world that is not ours to save. But none of these books tell the story that Runaway Radical tells; this is the first book to highlight the painful personal consequences of the new radicalism, documenting in heartbreaking detail what happens when a young person becomes entrapped instead of liberated by its call. His radical resolve now shaken, he returns home to rebuild his life and his faith. Runaway Radical serves as an important and cautionary tale for all who lead and participate in compassion activism, in the art of doing good— both overseas and at home— amidst this new culture of radical***

***The New York Times bestselling author and renowned clinical psychologist teaches women how to transcend their fears and illusions, break free from societal expectations, and rediscover the person they were always meant to be: fully present, conscious, and fulfilled. A Radical Awakening lays out a path for women to discover their inner truth and powers to help heal others and the planet. Dr. Shefali helps women uncover the purpose that already exists within them and harness the power of authenticity in every area of their lives. The result is an eloquent and inspiring, practical and accessible book, backed with real-life examples and personal stories, that unlocks the extraordinary power necessary to awaken the conscious self.***

***“The American people sees itself advance across the wilderness, draining swamps, straightening rivers, peopling the solitude, and subduing nature,” wrote Alexis de Tocqueville in 1835. That’s largely how we still think of nineteenth-century America today: a country expanding unstoppably, bending the continent’s natural bounty to the national will, heedless of consequence. A country of slavery and of Indian wars. There’s much truth in that vision. But if you know where to look, you can uncover a different history, one of vibrant resistance, one that’s been mostly forgotten. This Radical Land recovers that story. Daegan Miller is our guide on***

***a beautifully written, revelatory trip across the continent during which we encounter radical thinkers, settlers, and artists who grounded their ideas of freedom, justice, and progress in the very landscapes around them, even as the runaway engine of capitalism sought to steamroll everything in its path. Here we meet Thoreau, the expert surveyor, drawing anticapitalist property maps. We visit a black antislavery community in the Adirondack wilderness of upstate New York. We discover how seemingly commercial photographs of the transcontinental railroad secretly sent subversive messages, and how a band of utopian anarchists among California's sequoias imagined a greener, freer future. At every turn, everyday radicals looked to landscape for the language of their dissent—drawing crucial early links between the environment and social justice, links we're still struggling to strengthen today. Working in a tradition that stretches from Thoreau to Rebecca Solnit, Miller offers nothing less than a new way of seeing the American past—and of understanding what it can offer us for the present . . . and the future.***

***The Radical Undersea Journey of Mr. Dude***

Rose Pastor arrived in New York City in 1903, a Jewish refugee from Russia who had worked in cigar factories since the age of eleven. Two years later, she captured headlines across the globe when she married James Graham Phelps Stokes, scion of one of the legendary 400 families of New York high society. Together, this unusual couple joined the burgeoning Socialist Party and, over the next dozen years, moved among the liveliest group of activists and dreamers this country has ever seen. Their friends and houseguests included Emma Goldman, Big Bill Haywood, Eugene V. Debs, John Reed, Margaret Sanger, Jack London, and W.E.B. Du Bois. Rose stirred audiences to tears and led strikes of restaurant waiters and garment workers. She campaigned alongside the country's earliest feminists to publicly defy laws against distributing information about birth control, earning her notoriety as "one of the dangerous influences of the country" from President Woodrow Wilson. But in a way no one foresaw, her too-short life would end in the same abject poverty with which it began.

In this "powerful and unflinching page-turner" (New York Times), a healthcare journalist examines the science, history, and culture of breast cancer. As a health-care journalist, Kate Pickert knew the emotional highs and lows of medical treatment well -- but always from a distance, through the stories of her subjects. That is, until she was unexpectedly diagnosed with an aggressive type of breast cancer at the age of 35. As she underwent more than a year of treatment, Pickert realized that the popular understanding of breast care in America bears little resemblance to the experiences of today's patients and the rapidly changing science designed to

save their lives. After using her journalistic skills to navigate her own care, Pickert embarked on a quest to understand the cultural, scientific and historical forces shaping the lives of breast-cancer patients in the modern age. Breast cancer is one of history's most prolific killers. Despite billions spent on research and treatments, it remains one of the deadliest diseases facing women today. From the forests of the Pacific Northwest to an operating suite in Los Angeles to the epicenter of pink-ribbon advocacy in Dallas, Pickert reports on the turning points and people responsible for the progress that has been made against breast cancer and documents the challenges of defeating a disease that strikes one in eight American women and has helped shape the country's medical culture. Drawing on interviews with doctors, economists, researchers, advocates and patients, as well as on journal entries and recordings collected over the author's treatment, Radical puts the story of breast cancer into context, and shows how modern treatments represent a long overdue shift in the way doctors approach cancer -- and disease -- itself.

Documents the story of the author's childhood in an abusive and impoverished family, describing how he earned a full college football scholarship and reinvented himself by embracing specific positive rules for living.

In this dialogue between a famous atheist and a former radical, Sam Harris and Maajid Nawaz invite you to join an urgently needed conversation: Is Islam a religion of peace or war? Is it amenable to reform? Why do so many Muslims seem drawn to extremism? The authors demonstrate how two people with very different views can find common ground. The characters of the Noahe(tm)s Ark story are brought to life, two by two, in this wonderful collection of projects. These colourful knitted animals are a pleasure to make and great for children of all ages to enjoy. Inside you will find 20 projects to

***A new, tenth anniversary edition of the leadership classic that was hailed as one of the 100 Best Business Books of All Time. In his exciting and timeless business parable, The Radical Leap, Steve Farber explores an entirely new leadership model, one in which leaders aren't afraid to take risks, make mistakes in front of employees, or actively solicit employee feedback. His book dispenses with the typical, tired notions of what it means to be a leader. Farber's modern parable begins on a sunny California beach where he has a strange and unexpected encounter with a surfer named Edg. Despite his unassuming appearance, the enigmatic Edg seems to know an awful lot about leadership and this brief interaction propels Steve into an unforgettable journey. Along the way, he learns about Extreme Leadership--and what it means to***
