

## Red Sparrow Dominika Egorova 1

The “terrifically good” (The New York Times Book Review) finale in the New York Times bestselling Red Sparrow trilogy continues the dangerous entanglements of Russian counterintelligence chief Dominika Egorova and her lover, CIA agent Nate Nash, on the hunt for a Russian agent working in the US government. Russian president Vladimir Putin is planning the covert assassination of a high-ranking US official with the intention of replacing him with a mole whom Russian intelligence has cultivated for more than fifteen years. Catching wind of this plot, Dominika, Nate, and their CIA colleagues must unmask the traitor before he or she is able to reveal that Dominika has been spying for years on behalf of the CIA. Any leak, any misstep, will expose her as a CIA asset and result in a one-way trip to a Moscow execution cellar. Ultimately, the lines of danger converge on the spectacular billion-dollar presidential palace on the Black Sea during a power weekend with Putin’s inner circle. Does Nate sacrifice himself to save Dominika? Does Dominika forfeit herself to protect Nate? Do they go down together? With a plot ripped from tomorrow’s headlines, The Kremlin’s Candidate is “both timely and timeless; an espionage tale that takes the reader behind and beyond the headlines of Russia’s assault on America” (Nelson DeMille).

**SOON TO BE A MAJOR MOTION PICTURE** starring Jennifer Lawrence, Joel Edgerton and Jeremy Irons. Dominika Egorov, former prima ballerina, is sucked into the heart of Putin's Russia, the country she loved, as the twists and turns of a betrayal and counter-betrayal unravel. American Nate Nash, idealistic and ambitious, handles the double agent, codenamed MARBLE, considered one of CIA's biggest assets. He needs to keep his identity secret for as long as the mole can keep supplying golden information. Will Dominika be able to unmask MARBLE, or will the mission see her faith destroyed in the country she has always passionately defended? 'A great and dangerous spy-game is being played today between Russian intelligence and the CIA. Very few people know about it, including many of our politicians in Washington. But Jason Matthews does, and his thrilling Red Sparrow takes us deep inside this treacherous world. He's an insider's insider. He knows the secrets. And he is also a masterful story-teller. I loved this book and could not put it down. Neither will you' Vince Flynn 'Not since the good old days of the Cold War has a classic spy thriller like Red Sparrow come along. Jason Matthews is not making it up; he has lived this life and this story, and it shows on every page. High-level espionage, pulse-pounding danger, sex, double agents and double crosses. What more can any reader want?' Nelson DeMille

The founder of the Tehran School of Social Work tells how she left the security of a Persian harem, attended the University of Southern California, returned to Iran only to be arrested after the collapse of the Shah's regime, and was forced to flee into exile. Reprint. 10,000 first printing.

In *Pop-Feminist Narratives*, Emily Spiers explores the recent phenomenon of 'pop-feminism' and pop-feminist writing across North America, Britain, and Germany. Pop-feminism is characterised by its engagement with popular culture and consumerism; its preoccupation with sexuality and transgression in relation to female agency; and its thematisation of intergenerational feminist discord, portrayed either as a damaging discursive construct or as a verifiable phenomenon requiring remediation. Central to this volume is the question of theorising the female subject in a postfeminist neoliberal climate and the role played by genre and narrative in the articulation of contemporary pop-feminist politics. The heightened visibility of mainstream feminist discourse and feminist activism in recent years especially in North America, Britain, and Germany means that the time is ripe for a coherent comparative scholarly study of pop-feminism as a transnational phenomenon. This volume provides such an account of pop-feminism in a manner which takes into account the varied and complex narrative strategies employed in the telling of pop-feminist stories across multiple genres and platforms, including pop-literary fiction, the popular 'guide' to feminism, film, music, and the digital.

