U.S. Coast Guard and Revenue Cutters, 1790-1935

Community, Not Controversy

The "Divide and Conquer" pamphlet published by the U.S. Office of War Information (O.W.I.) in 1942 is a unique example of government attempts to warn Americans during World War II about the dangers of Nazi propaganda and to help them identify and guard against enemy disinformation. The instructional brochure, transcribed and republished by the Cold War Radio Museum for the first time in several decades with an extensive introduction by international journalist, broadcaster, writer and propaganda expert Ted Lipien, also offers interesting lessons for today's propaganda wars with their clandestine and overt operations undertaken by authoritarian governments of countries such as Russia and China to influence and subvert U.S. political and electoral system. "He knows that prejudice in any form plays his game," the wartime guide to Nazi propaganda warned Americans about Hitler's motives. "Before Hitler attacks any country, his agents carefully sow seeds of hate and disunity, turning people against their own governments, governments against their allies, class against class." It could have been easily a comment on the current aims of the Kremlin's propaganda or the behavior of some politicians, both foreign and domestic, who engage in fear mongering and subversion of democratic elections. Ted Lipien shows how this expose of Nazi propaganda is still highly relevant for today's information wars. In 1942 Americans received the warning that Hitler wanted "To destroy our national unity [and] create unrest in all groups of the population." The alert was undoubtedly timely and based on solid evidence although it was less obvious that such Nazi subversion was producing the desired effect of changing American minds as it did when used against some of the European nations. In America, Hitler's propaganda was said to be "trying to set capital against labor, White against Negro, Catholic against Protestant, Christian against Jew." The warnings about Hitler's intentions were true, but there was little evidence presented in the U.S. government pamphlet mailed out to American households that Nazi propaganda was achieving its ends among Americans. Similarities with some of today's propaganda, however, are immediately apparent in the 1942 brochure and make for a very interesting and enlightening reading of this historical document reprinted for the first time in many years. In the first months of the war with Japan and Nazi Germany, the Roosevelt Administration became concerned about Japanese and German propaganda attempting to influence American public opinion. In articles reminiscent of some of the media reporting on Russian interference in the 2016 presidential election campaign, Americans were told that German and Japanese propaganda radio broadcasts were interfering with the U.S. electoral process. Even though the "Divide and Conquer" pamphlet was strictly about resisting the influence of Nazi ideology, it still offers valuable lessons for identifying attempts at interference from any ideological perspective and any government or media source. This includes the Russian State now headed by an ex-KGB officer President Vladimir Putin. He has shown himself to be an expert in the use of propaganda, disinformation and subversion. Many of the Nazi propaganda techniques described in this booklet have not

changed and are now being used with the help of new digital technologies against the United States and other democratic nations. Ultimately, there was not much difference between the evils of Fascism and Communism and their respective propaganda. While "Divide and Conquer" presented and warned against only one type of propaganda, we can still draw today many valuable lessons from this 1942 U.S. government document.

Vols. for 1967-70 include as a section: Who's who of Rhodesia, Mauritius, Central and East Africa.

CHOOSING A CAREER SHOULD BE AN interesting, eye-opening experience. You are entering a time when you will have to make big decisions about the future direction of your life. You owe it to yourself to get them right. The fact that you have chosen to read this report is a good sign that you are headed in the right direction. It is also an indication that you want a career defined by challenge, service and adventure. You will definitely find it with the United States Coast Guard, America's "fifth armed service" and the lead agency in the Department of Homeland Security. The Coast Guard is one of the hardest-working federal agencies, and one that is held in very high esteem by the American people it serves. Coasties get respect. The Coast Guard is the fifth largest federal armed service, after the Army, Navy, Air Force and Marine Corps. The Coast Guard is only about the same size as the New York City Police Department - both services have about 40,000 full-time personnel. In recent years, the NYPD has actually become smaller because crime in New York City has decreased. The Coast Guard has grown larger because the kind of crime it deals with has increased. The Coast Guard is a military organization, however it devotes most of its efforts to conducting law enforcement missions. The Coast Guard is unique in this regard because the other military services are prohibited by law from engaging in law

enforcement. Operating under Title 10 of the United States Code, the Coast Guard can enforce laws, as well as conduct military operations for the Department of Defense or directly under the command of the President. The Coast Guard also maintains a robust search-and-rescue capability, protects the marine environment, and provides aids to navigation. It is also the lead agency in the Department of Homeland Security, the federal department created after the terrorist attacks of September 11, 2001. Coasties get respect because they work very hard and have many missions that are vital to the safety and security of the United States. If you like what you read in this report, your next stop should be the nearest Coast Guard recruiting station. The service's needs change constantly, and only a recruiter can give you the latest scoop on what kind of jobs are available and where. Remember, by just talking to a recruiter you incur no obligation. You are not committed to join the Coast Guard until you sign a contract. So visit a recruiting station, pick up a few brochures, and chat with the experts.

