

Raidens Choice A Ravens Mc Novel Book 1

Kids have big dreams. And when those dreams are on the line, how far are they willing to go to achieve them? When Jayden and his teammates find out there's not going to be a Hoop Group this year—and maybe ever again—they have to learn to lean on each other if they want to save their basketball season, in this inspiring new middle grade novel from NBA superstar LeBron James and acclaimed author Andrea Williams. A New York Times bestseller! Jayden Carr has been training all summer to be ready for Hoop Group—the free afterschool basketball program where his hero, NBA superstar Kendrick King, got his start. But when his beloved coach tells him there's not going to be a Hoop Group this year, Jayden is heartbroken. And he's not the only one. Coach Beck's daughter, Tamika, was planning to be the first girl ever to start for the squad. Chris King, Kendrick's only nephew, spent the summer bragging that his uncle was coming home just to watch him play. For Anthony Pierson, Hoop Group was supposed to be his way out of trouble. And for Dexter Donyel, all 4'6" of him, Hoop Group was his chance to finally be part of a team, instead of just watching from the stands. For each kid, Hoop Group was more than just a chance to ball; it was an escape, a dream, a family. Now their prospects seem all but impossible—but then the world hasn't met Jayden, Tamika, Chris, Anthony, and Dex before. Determined to have their shot, the five new friends scrap, hustle, fight, and play hard to save their season to prove that sometimes a chance is all it takes. It's an inspiring, original middle grade story from NBA superstar LeBron James and acclaimed author Andrea Williams that channels the many relatable challenges so many young kids face. The first step to winning is getting out on the court.

Matt Prior is losing his job, his wife, and his house, and he's about to lose his mind—until he discovers a way that he might just possibly be able to save it all ... and have a pretty damn great time doing it, in a comic and heartfelt novel from a National Book Award nominee. 40,000 first printing.

The PAW Patrol helps Mayor Goodway prepare for the Adventure Bay Easter Egg Hunt.

A real professor and her student forge a friendship through correspondence as they discuss love, art, life, cancer, and death. In 2012, Sarah Ruhl was a distinguished author and playwright, twice a finalist for the Pulitzer Prize. Max Ritvo, a student in her playwriting class at Yale University, was an exuberant, opinionated, and highly gifted poet. He was also in remission from pediatric cancer. Over the next four years—in which Ritvo's illness returned and his health declined, even as his productivity bloomed—the two exchanged letters that spark with urgency, humor, and the desire for connection.

Reincarnation, books, the afterlife as an Amtrak quiet car, good soup: in Ruhl and Ritvo's exchanges, all ideas are fair, nourishing game, shared and debated in a spirit of generosity and love. "We'll always know one another forever, however long ever is," Ritvo writes. "And that's all I want—is to know you forever." Studded with poems and songs, Letters from Max is a deeply moving portrait of a friendship, and a shimmering exploration of love, art, mortality, and the afterlife. Praise for Letters from Max "An unusual, beautiful book about nothing less than the necessity of art in our lives. Two big-hearted, big-brained writers have allowed us to eavesdrop on their friendship: jokes and heartbreaks, admiration, hard work, tender work." —Elizabeth McCracken, author of *Bowlaway* "Immediate comparisons will be made to Rainer Maria Rilke's *Letters to a Young Artist* . . . this book is a nuanced look at the evolution of an incredible talent facing mortality and the mentor, never condescending, who recognizes his gift. Their infectious letters shine with a love of words and beauty." —The Observer "Deeply moving, often heartbreaking. . . . A captivating celebration of life and love." —Kirkus Reviews "Moving and erudite . . . devastating and lyrical . . . Ruhl draws a comparison between their correspondence and that between poets Robert Lowell and Elizabeth Bishop, and indeed, with the depth and intelligence displayed, one feels in the presence of literary titans." —Publishers Weekly

The Key-lock Man

Twelve Years a Slave

Tame Me

Moving to California is the best decision I've ever made. I no longer work for my ex-fiancé's father. I'm hundreds of miles away from my ex-fiancé. And I met a woman who completely intrigues me. Dawn. No last name. Yeah...moving to California was a great idea. Only I can't seem to get Dawn out of my head. The way we met. The way she acts. The night we had together. Now she's just gone. She bailed on me. But I don't give up so easily. I'll find her. I just wasn't expecting what I'd find...or who...**Finding Dawn is a bit of a dark romance. Due to mature language, graphic adult content, drug abuse, mention of rape, dark characters, and strong sexual content this book is intended for mature audiences only.** (Finding Dawn is Drew's story from *Let The Waves Come In*, but is a stand-alone full length novel. It is not necessary to read *Let The Waves Come In* prior to reading *Finding Dawn*.)