'Compulsively readable' Observer An ex British spy finds himself dragged back into the world of espionage after a mysterious plane crash... Robert Harland ended his career as a British spy in an Austrian hospital, after being tortured and beaten by Czech security agents in the last days of the communist regime. He was young enough then to find a new life with the Red Cross and then with the UN. Twelve years later his UN plane crashes in mysterious circumstances at La Guardia airport, New York and Harland is the only survivor. Was it sabotage and, if so, was Harland the target? It is soon clear to Harland that the answers are to be found in his past, a past which, along with its secrets and tradecraft, he has desperately tried to forget. And now the crash has thrown him back into a world of relentless intrigue and mistrust, to his youth, and a life-changing love affair...

Critical biography of musician filmmaker Prince. Armond White's *New Position: The Prince Chronicles* tells the story of r&b, rock, soul, jazz artist Prince Rogers Nelson through a collection of reports and reviews from the years in which Prince dominated the pop scene to his shocking death and his final, surprising cultural turn. Starting with the breakthrough of *Purple Rain* on to the late career *The Rainbow Children*, a musical and intellectual triumph, White follows Prince's different positions as a musical prodigy, sexual adventurer, cinematic and music video innovator and spiritual seeker. This is reporting and criticism, cultural examination and personal appreciation—what every pop culture history and biography should be. It is for fans, students and lovers of creative filmmaking, historic music videos, great music. Most of all, it's for fans of the Artist Permanently Known as Prince, one of the most important, fascinating cultural figures of our time.

DISCOVER WHAT HAPPENS NEXT AFTER THE MAJOR FILM RED SPARROW STARRING JENNIFER LAWRENCE . . . Urgent, topical and shot through with insider knowledge, the final thriller in the Red Sparrow trilogy is writing on a grand scale. Russian counterintelligence chief Colonel Dominika Egorova has been an asset of the CIA for over seven years. She has also been in a forbidden and tumultuous love affair with her

handler Nate Nash, mortally dangerous for them both, but irresistible. In Washington, a newly installed administration is selecting its cabinet members. Dominika hears whispers of a Russian operation to place a mole in a high intelligence position. If the candidate is confirmed, the Kremlin will have access to the identities of CIA assets in Moscow, including Dominika. Dominika recklessly immerses herself in the palace intrigues of the Kremlin, searching for the mole's identity and stealing secrets before her time runs out. With a plot ripped from tomorrow's headlines, *The Kremlin's Candidate* is a riveting read and a thrilling conclusion to the trilogy than began with *Red Sparrow* and *Palace of Treason*.

Collecting *Rise Of The Black Panther* #1-6. The secret origin of T'Challa, the Black Panther! Wakanda has always kept itself isolated from Western society, but that's about to change. Young T'Challa knows he's destined to become king, but when his father is murdered by outsiders, he finds himself taking up a mantle he may not be ready for. Experience the troubled reign of King T'Chaka! Discover the mother T'Challa never knew! And see how the world first learns of the wondrous nation of Wakanda – including Namor, King of Atlantis; the Winter Soldier; and the ruler of Latveria, Doctor Doom! Plus: As Erik Killmonger makes a devastating move, a missing chapter of T'Challa and Storm's lifelong romance comes to light – and the Black Panther must decide his unique role in a world full of super heroes!

A Woman's Journey from Her Father's Harem Through the Islamic Revolution

Agents of Innocence: A Novel

Oscar-nominated Charlotte Rampling most recently appeared in hit ITV drama *Broadchurch*, the BBC's *London Spy* and HBO's *Dexter*, and the feature film *45 Years*. Her career has spanned popular entertainment and arthouse cinema, having starred in English, French and Italian films from 1966's *Georgy Girl* (opposite Lynn Redgrave), to films with French director François Ozon, including 2003's *Swimming Pool*. Having shied away from biographies and autobiographies ("too personal") Rampling has now written *Who I Am* (first published in French) a lyrical, and intimate self-portrait via reminiscences. Highly personal, packed with photographs from her personal archive, Rampling recounts her childhood and youth as the daughter of an army officer (who won a gold medal for the 4 x 400 relay in the infamous 1936 Berlin Olympics), and the memories and passions that would inspire her life and later work as an actress. Written in a style that gives a unique insight into her screen persona, it is an idiosyncratic and beguiling insight of one of the most consistently adventurous and interesting actors.