Community Newspapers and Japanese-American Incarceration Camps critically examines the tendency of journalists in all corners of the craft to be timid in times of war, precisely when the public's need for accurate information is so pressing."

National Safety News

John Bricker and American Politics

Catalog of Instructional Material

"This first biography of one of the leading conservative figures of the twentieth century traces the roots of John Bricker's ideology in his formative years as a boy growing up on an Ohio farm and examines his political career as governor, vice presidential candidate, and senator." "Bricker was exceptionally popular with Ohio voters, winning the governorship three consecutive times by increasingly larger majorities. After his 1944 campaign for the Republican presidential nomination fell short, he accepted the vice presidential slot on the ticket with Thomas E. Dewey. During two subsequent Senate terms, Bricker continued to develop his reputation as a national leader of the Republican Old Guard. His politics were so staunchly conservative that he was considered one of the nation's most consistent and dedicated opponents of the liberalism of the New Deal and Fair Deal administrations." "In the early 1950s, Bricker proposed a controversial amendment to the U.S. Constitution that addressed many conservative grievances against Roosevelt's and Truman's foreign policies. The long and acrimonious battle over the Bricker amendment, which was eventually defeated, split the Republican party and contributed to the end of Bricker's political career."

"Based on Bricker's papers and several other manuscript collections, Davies's lively biography offers an insightful portrait of a politician who embodied conservative reaction to the sweeping changes of his time."--BOOK JACKET.Title Summary field provided by Blackwell North America, Inc. Reprint Book And Why My Service is Free? Tatay Jobo Elizes, Self-Publisher, 112] + + + + Why I Publish and/or Reprint Books And Why My Service is Free? By Tatay Jobo Elizes, Self-Publisher Writings are timeless and they act as mirrors of history. I publish

writings as they remain relevant anytime There are also writers who write a lot but never publish them. There are also old books with no more prints available. The solution is to publish/reprint. I am offering these services free of charge because of the

availability of print-books-on-demand (POD) system nowadays. I can produce the book, but the prints are not free. Why put your writings in a book? And not just in the internet? I recommend that writings be retained in a hard copy or in book form or printed

form for posterity. The book will always be there among your collections or libraries. Not all use the internet. The internet access has its technical problems. Writings in the internet may be erased erroneously. Free storage is hard to access. Paid

storage may be returned or lost. For those looking for a publisher, especially if you have a novel or many essays, I can produce

the paperback book under your own authorship at no cost. I can produce art books, family tree books, family albums/pictorials, biographies, joke books, song hits books, travelogues, reunions, color or black & white, etc. Please buy online as paperback or kindle at <http://tinyurl.com/mj76ccq> (copy and paste to your browser). Permission had been granted by the author/ authors to print their books under my free self-publishing service. They own copyrights to their works. Interested reader may request free reading of any of my books, articles or essays via online reading or ebook. Just email me: job_elizes@yahoo.com My Books Catalog can be seen at www.jobelizes6.wix.com/mysite. The catalogue will grow as years pass by because of additional titles to be published. I continue to publish or reprint books as a means to archive them in hard copy and/or digital form, for posterity and legacy. Thank you.

British Iron Age swords and scabbards are here catalogued in detail for the first time. They are grouped on the basis of typologies of components and are discussed with special reference to their decoration, context and chronology. Artefact studies have been neglected for many years, and this subject was last tackled in a paper published in 1950. Since then, the material available for study has tripled, from 93 to 274 items, and new archaeological discoveries include several elaborately decorated scabbards. Illustrations include 71 full pages of line drawings, while additional contributions examine the technology of some of the swords and provide a discussion of their enamelled decoration. Contents: Introduction; Typology and terminology; Group A: Swords of medium length and scabbards with open chape ends; Group B: Swords of medium length and scabbards with closed chape ends; Group C: Long swords and scabbards with campanulate mouths; Group D: Long swords and scabbards with straight mouths; Group E: Earlier swords and scabbards in the north; Group F: Later swords and scabbards in the north; Group G: Short swords in the south and the north; Group H: Swords and scabbards of mixed traditions; Discussion; Appendices; The technology of some of the swords; Weapons and fittings with enamelled decoration; The Isleworth sword: a note on the brass foils; A technical report on the Orton Meadows scabbard; The scientific examination of the Asby Scar sword and scabbard; The extraction of swords from their scabbards; Catalogue; Bibliography.