Love or Death? A simple question really. The choice seems obvious. But. What if you never knew love, what if your life was spent just trying to survive? What if you knew your fate before you were fully grown? And then you died. And you were given another chance. A better chance. This new life depended upon one thing: your job. And so you agreed. You thought it would be simple. You thought it would be cut and dry. It never is. And now you are left holding the fate of someone else in the palm of your hand and you have to make the ultimate choice. Love or Death?

"With *The Shape Shifter*, Hillerman once again proves himself the master of Southwest mystery fiction, working in a Hemingway-esque tradition of pared-down writing to bring the rugged Southwest into focus."—Santa Fe New Mexican
Legendary Lieutenant Joe Leaphorn is drawn back into the past to solve a cold case that has haunted him for nearly a decade in this atmospheric and twisting mystery infused with the Native American culture and lore of the desert Southwest. Though he's officially retired from the Navajo Tribal Police, Joe Leaphorn occasionally helps his former colleagues Jim Chee and Bernie Manuelito crack particularly puzzling crimes. But there is that rare unsolved investigation that haunts every lawman, including the legendary Leaphorn. Joe still hasn't let go of his "last case"—a mystery involving a priceless Navajo rug that was supposedly destroyed in a fire. Nine years later, what looks like the same one-of-a-kind rug turns up in a magazine spread, and the man who showed Joe the photo has gone missing. With Chee and Bernie on their honeymoon, Leaphorn plunges into the case solo, picking up the threads of this crime

he'd long thought impossible to solve. Not only has the passage of time obscured the details, but a murderer long thought dead continues to roam free—and is ready to strike again to keep the past buried.

This outstanding collection brings together the novelist and scholar Rex Warner's knack for spellbinding storytelling with Edward Gorey's inimitable talent as an illustrator in a memorable modern recounting of the most beloved myths of ancient Greece. Writing in a relaxed and winning colloquial style, Warner vividly recreates the classic stories of Jason and the Argonauts and Theseus and the Minotaur, among many others, while Gorey's quirky pen-and-ink sketches offer a visual interpretation of these great myths in the understated but brilliantly suggestive style that has gained him admirers throughout the world. These tales cover the range of Greek mythology, including the creation story of Deucalion and Pyrrha, the heroic adventures of Perseus, the fall of Icarus, Cupid and Psyche's tale of love, and the tragic history of Oedipus and Thebes. *Men and Gods* is an essential and delightful book with which to discover some of the key stories of world literature.

Letters from Max

I had everything going for me. I was in a great relationship. I thought things were almost perfect there. Key word. Almost. He asked me to change things up a bit. Try something new. And I agreed. I never should've agreed. He promised things would be better between us. It would make us stronger. Bring us closer. But for the past sixty days, I've been living a lie. I've been pretending to be someone I'm not. Pretending to be happy when I'm not. All for him. I can't do it anymore. I can't live like this. Sixty days is long enough. I want my life back. I want myself back. And I'm willing to change who I am to be happy again. I don't have to tell you old me anymore. I can become a different person. I can turn over a new leaf. I can try new things. I can even try something you read 30 Days Morgan Family Series: Book One) then you had the pleasure of meeting Blake Morgan. This is her first standalone, full-length novel. This book contains mature language, adult content, and sexual situation. It's intended for adult audiences only.)

I'm Aubrey Somers. I've landed my dream job. I have a great apartment and I still keep in touch with my best friend... who lives hundreds of miles away. I've even started dating again. I have a lot going for me. It doesn't matter that I have a job that's depressant everyday or see a therapist every other week. It doesn't matter that I refuse to drive anywhere. The way everything I had is almost a distant memory. Almost. But now I have two men in my life. Two men who want to be with me. I never thought I'd have the chance to be with. And I feel like I'm drowning... "His hungry mouth consumes everything I feel. He takes my emotions. When he pulls away, I don't know what to feel. What to want. Who to want." - *Let The Waves Come In* (Book 1) contains explicit language and sexual scenes. It is meant for adult readers only.**