"[This] unflinching, incendiary debut combines the espionage novels of John le Carré with the racial complexity of Ralph Ellison's *Invisible Man*."--Publishers Weekly (starred review) What if your sense of duty required you to betray the man you love? It's 1986, the heart of the Cold War, and Marie Mitchell is an intelligence officer with the FBI. She's brilliant, but she's also a young black woman working in an old boys' club. Her career has stalled out, she's overlooked for every high-profile squad, and her days are filled with monotonous paperwork. So when she's given the opportunity to join a shadowy task force aimed at undermining Thomas Sankara, the charismatic revolutionary president of Burkina Faso whose Communist ideology has made him a target for American intervention, she says yes. Yes, even though she secretly admires the work Sankara is doing for his country. Yes, even though she is still grieving the mysterious death of her sister, whose example led Marie to this career path in the first place. Yes, even though a furious part of her suspects she's being offered the job because of her appearance and not her talent. In the year that follows, Marie will observe Sankara, seduce him, and ultimately have a hand in the coup that will bring him down. But doing so will change everything she believes about what it means to be a spy, a lover, a sister, and a good American. Inspired by true events--Thomas Sankara is known as "Africa's Che Guevara"--*American Spy* knits together a gripping spy thriller, a heartbreaking family drama, and a passionate romance. This is a face of the Cold War you've never seen before, and it introduces a powerful new literary voice. Advance praise for *American Spy* "Echoing the stoic cynicism of Hurston and Ellison, and the verve of Conan Doyle, *American Spy* lays our complicities--political, racial, and sexual--bare. Packed with unforgettable characters, it's a stunning book, timely as it is timeless."--Paul Beatty, *Man Booker* Prizewinning author of *The Sellout* "*American Spy* is by turns suspenseful, tender, and funny, always smart and searingly honest. Lauren Wilkinson renders the world of spies with vivacity and depth, and shines a penetrating light on what it's like to be a black woman in America. But like all great novels, this one teaches us most about ourselves and our values."--Sara Nović, author of *Girl at War*

Over the last decade or so, the concept of the law of attraction has become very popular, which is the secret to making all of your dreams come true. The law of attraction teaches how life really works and how to have happiness and easily manifest your dreams instead of struggling. Essentially, it teaches the secret of life, and with more and more people becoming aware of the law of attraction with each passing year and learning how to manifest their desires, the storytelling of screenwriters will need to change and adapt to reflect that transformation of humanity. With the book, "*The Secret of Life Through Screenwriting*," the goal is to teach an approach to screenwriting that guides writers to be able to craft an original screenplay that adheres to industry standards, without being formulaic, and still satisfies the writer by being meaningful and inspiring while teaching the audience the secret of life through screenwriting, and without stating directly that it is the law of attraction at work in the lives of the characters.

In 1945 Istanbul, American undercover agent Leon Bauer's attempt to save a life leads to a desperate manhunt, a game of shifting loyalties, and an unexpected love affair.

**In this “engaging” thriller, Washington, DC, insider Joe DeMarco is on the hunt for a mole deep in the shadows of US intelligence operations (Publishers Weekly). Author of *House Witness*, 2019 Edgar Award Finalist for Best Novel *When an American defense contractor goes to Iran to sell missile technology, the***

CIA learns about it about it from a spy in Tehran. But when the story is leaked to an ambitious journalist, the spy is caught, brutally tortured, and executed. Joe DeMarco's boss, Speaker of the House John Mahoney, tasks him with finding the leaker. But Mahoney has his own reasons for taking action. He once had an errant fling with the journalist who broke the story—and now that she's in jail for refusing to compromise her source, she's threatening to tell all unless Mahoney helps her. But someone else is out to avenge the spy's death, and hoping DeMarco will lead him straight to his prey. And if DeMarco gets in the way, he'll have to die, too . . . In this "superb example of the post-Cold War espionage novel" Mike Lawson brings readers behind the closed doors in the halls of power—and right into the line of fire (Booklist, starred review).

