Rinella won a lottery permit to hunt for a wild buffalo, or American bison, in the Alaskan wilderness. Despite the odds—there ' s only a 2 percent chance of drawing the permit, and fewer than 20 percent of those hunters are successful—Rinella managed to kill a buffalo on a snow-covered mountainside and then raft the meat back to civilization while being trailed by grizzly bears and suffering from hypothermia. Throughout these adventures, Rinella found himself contemplating his own place among the 14,000 years ' worth of buffalo hunters in North America, as well as the buffalo ' s place in the American experience. At the time of the Revolutionary War, North America was home to approximately 40 million

buffalo, the largest herd of big mammals on the planet, but by the mid-1890s only a few hundred remained. Now that the buffalo is on the verge of a dramatic ecological recovery across the West, Americans are faced with the challenge of how, and if, we can dare to share our land with a beast that is the embodiment of the American wilderness. American Buffalo is a narrative tale of Rinella ' s hunt. But beyond that, it is the story of the many ways in which the buffalo has shaped our national identity. Rinella takes us across the continent in search of the buffalo ' s past, present, and future: to the Bering Land Bridge, where scientists search for buffalo bones amid artifacts of the New World ' s earliest human inhabitants;

## **American Buffalo The British National Bibliography**

The Ibizan Hound, like the name suggests, is a breed of dog that is a member of the hound family. The Ibizan Hound originated on the island of Elvissa and has been traditionally put to use in the Catalan-speaking areas of Spain and France. The Ibizan Hound is a lean and agile breed that is capable of hunting on all types of terrain and was mainly employed to hunt rabbits and other small game. The breed has an incredibly good sense of sight and smell which allows it to easily track small game. Hunters traditionally use packs of Ibizan Hound females as the female

Ibizan Hound is considered to be a much better hunter. The Ibizan Hound will normally be completely silent during a hunt as it also uses its sense of hearing to locate prey, however once the prey is located and trapped the Ibizan Hound will normally bark as a signal to the hunter. While the need for hunting rabbits has died down, the Ibizan Hound is still a popular breed within Spain and France. The Ibizan Hound is now mainly used in dog shows, especially for agility trials, as it has a great degree of discipline, a high level of obedience, great agility and has a very powerful vertical jump. The Ibizan Hound has an elegant and agile frame but also has good bone

girth which makes it a hardy and all around rugged breed. The breed's distinguishing feature is its large upright ears. The Ibizan Hound's coat can come in two varieties: wiry and smooth. Smooth coats tend to be very short while wiry coats (which are dramatically more rare) can range in length from 1 to 3 inches. The temperament of dogs is normally affected by the following factors: individual personality, heredity, training and socialization. It is therefore important to make sure that you meet the puppy's mother before purchasing a Ibizan Hound. It is also important to make sure to thoroughly socialize your Ibizan Hound with strangers, children and other animals during

its puppyhood. Generally speaking, the Ibizan Hound is a very affectionate, intelligent and loyal companion that can fit in easily to any household environment. It is important to note that they breed has a relatively high prey drive and should therefore not be left alone with other small household pets to avoid any potential accidents. It is important to note that as a working breed, the Ibizan Hound has a high amount of energy which needs to be expended. If the Ibizan Hound has a buildup of energy it is likely to develop destructive behaviors due to boredom or hyperactivity. Before purchasing any pet it is important to understand that as a pet owner you are responsible for the care and