Betrayal. When you're in a motorcycle club, you think this never happens. I'm a Ryker. We're supposed to be about family and loyalty. I've learned that sometimes club family can betray you deeper than anyone. Now that I know the truth... who would I turn to? A woman who has saved my ass time and again or my own flesh and blood who wants me to help him bring down the club? Who has been calling my family? Can I betray the Rykers knowing they turned their backs on me once? I call myself loyal... but I'm not. Loyalty. I have a choice to make. Family or blood. "Savages. That's exactly what we are. It's what I am." **Lincoln's Choice* (Book 2) is the second book in the Ravens MC series. It references characters and events from *Raiden's Choice* (A Ravens MC Novel: Book 1). It can be read as a standalone novel. It includes adult content, adult language, violence, and sexual situations. It is intended for adult readers only.*

In the #1 New York Times bestseller, *The World Needs Who You Were Made to Be*, Joanna Gaines celebrates how creativity and acceptance can come together to make for a bright and beautiful adventure. The book, illustrated by Julianna Swaner, shows a group of children as they each build their very own hot-air balloons. As the kids work together, leaning into their own strengths and processes, we discover that the same is true for life—it's more beautiful and vibrant when our differences are celebrated. With Joanna, you and your kids will take a journey of growth and imagination as you learn in full color to: Celebrate your one-of-a-kind strengths and differences Embrace teamwork Share our talents and abilities to make everything more beautiful Lend a helping hand and do our best to show kindness and take care of one another *The World Needs Who You Were Made to Be* is a vibrant picture book perfect for: Ages 4-8 Grandparents, parents, teachers, and librarians Classroom story times and read-alouds about diversity and being a good human being Households that enjoy watching Chip and Joanna on Magnolia Network Fixer Upper With plenty of pink, a bounty of blue, orange and green and yellow too, this vibrant hot-air balloon adventure is for every child and teaches kids that we are in this together. "You're one of a kind, and it's so clear to see: The world needs who you were made to be."

Pet the fuzzy yellow chick and hunt for shiny Easter eggs as you join Biscuit in this Easter touch-and-feel adventure!

As the opening page of Madonna's latest book states, if you haven't heard of the English Roses by now, then you must have been living on the moon! So, let me fill you in. The English Roses are five girls named Nicole, Amy, Charlotte, Grace and Binah. They are best friends and do everything together - from dancing and homework, to skating, picnics and sleepover parties. That is, they were best friends until handsome, charming Dominic arrived in class. Now friendship counts for nothing as the girls desperately fight for his attention. Luckily, a quirky teacher, Miss Fluffernutter, and a pumpernickel-loving Fairy Godmother step in to save the day and the English Roses' friendship.

Secret Cold War Nuclear Bunkers tells the previously undisclosed story of the secret defense structures built by the West during the Cold War years. The book describes in fascinating detail a vast umbrella of radar stations that spanned the

North American continent and the North Atlantic from the Aleutian Islands through Canada to the North Yorkshire Moors, all centered upon an enormous secret control centre buried hundreds of feet below Cheyenne Mountain in Colorado. This is complemented in the United Kingdom with a chain of secret radars codenamed 'Rotor' built in the early 1950's, and eight huge, inland sector control centers, built over 100' underground at enormous cost. The book reveals the various bunkers built for the U.S Administration, including the Raven Rock alternate war headquarters (the Pentagon's wartime hideout), the Greenbrier bunker for the Senate and House of Representatives, and the Mount Weather central government headquarters amongst others. Developments in Canada, including the Ottawa 'Diefenbunker' and the regional government bunkers are also studied. In the UK there were the London bunkers and the Regional War rooms built in the 1950's to protect against the Soviet threat, and their replacement in 1958 by much more hardened, underground Regional Seats of Government in the provinces, and the unique Central Government War Headquarters at Corsham. Finally the book examines the provision, (or more accurately, lack of provision), of shelter space for the general population, comparing the situation in the USA and the UK with some other European countries and with the Soviet Union.

Wren Davis has always been the responsible one. The caretaker. She's always put her life on hold for others. When she takes a job as Stellan Zane's housekeeper, she does it to take care of her sister. Her own life can wait. Only she wasn't expecting to find him so irresistible...Stellan Zane is used to getting what he wants, when he wants. No woman gets to him. No woman really knows about him or his past. When he lets his little sister hire him a housekeeper, Wren Davis is not what he was expecting. And she's his employee. Yet, she's what he wants...Unable to fight their attraction, the two embark on a relationship that's supposed to be uncomplicated. Allowing Wren to have the carefree life she's never had and Stellan to enjoy the type of relationship he always gets. But when exes interfere, the unexpected happens and things become complicated, can Wren tame Stellan...and will he allow her to? **All books in this series are stand-alone novels and can be read without reading the remaining books in the series. No cliffhangers!!****Due to mature content, language, talk of child abuse, violence, and explicit sexual scenes, this book is intended for mature readers only.**

This book presents the two texts, Georgian and Armenian, in English translation for the first time. The Introduction and Commentary draw attention to the ways in which the unknown Armenian translator changed his original material in a pro-Armenian fashion. His rendering became the standard source for early Georgian history used by later Armenian historians.