"A high-tension page-turner...ready to run with the likes of Reacher or Bourne." (Kirkus Reviews) When a body with Russian military tattoos is found floating in a lake outside Berlin, the CIA immediately takes notice. The body is identified as the director of Russia's Foundation for Advanced Nuclear Research, who is also a CIA asset. And the murder coincides with the defection of one of the CIA's upper-level officers. Alden Maines is jaded after years in the CIA cleaning up the messes of incompetent political appointees in dangerous foreign posts. When he is passed over for promotion, Maines crosses the Rubicon and decides to cash in as a double agent for Russia. But while Maines dreams of off-shore bank accounts and a new secret life, Arkady Lavrov of Russia's intelligence service (GRU) has other plans. He immediately announces Maines's defection to the world and then pumps him for every last ounce of intel, including the names of every agent in the CIA's Moscow Station and their assets working in the Kremlin. But why would Lavrov burn an asset whose intel and access could pay dividends for years to come? What is Lavrov up to? Traveling from Langley to Berlin and finally Moscow—working black without backup—analyst Jonathan Burke and agent Kyra Stryker are up against their most formidable enemy yet, and their lives and the fate of America's most important assets in the New Cold War hang in the balance.

"...quite an inventive story." "...before you know it, you can't put the book down." "...one of those rare books, light enough on the surface to be a fun summer read, but deep enough to keep you thinking about it long after you've turned the last page." "I can honestly say I didn't want it to end." What if you could create a universe: a miniature self-enclosed universe? Imagine having probing cameras that could focus to any star or planet looking for life. And once you found life, what if you could accelerate time and watch it evolve? What might you find? These are not the questions Jon Gruber ponders as he pedals to his next carpentry job. Over thirty and unmarried, he doesn't even own a car. But a new assignment challenges him to rethink his place in the world. Is he a loser? Or is he about to become a partner in an experiment of phenomenal discovery? Webster Adams, astronomer, inventor, and Jon's latest client, performs such an experiment. To Webster's amazement, he finds planets and cultures beyond his wildest dreams. His little universe turns into a discovery machine--an overnight goldmine. He and his crew observe societies so far past them on levels of technology and spirituality, that the world will be forever changed. Webster's lovely daughter, Whitney, also overwhelms Jon. She opens his eyes to the deeper meanings within the experiment by finding the most advanced beings within the project--the spirit guides from Theta 7. The Little Universe is a mind expanding concept. For Webster Adams, one question immediately comes to light. "If I can create a universe," he wonders, "then who created ours?" Can it be proven that some form of God exists? Or is life random and free-flowing without purpose? Along with Jon, you, the reader, will be presented a new perspective on life and your role in the great mystery of the universe.

The History of Fly-Fishing in Fifty Flies recounts the history of a sport that dates back 2,000 years, focusing on milestone flies from the first feathered hook to contemporary patterns using cutting-edge materials. Among the countless fly patterns created over the centuries, these 50 have been carefully chosen to represent the development not only of the flies themselves, but also of fly-fishing techniques—and of rods, lines, and reels. These iconic flies also chart the spread of this addictive sport from its modern origins on the chalk streams of southern England and the rivers of Scotland to the U.S., Europe, South America, Australia, and now to every country in the world. Filled with profiles of the key characters involved, tying tips, photographs and illustrations of the flies, and detailed explanations of the techniques used to fish them, The History of Fly-Fishing in Fifty Flies is a fascinating companion to the evolution of this fascinating sport.

