In the story, a student arrives in a small town looking for a quiet place to stay while preparing for his examination. Making light of the local superstitions, he moves into an old mansion where a notorious hanging judge once lived. He is comfortably settled and engrossed in his work when, in the middle of the night, he is visited by an enormous rat with baleful eyes. As soon as the giant rat appears, other rats that infest the old house fall silent. When the great rat returns on the second night, the student begins to feel uneasy. He soon learns why the locals fear the Judge's House.

' Monsieur Pamplemousse and his faithful dog Pommes Frites are true and original comic inventions.' Guardian Monsieur Pamplemousse, inspector of food and detective extraordinaire, is delighted to have the chance to dine once more at the famed La Langoustine, a restaurant nestling in the hills of Provence. Life as an undercover researcher for a top-class culinary guide can be lonely, and Monsieur Pamplemousse is ever grateful for the companionship of his friend and helper, Pommes Frites, a bloodhound with a finely-tuned nose. Will La Langoustine win the longed-for jewel in the chef ' s crown, a third Red Stockpot? The signs are promising as Monsieur Pamplemousse and Pommes Frites await the delicacy of the house, chicken wrapped in a pig ' s bladder and stuffed with truffles and foie gras, and the room is filled with a mouth-watering aroma of herbs, wine and spices. As Monsieur Pamplemousse stands to make his first cut with a characteristically deft movement, the outer casing collapses to reveal not the expected treat but a dish of far more grisly proportions. Clearly someone wants Monsieur Pamplemousse out of the way, but nothing delights the detective more than the chance to practise the skills he learnt in his sleuthing days at the Sûreté... ' Engaging mix of farce, detection and fine cuisine ' The Times

The Adventures of Sherlock Holmes collects Sir Arthur Conan Doyle's first twelve short stories about his famous London detective. It begins with the first meeting of Holmes and his sidekick Watson, who narrates the stories. Doyle was the first to employ the sidekick technique, thereby creating a character in just as much suspense and awe as his readership at the mental escapades of the erratic, terrifyingly intelligent Holmes.