"Contains material originally published in magazine form as Fantastic four #150 and annual Incredible Hulk I: Avengers #59-60 and Amazing Spider-man annual #21 and X-men #30"--P. 2 of cover.

I thought I had it all. I lived in the perfect small town in Alabama. I married my high school sweetheart. We were expecting our first child together. Everything was falling into place. Until it wasn't. Life gets complicated sometimes. You can be happily married one minute and divorced the next. You can become a single father to a newborn baby when that was never in your plans. You can fall for your ex-wife's best friend. Yes, life gets complicated. Sometimes it takes something complicated to make everything else fall into place again. **Something Complicated is book one in the Dirty Southern Secrets series. It is a standalone, full-length novel. It contains adult content, adult language, and sexual situations. It is intended for mature readers only.**

A compendium of thirty-five incredible female pop stars whose energies, virtues, and vices make them the ideal role models for our age—powerful women who can teach us all how to discover our own inner goddess. We are living in the age of the music goddess: Beyoncé. Lady Gaga. Taylor Swift. Katy Perry. Britney. Nicki Minaj. Cardi B. Pink. Madonna. Rihanna. Gwen Stefani. Alicia Keys. Kelly Clarkson. Never before have so many women dominated their industry and pop culture itself with such creativity, passion, and force. Visionary and ferociously talented, these women are reshaping our society and our lives. In this stunningly designed compendium, Jennifer Armstrong offers an intimate, up-close look at thirty-five of pop music's most revered goddesses, analyzing their performances, songs, videos, interviews, social media, activism, and personal lives to illuminate their significance for both critics and fans. These divas post astounding album sales, enjoy millions of radio plays, YouTube views, and social media followings, and sell out stadiums. While we are awed and inspired by their success, we worship them for so much more. Beyoncé's work ethic. Nicki Minaj's no-bullshit attitude. Taylor Swift's relatability. Pink's sense of social justice. Jennifer Lopez's transformation from "Jenny from the block" to fashion icon. Each of these goddesses speaks to us in her own unique way. Beyoncé is our superhuman alter ego; Britney is our survival instinct. Armstrong pairs each pop star goddess with a corresponding goddess from ancient cultures, and offers advice on how to invoke the pop star goddess's energy in your own life, providing journal prompts and a Power Song List that allows you harness the power of a particular pop goddess's energy when you need it. Filled with information, advice, insights, playlists, and forty gorgeous color illustrations, Pop Star Goddess will help you tune in and turn on your own divine energy. The Pop Star Goddesses are: Beyoncé, Britney Spears, Kelly Clarkson, Taylor Swift, M.I.A., Nicki Minaj, Cardi B, Lady Gaga, Carla Bruni, Pink, JLo, Kesha, Rihanna, Janelle Monae, Gwen Stephani, Alicia Keys, Katy Perry, Demi Lovato, Jennifer Hudson, Mariah Carey, Adele, Missy Elliott, Shakira, Solange, Miranda Lambert, Celine Dion, Sia, Queen Latifah, SZA, Kacey Musgraves, Mary J. Blige, Christina Aguilera, Laura Jane Grace, Ariana Grande, Carly Rae Jepsen.

The Sinner Within

Finding Dawn

60 Days

Let the Waves Come In

The English Roses

The darkest hour approaches... To recover the final fragment of the Sword of Life, you are forced to make an uneasy alliance with the exiled prince who seeks its twin, the Sword of Death. The next phase of your quest takes you through the alleyways of the city of Crescentium, where assassins lurk in the shadows and fanatic crusaders are vigilant to mete out punishment to any who break their harsh laws. But mortal foes are not your greatest threat. You must embark on a ship that voyages between worlds, face jinn and fire wizards, and contend against the still-powerful remnants of forgotten gods. In this land of sorcery, you will encounter terrors and wonders more fabulous than you have ever imagined - until your ultimate destination, the very shores of Life and Death, where you come face to face with your greatest foe. Blood Sword can be played either solo or in a team of up to four people, providing the most exciting challenge yet in fantasy adventures, combining the best of role-playing, novels and tabletop games. What reviewers say: ""A lush and gorgeous campaign, one of the best I've played..." ""Without exaggeration, the finest entry in the best 'ongoing story' gamebook series ever crafted..." ""A grand adventure. Ends on an absolutely awesome cliffhanger that leaves you just gasping to read the fourth book in the series..."

