To become a licensed real estate agent in Texas, applicants must first pass the state's real estate sales exam. This book contains all the information needed to prepare for and pass the test, including four full-length practice exams — updated to current standards — with fully explained answers. There are also study and test-taking tips and a CDROM containing practice tests and hundreds of additional questions, answers, and explanations. To help readers on and beyond the test, the book has a real estate refresher course reflecting all recent changes to state laws and policies and a glossary of real estate terms.

well-organized set of state ‘key point reviews’ ideal for pre-test memorization. But let’s not dismiss the importance of the national content either. PA-RELEP’s national key point reviews are a succinct compression of tested national principles and practices that comprise the national portion of state license exams from coast to coast. Our content is drawn from our own national textbook, Principles of Real Estate Practice – one of the most widely used principles textbooks in the country. Finally, our national content, as well as our question selection, is further tailored to the state testing outline promulgated by PSI for Pennsylvania. Thus the breadth and depth of the law reviews and test questions reflect the topic emphasis of your state’s testing service and your Pennsylvania license exam. A word about the test

questions... PA-RELEP's testing practice section consists of ten national practice tests, five state practice tests, and one state exam sample test. The practice tests are roughly 50 questions in length and the sample test is 100 questions. The test questions are designed to cover the content covered by the law reviews – which reinforces your learning of the total body of information tested by your state exam. The questions are direct, to the point, and designed to test your understanding. When you have completed a given test, you can check your answers against the answer key in the appendix. You may also note that each question's answer is accompanied by a brief explanation, or "rationale" to further reinforce your understanding. In the end, as you know, it's all up to you.
