Examines the ways in which the gospel is contradicted by the American dream and challenges Christians to join in a one-year experiment in authentic discipleship that promises spiritual transformation through the word of God.

In the last book by the leading evangelical churchman of the 20th century, John Stott opens up what it means at root to be a follower of Jesus. He explores eight aspects of Christian discipleship which are too often neglected and yet deserve to be taken seriously: non-conformity, Christ-likeness, maturity, creation-care, simplicity, balance, dependence and death. The message is simple, classic and personal: Jesus is Lord. He calls. We follow.

What does it mean to be a disciple of Christ today? And are Christians really prepared for the answers? In *Mere Discipleship*, Lee Camp sets forth his vision of what it means to truly follow Christ, challenging Christians to put obedience to Jesus as Lord ahead of allegiances to all earthly authorities--be they nationalistic, political, economic, or cultural. Camp clearly lays out a sound biblical framework of what disciples believe and therefore what they should do. This substantially revised and expanded second edition updates

Keep Christianity Strange. As the culture changes all around us, it is no longer possible to pretend that we are a Moral Majority. That may be bad news for America, but it can be good news for the church.

What's needed now, in shifting times, is neither a doubling-down on the status quo nor a pullback into isolation. Instead, we need a church that speaks to social and political issues with a bigger vision in mind: that of the gospel of Jesus Christ. As Christianity seems increasingly strange, and even subversive, to our culture, we have the opportunity to reclaim the freakishness of the gospel, which is what gives it its power in the first

As we advocate for human dignity, for religious liberty, for family stability, let's do so as those with a prophetic word that turns everything upside down. The signs of the times tell us we are in for days our parents and grandparents never knew. But that's no call for panic or surrender or outrage. Jesus is alive. Let's act like it.