**Killing Eve: Die for Me**

**A pulse-racing spy thriller of relentless intrigue and mistrust**

**The Fall of Moscow Station**

**House Justice**

**A Darkmatters Novel**

Killing a bird with his slingshot as a boy, William Bellman grows up a wealthy family man unaware of how his act of childhood have terrible consequences until a wrenching tragedy compels him to enter into a macabre bargain with a stranger in black. From the author of the Pulitzer Prize-winning history The Dead Hand comes the riveting story of a spy who cracked open the research establishment and a penetrating portrait of the CIA's Moscow station, an outpost of daring espionage in the last year of the Cold War While driving out of the American embassy in Moscow on the evening of February 16, 1978, the chief of the CIA's Moscow Station receives a knock on his car window. A man on the curb handed him an envelope whose contents stunned U.S. intelligence: details of top research and developments in military technology that were totally unknown to the United States. In the years that followed

Tolkachev, an engineer in a Soviet military design bureau, used his high-level access to hand over tens of thousands of pages of secrets. His revelations allowed America to reshape its weapons systems to defeat Soviet radar on the ground and in the air, giving the United States near total superiority in the skies over Europe. One of the most valuable spies to work for the United States in the final confrontation with the Soviet Union, Tolkachev took enormous personal risks—but so did the Americans. The CIA had long struggled to run agents in Moscow, and Tolkachev was a singular breakthrough. Using spy cameras and secret codes as well as face-to-face meetings in parks and on street corners, Tolkachev and his handlers succeeded for years in eluding the feared KGB in its own backyard. The mission came when a shocking betrayal put them all at risk. Drawing on previously secret documents obtained from the CIA and on interviews with participants, David Hoffman has created an unprecedented and poignant portrait of Tolkachev, a man motivated by the desire to escape the Soviet state to master the craft of spying against his own country. Stirring, unpredictable, and at times unbearably tense, *Red Sparrow* is a brilliant feat of reporting that unfolds like an espionage thriller.

Star FBI detective Amos Decker and his colleague Alex Jamison must solve four increasingly bizarre murders in a dying rust belt town. The closer they come to the truth, the deadlier it gets in this rapid-fire #1 New York Times bestseller. Something sinister is going on in the rust belt town. The rust belt town has seen four bizarre murders in the space of two weeks. Cryptic clues left at the scenes--obscure bible verses and symbols--have the police stumped. Amos Decker and his FBI colleague Alex Jamison are in Baronville visiting Alex's sister and a bleak place: a former mill and mining town with a crumbling economy and rampant opioid addiction. Decker has only been there when he stumbles on a horrific double murder scene. Then the next killing hits sickeningly close to home. And with the lives of his colleagues about suddenly hanging in the balance, Decker begins to realize that the recent string of deaths may be only one small piece of a larger scheme--with consequences that will reach far beyond Baronville. Decker, with his singular talents, may be the only one who can solve this bizarre case. Only this time--when one mistake could cost him everything--Decker finds that his previously infallible memory is not trustworthy after all...

*Red Sparrow: A Novel (The Red Sparrow Trilogy, Book 1)* by Jason Matthews: Conversation Starters *Red Sparrow*, written by bestselling author and former CIA operative Jason Matthews, follows the story of a beautiful woman named Dominika Egorova, "Red Sparrow," a spy who is sent by Russia to seduce a CIA officer named Nate. They have an intimate affair that jeopardizes both of them as well as those around them. The book is the first of three in the Red Sparrow Trilogy Series. The History of Fly-Fishing in Fifty Flies