The On Your Guard toolbox covers the basic skills needed for entry level employment in asset security. Learning takes place in a variety of contexts including an international airport, shopping centre and TV station. Learners with literacy and numeracy problems are catered for by the optional literacy and numeracy activities that are built into the course. A literacy placement test is included. This tests basic writing, reading, comprehension, oracy and numeracy skills using examples from the security industry. Learners working through the course will be involved in problem-based active learning and presented with scenarios, situations and characters that reflect the social and cultural diversity present in contemporary Australian cities. Competencies and activity areas. Kingscliffe International Airport: *

Communicate effectively in the security industry (communicate effectively, communicate with clients and colleagues, process information, record and report information) * Respond to security risk situations (identify risk, respond to risk, record response, review risk response) * Screen baggage and people (prepare to screen, operate screening equipment, search persons and property) * Petrol premises (prepare for patrol, monitor premises) * Provide lost and found facilities * Contribute to investigations (prepare to investigate, gather information, conduct surveillance, complete assignment) * Carry out vehicle checks (inspect vehicles, clean vehicles) * Use communication systems (radio equipment, communicate over the radio) C3 TV: * Maintain workplace safety (working safely, deal with an emergency) * Work as part of a team (communicate as a team, work together) * Protect persons (prepare to protect people, escort people, identify threats, record escort assignments) * Control access to and exit from premises (manage people and vehicles, inspect vehicles and baggage, manage access systems) * Monitor and control crowd behaviour (prepare to monitor crowds, monitor crowds, respond to incidents) * Operate basic security equipment (select, prepare and maintain equipment. Identify training needs) Urban security * Standard operating procedures - manuals for each area, * Training room (interactive quizzes, games and

exercises to help you practise your new skills and knowledge) * Crime catalogue (communication and teamwork) * Forms (all the forms you need to complete your tasks and units) * Glossary (the glossary is your dictionary for the security industry. It explains common words and phrases) Kingscliffe Shopping City * Work effectively in the security industry (legal issues for security guards, work effectively in the security industry, use business equipment, identify opportunities) * Provide security services to customers (establish customer relationships, deliver customer service, handle complaints) * Give evidence in court (prepare for court, present evidence, record court outcomes) * Protect valuables in transit (prepare to escort valuables, escort valuables, complete escort of valuables) * Direct and control traffic (prepare to direct and control traffic, direct traffic, record vehicle incident) * Monitor electronic reporting facility (prepare to monitor, process data, respond to incident) * Undertake loading and unloading (select loading site, carry out load assignment, undertake load transfer).

The Three Musketeers is one of the greatest romances ever wrote. If you've always wanted to read the classic, but just don't have the time, this abridged version can help. The Three Musketeers (French: Les Trois Mousquetaires) is a novel by Alexandre Dumas, first serialized in March-July 1844. Set in the 17th century, it recounts the adventures of a young man named d'Artagnan after he leaves home to travel to Paris, to join the Musketeers of the Guard. D'Artagnan is not one of the musketeers of the title; those are his friends Athos, Porthos, and Aramis, inseparable friends who live by the motto "all for one, one for all" ("tous pour un, un pour tous").

BookCaps' is a leader in eBook study guides; the BookCaps abridged classic series is intended to give readers a chance to read classic novels in hours instead of days. BookCaps is not trying to replace these classic novels—its intention is to provide an introduction to readers, so they can read and appreciate the novel in its entirety when they have free time. Our catalogue is expanding monthly.

This book is a practical step-by-step tutorial with screenshots for carrying out tasks showing you how to manage and administer your data center with Oracle Enterprise Manager. It is packed with best practices and tips that will help you benefit from the author's extensive experience of working with Oracle Enterprise Manager since at least a decade, and combined with his 25+ years IT industry experience. If you are a Data Center, IT or Database Team manager who wants to take advantage of the automation and compliance benefits of Enterprise Manager 12c Cloud Control, then Oracle Enterprise Mana.

Highly motivated developers will want this book if they are eager to keep up with the most exciting growth area for Visual Basic development. After a technical overview of the Internet-related capabilities of Visual Basic, the book covers the Internet Control Pack and the creation of ActiveX controls and documents.

Vol. 73- include the section ASSE journal, 1956- .