They call me a demon. The revenant. I was thought to be dead for over three years so the names are fitting. I lost everything important to me. My club. My old lady. I resurfaced to find the things I cherished the most had been taken from me. The man I called a brother had stolen it all. He stole my chance at happiness. Freedom. He set me up. But I'm back. I've been given a second chance. An opportunity to make amends. To right the wrongs I have been accused of. I reclaimed my club. I've set out to clear my name. There's only one thing standing in my way. One person. Me. *The Sinner Within is a spin-off series from the Ravens MC Series. It is a stand-alone series and it is not necessary to read the Ravens MC Series. This book contains adult language, violence, sexual content, and is intended for mature readers only.*

For parents, the arrival of a newborn child is an event that offers the promise of never-ending love. Filled with lively illustrations and heartfelt rhyming text, Welcome Little One allows parents and children to celebrate and cherish their bond.

“ Exquisitely written and richly detailed, My Notorious Life is a marvel. Kate Manning ’ s rags-to-riches Dickensian saga brings to vivid life the world of nineteenth-century New York City, in all its pitiful squalor and glittering opulence. I loved this novel. ” —Christina Baker Kline, New York Times bestselling author of Orphan Train A brilliant rendering of a scandalous historical figure, Kate Manning ’ s My Notorious Life is an ambitious, thrilling novel introducing Axie Muldoon, a fiery heroine for the ages. Axie ’ s story begins on the streets of 1860s New York. The impoverished child of Irish immigrants, she grows up to become one of the wealthiest and most controversial women of her day. In vivid prose, Axie recounts how she is forcibly separated from her mother and siblings, apprenticed to a doctor, and how she and her husband parlay the sale of a few bottles of “ Lunar Tablets for Female Complaint ” into a thriving midwifery business. Flouting convention and defying the law in the name of women ’ s reproductive rights, Axie rises from grim tenement rooms to the splendor of a mansion on Fifth Avenue, amassing wealth while learning over and over never to trust a man who says “ trust me. ” When her services attract outraged headlines, Axie finds herself on a collision course with a crusading official—Anthony Comstock, founder of the Society for the Suppression of Vice. It will take all of Axie ’ s cunning and power to outwit him in the fight to preserve her freedom and everything she holds dear. Inspired by the true history of an infamous female physician who was once called “ the Wickedest Woman in New York, ” My Notorious Life is a mystery, a family saga, a love story, and an exquisitely detailed portrait of nineteenth-century America. Axie Muldoon ’ s inimitable voice brings the past alive, and her story haunts and enlightens the present.

A tactile touch-and-feel book all about dinosaurs.

I left home seven years ago, trying to pursue my dream. California was going to give me everything. Life. A career. Money. I had no idea how quickly a dream could turn into a nightmare. A motorcycle club is about family, trust and loyalty. Break that and you will have an enemy on your hands that you can't defeat. Run from it and you will be looking over your shoulder for the rest of your life. I broke it and I ran. I'm trying to start over. Trying to figure out who I am outside of that lifestyle, but does Katy McGuire even exist anymore? I can choose to get entangled in the motorcycle club my sister is in, be drawn back into the life I ran screaming from, or I can choose to forget that part of me ever existed. That part of me that feels comfortable in the nightmare. "I had a choice to make and I chose my heart." *Katy's Choice is book three in the Ravens MC Series, but can be read as a standalone novel. It has references to characters and events from Raiden's Choice (A Ravens MC Novel: Book One) and Lincoln's Choice (A Ravens MC Novel: Book Two). It contains adult content, adult language, violence, and sexual situations. It is intended for mature readers only.*

I was raised in a motorcycle club. I saw things no little girl should ever see. Did things no little girl should ever do. That was my life and I loved it. The Ravens taught me about family. Loyalty. Even loss. Now I live a different life. I'm no longer part of that family. I'm no longer part of the club. I live a life where I pretend to be the person I am. I put on a show for the world and I'm good at it. I've perfected it. At least I thought I had. It didn't take him long to see right through me. I have a choice to make. Keep playing pretend or finally be who I have always wanted to be. "When you're ready to stop hiding who you really are, come find me." **Raiden's Choice is the first book in the Ravens MC series. It is a standalone, full-length novel and is suitable only for mature readers. It includes adult content, adult

language, sexual situations, drug abuse, violence, and talk of rape.**