*From acclaimed spy novelist Paul Vidich comes a taut new thriller following the attempted exfiltration of a KGB officer from the ever-changing--and always dangerous--USSR in the mid-1980s. Moscow, 1985. The Soviet Union and its communist regime are in the last stages of decline, but remain opaque to the rest of the world--and still very dangerous. In this ever-shifting landscape, a senior KGB officer--code name GAMBIT--has approached the CIA Moscow Station chief with top secret military weapons intelligence and asked to be exfiltrated. GAMBIT demands that his handler be a former CIA officer, Alex Garin, a former KGB officer who defected to the American side. The CIA had never successfully exfiltrated a KGB officer from Moscow, and the top brass do not trust Garin. But they have no other options: GAMBIT's secrets could be the deciding factor in the Cold War. Garin is able to gain the trust of GAMBIT, but remains an enigma. Is he a mercenary acting in self-interest or are there deeper secrets from his past that would explain where his loyalties truly lie? As the date nears for GAMBIT's exfiltration, and with the walls closing in on both of them, Garin begins a relationship with a Russian agent and sets into motion a plan that could compromise everything.*

*What if I said I am not what you think you see? A southpaw boxer is on the verge of their pro debut when their wife signs the adoption papers for a Korean boy. The boy's original adoptive father was all set to hand him over to a new home... until he realizes the boy would have no "dad." Caught in the middle, the child launches himself in a lone wolf's journey of finding a pack he can call his own. Wolf Play is a mischievous and affecting new play about the families we choose and unchoose. It is published in Methuen Drama's Lost Plays series, celebrating new plays that had productions postponed due to the Covid-19 outbreak and the global shutdown of theatre spaces.*

*The most remarkable and affecting book of poetry I encountered this year. James Wood, The New Yorker*

*New York Times Notable Book \* NPR Best Books 2015 \* Wall Street Journal Best Books of 2015 The acclaimed author of The Good German "deftly captures the ambience" (The New York Times Book Review) of postwar East Berlin in his "thought-provoking, pulse-pounding" (Wall Street Journal) New York Times bestseller--a sweeping spy thriller about a city caught between political idealism and the harsh realities of Soviet occupation. Berlin, 1948. Almost four years after the war's end, the city is still in ruins, a physical wasteland and a political symbol about to rupture. In the West, a defiant, blockaded city is barely surviving on airlifted supplies; in*

the East, the heady early days of political reconstruction are being undermined by the murky compromises of the Cold War. Espionage, like the black market, is a fact of life. Even culture has become a battleground, with German intellectuals being lured back from exile to add credibility to the competing sectors. Alex Meier, a young Jewish writer, fled the Nazis for America before the war. But the politics of his youth have now put him in the crosshairs of the McCarthy witch-hunts. Faced with deportation and the loss of his family, he makes a desperate bargain with the fledgling CIA: he will earn his way back to America by acting as their agent in his native Berlin. But almost from the start things go fatally wrong. A kidnapping misfires, an East German agent is killed, and Alex finds himself a wanted man. Worse, he discovers his real assignment—to spy on the woman he left behind, the only woman he has ever loved. Changing sides in Berlin is as easy as crossing a sector border. But where do we draw the lines of our moral boundaries? At betrayal? Survival? Murder? Joseph Kanon's compelling thriller is a love story that brilliantly brings a shadowy period of history vividly to life.

*How to Make, Market and Sell Ebooks - All for Free*

*A True Story of Cold War Espionage and Betrayal*

*Palace of Treason*

*A Novel (The Red Sparrow Trilogy, Book 1) by Jason Matthews: Conversation Starters*

**In a surprising number of espionage cases sex has played a significant role\_often only in the background\_possibly as a reason why a particular individual has lived beyond his means and is in desperate need of cash. FBI agent Earl Pitts sold secrets to the Soviets to ease his financial burdens, which came from his habitually heavy use of male and female prostitutes. Yuri Nosenko collaborated with the CIA after having misappropriated KGB funds to entertain expensive women while on official duties in Geneva, and Aleksandr Ogorodnik of the Soviet foreign ministry was persuaded to become a spy by his pregnant Spanish lover, an agent recruited by the CIA. In the realm of human behavior, sex can be the catalyst for risky or reckless conduct. The Historical Dictionary of Sexspionage explores this behavior through a chronology, an introduction, a bibliography, and hundreds of cross-referenced dictionary entries on the secret agencies, operations, and events. From Delilah's seduction of Samson in 1161 BC to State Department official Donald Keyser's conviction of passing secrets to Isabelle Cheng, a Taiwanese intelligence officer, in 2007, Nigel West recounts the history of sexspionage. Divemaster Boone Fischer thought he had seen it all after spending three years on the island of Bonaire. But on a routine afternoon dive, he spots something that will turn his tranquil life upside down.**

