He accepts the challenge to help train her despite the danger she represents. Long term anything for him is out of the question. If he does his job right, his protégé David will end up the perfect Dom for her and Thomas will move on with his armor intact. An erotic novel of discipline, love and surrender from master storyteller Anne Rice. This sequel to *The Claiming of Sleeping Beauty* resumes Beauty's explicit, teasing exploration of the psychology of human desire and seduction. Now Beauty, having indulged in a secret and forbidden infatuation with the rebellious slave Prince Tristan, is sent away. Sold at auction, she will soon experience the tantalizing punishments of 'the village,' as her education in love, cruelty, dominance, submission and tenderness is turned over to the brazenly handsome Captain of the Guard. Once again Anne Rice's classic tale of pleasure and pain dares to explore the most primal and well-hidden desires of the human heart. This is the second of Anne Rice's classic *Sleeping Beauty* trilogy, with a new preface by the author.

Times best seller *The Claiming of Sleeping Beauty* In the traditional folktale of "Sleeping Beauty," the spell cast upon the lovely young princess and everyone in her castle can only be broken by the kiss of a Prince. It is an ancient story, one that originally emerged from and still deeply disturbs the mind's unconscious. In the first book of the series, Anne Rice (author of *Beauty's Kingdom*), writing as A.N. Roquelaure, retells the Beauty story and probes the unspoken implications of this lush, suggestive tale by exploring its undeniable connection to sexual desire. Here the Prince awakens Beauty, not with a kiss, but with sexual initiation. His reward for ending the hundred years of enchantment is Beauty's complete and total enslavement to him . . . as Anne Rice explores the world of erotic yearning and fantasy in a classic that becomes, with her skillful pen, a compelling experience. Readers of *Fifty Shades of Grey* will indulge in Rice's deft storytelling and imaginative eroticism, a sure-to-be classic for years to come.