The bestselling novel by Tana French, author of the forthcoming novel *The Searcher*, is “required reading for anyone who appreciates tough, unflinching intelligence and ingenious plotting” (*The New York Times*). She “inspires cultic devotion in readers” (*The New Yorker*) and is “the most important crime novelist to emerge in the past 10 years” (*The Washington Post*). “Atmospheric and unputdownable.” —People In bestselling author Tana French’s newest “tour de force” (*The New York Times*), being on the Murder Squad is nothing like Detective Antoinette Conway dreamed it would be. Her partner, Stephen Moran, is the only person who seems glad she’s there. The rest of her working life is a stream of thankless cases, vicious pranks, and harassment. Antoinette is savagely tough, but she’s getting close to the breaking point. Their new case looks like yet another by-the-numbers lovers’ quarrel gone bad. Aislinn Murray is blond, pretty, groomed-to-a-shine, and dead in her catalog-perfect living room, next to a table set for a romantic dinner. There’s nothing unusual about her—except that Antoinette’s seen her somewhere before. And that her death won’t stay in its neat by-numbers box. Other detectives are trying to push Antoinette and Steve into arresting Aislinn’s boyfriend, fast. There’s a shadowy figure at the end of Antoinette’s road. Aislinn’s friend is hinting that she knew Aislinn was in danger. And everything they find out about Aislinn takes her further from the glossy, passive doll she seemed to be. Antoinette knows the harassment has turned her paranoid, but she can’t tell just how far gone she is. Is this case another step in the campaign to force her off the squad, or are there darker currents flowing beneath its polished surface?

Football is the world's most popular sport. It is a cultural phenomenon and a global media spectacle. For its billions of fans, it serves as a common language. But where does its enduring popularity come from? Featuring essays from prominent experts in the field, scholars and journalists, this Companion covers ground seldom attempted in a single volume about football. It examines the game's oft-disputed roots and traces its development through Europe, South America and Africa, analysing whether resistance to the

game is finally beginning to erode in China, India and the United States. It dissects the cult of the manager and how David Beckham redefined sporting celebrity. It investigates the game's followers, reporters and writers, as well as its most zealous money makers and powerful administrators. A valuable resource for students, scholars and general readers, The Cambridge Companion to Football is a true and faithful companion for anyone fascinated by the people's game.

Hold On. Persuade. Empower. Suicide is the second leading cause of death for youth ages 12 to 18. As a high school principal, Dr. Gregory A. Hudnall was a first responder or consultant to dozens of student suicides and devoted himself to bringing hope to despondent teens. In 2004, with the help of his community and school district, Dr. Hudnall created the Hope Squad, a task force designed to help save lives by identifying the key struggles that can lead a person to suicide. As of 2018, Hope Squads can be found in 284 Utah schools and countless others across the country. Learn how you can join the effort to prevent youth suicides with lifesaving tips such as

- Warning signs and risk factors
- Common misconceptions about suicide
- What to say and what not to say to someone considering suicide
- The dos and don'ts of reporting a potential suicide
- The role of social media and the internet in the rise of youth suicide

Every life is precious, and of all deaths, suicide may be the most preventable. It takes a village to raise a child, and in the case of youth suicide, it takes an entire community to save one.

"Edgy, dark, and shot through with a grim, gritty intensity, McMaster's latest title adds to her mesmerizing steampunk series with another gripping, inventive stunner."-Booklist, starred review for Heart of Iron A FEAR SHE CAN'T ESCAPE Ten years ago, Perry fled her thrall contract to find sanctuary among the Nighthawks. In that time, she's become a respected woman of the Guard, and she's wanted Garrett Reed for as long as she can remember. But when a new case takes a chillingly familiar turn, Perry finds herself once again in the path of a madman...only this time, there's nowhere left to run. A DESIRE THAT CAN'T BE TEMPERED Out of their depth and racing against time, Perry and Garrett must learn to trust the desire sparking between them...or risk losing themselves forever to the darkness stalking London's streets.

The papers of the present volume investigate the potential of the metaphor of life as theater for literary, philosophical, juridical and epistemological discourses from the Middle Ages through modernity, and focusing on traditions as manifold as French, Spanish, Italian, German, Russian and Latin-American.

This work brings together eight Arthur Conan Doyle mystery classics. When first gathered into one volume in 1908, the book was entitled Round the Fire Stories, since the author recommended that they be read ideally "'round the fire upon a winter's night." According to Barzun & Taylor in A Catalogue of Crime, "As one reads 'The Man with the Watches,' 'The Lost Special,' 'The Jew's Breastplate,' 'The Black Doctor' and the rest, one marvels again at Doyle's natural gift of storytelling and one relishes his ingrained habit of giving clues, even when they serve narrative and are not to be used for ratiocination. These stories are worth reading even around a radiator."