**A teenage boy on trial can see and heal the human light fields, drawing comparisons to Christ while the world argues over his case. Sequel to The Little Universe, Jim gets his wish for the full human experience. Nurses want to sleep with him, skeptics to debunk him, patients need his healing touch, and still others want to train him to use his gifts and be the teacher he was destined to become. Red Sparrow is now a major motion picture starring Jennifer Lawrence and Joel Edgerton! The thrilling sequel to Red Sparrow—CIA insider Jason Matthews's compulsively readable New York Times bestseller and Edgar Award winner—featuring Russian spy Dominika Egorova and CIA agent Nate Nash “shimmers with authenticity. The villains are richly drawn...the scenes of them on the job are beyond chilling” (The New York Times Book Review). Captain Dominika Egorova of the Russian Intelligence Service despises the oligarchs, crooks, and thugs of Putin's Russia—but what no one knows is that she is also working for the CIA. Her “sparrow” training in the art of sexual espionage further complicates the mortal risks she must take, as does her love for her handler Nate Nash—a shared lust that is as dangerous as treason. As Dominika expertly dodges exposure, she deals with a murderously psychotic boss, survives an Iranian assassination attempt and attempts to rescue an arrested double agent—and thwart Putin's threatening flirtations. A grand, wildly entertaining ride through the steel-trap mind of a CIA insider, Palace of Treason is a story “as suspenseful and cinematic as the best spy movies” (The Philadelphia Inquirer)—one that feels fresh and so possible, in fact, that it's doubtful this novel can ever be published in Russia.**

**Red Sparrow is now a major motion picture starring Jennifer Lawrence and Joel Edgerton! The “exciting conclusion” (Entertainment Weekly) in the New York Times bestselling Red Sparrow Trilogy has Russian counterintelligence chief Dominika Egorova and her lover, CIA agent Nate Nash, on the hunt for a Russian agent working in the US government. With a plot ripped from tomorrow's headlines, Jason Matthews is “one of America's most readable spy novelists” (The Washington Post Book World), and his high-powered, seductive third novel not only continues the dangerous entanglements of Dominika and Nate but reveals with chilling authenticity how Russian espionage can place agents in the most sensitive positions of power. The Kremlin's Candidate opens with Russian president Vladimir Putin planning the covert assassination of a high-ranking US**

**official with the intention of replacing him with a mole whom Russian intelligence has cultivated for more than fifteen years. Catching wind of this plot, Dominika, Nate, and their CIA colleagues must unmask the traitor before he or she is able to reveal that Dominika has been spying for years on behalf of the CIA. Any leak, any misstep, will expose her as a CIA asset and result in a one-way trip to a Moscow execution cellar. Ultimately, the lines of danger converge on the spectacular billion-dollar presidential palace on the Black Sea during a power weekend with Putin's inner circle. Does Nate sacrifice himself to save Dominika? Does Dominika forfeit herself to protect Nate? Do they go down together? This dazzling finale to Jason Matthews's New York Times bestselling Red Sparrow Trilogy "delivers a wallop on all fronts, from adrenaline-charged action to dark political intrigue to gripping emotional stakes...Readers will finish the book, but their memories of Matthews's brilliant and fearless heroine will linger well past the final page" (Kirkus Reviews, starred review). The Kremlin's Candidate is "a stellar conclusion...racing to a heart-pounding and unexpected resolution" (Publishers Weekly, starred review).**

**When her catering event turns frosty, pastry chef-slash-amateur sleuth Sophia Cummings must solve a murder if she wants to earn her dough Sophia Cummings may be unlucky in love, but she knows that the way to a man's heart is through his sweet tooth. This evening, she plans to use that knowledge—and her skills as a New York City-trained pastry chef—to open the hearts and wallets of Rumford, Kentucky's richest men. Sophia, proprietress of For Goodness Cakes, has been commissioned to cater the Heart of the Town Library charity fundraiser at Grape Valley Winery. She's spent all her dough to make this a successful event, raise her profile, and win more plum catering jobs. At first, the going is as smooth as an elegant chocolate ganache. After nibbling Sophia's tasty treats, Ray Peel, the winery's landlord, announces he will pay off Rumford's library loan. But the evening soon turns decidedly frosty when Ray is murdered—before he can make good on his promise, and before he can pay Sophia for her catering services. For Goodness Cakes will collapse if Sophia can't collect what she's owed. So Sophia once again puts on her sleuthing apron to figure out who iced Ray. **Dear Mr. You**

**Daughter of Persia**

**A Spy's Life**

**The Martian: Classroom Edition**

**Leaving Berlin**

A "superlative spy novel" (New York Times) by the author of the bestselling espionage thrillers Body of Lies and The Agents of Innocence is the book that established David Ignatius's reputation as a master of the novel of contemporary espionage. Into the treacherous world of shifting alliances and arcane subterfuge comes idealistic CIA man Tom Rogers. Post-9/11, to penetrate the PLO and recruit a high-level operative, he soon learns the heavy price of innocence in a time and place where there is no use for it.

Drafted against her will to serve the regime of Vladimir Putin as an intelligence seductress, Dominika Egorova engages in a high-stakes, high-charged effort of deception and tradecraft with first-tour CIA officer Nathaniel Nash before a forbidden attraction leads to a career.

This book "renders the singular arc of a woman's life through letters Mary-Louise Parker composes to the men, real and hypothetical, who have informed the person she is today. Beginning with the grandfather she never knew, the letters range from a missive to the beloved priest from her childhood to remembrances of former lovers to an homage to a firefighter to a heartfelt communication with the uncle of the infant daughter she adopted"--

In the Classroom Edition of The Martian: Classroom-appropriate language Discussion questions and activities Q&A Weir Six days ago, astronaut Mark Watney became one of the first people to walk on Mars. Now, he's sure he'll be the last to die there. After a dust storm nearly kills him and forces his crew to evacuate while thinking him dead, Mark finds himself stranded and completely alone with no way to even signal Earth that he's alive—and even if he could get word out, it would be gone long before a rescue could arrive. Chances are, though, he won't have time to starve to death. The odds of that are much lower, thanks to the next-of-kin machinery, unforgiving environment, or plain-old "human error" are much more likely to kill him first. But Mark isn't

give up yet. Drawing on his ingenuity, his engineering skills—and a relentless, dogged refusal to quit—he steadfastly conquers one seemingly insurmountable obstacle after the next. Will his resourcefulness be enough to overcome the impossible?

Who I Am

The Kremlin's Candidate

Pop-Feminist Narratives

The Secret of Life Through Screenwriting

***Red Sparrow is now a major motion picture starring Jennifer Lawrence and Joel Edgerton! Now available in a single collection, the complete electrifying New York Times bestselling trilogy—Red Sparrow, Palace of Treason, and The Kremlin's Candidate—"a primer in twenty-first-century spying...terrifically good" (The New York Times Book Review) from veteran CIA officer Jason Matthews. In present-day Russia, ruled by President Vladimir Putin, Russian intelligence officer Dominika Egorov struggles to survive in the post-Soviet intelligence jungle. Forced to become a "Sparrow"—a spy trained in the art of seduction to elicit information from unsuspecting marks—she's been assigned to Nathaniel Nash, a CIA officer who handles the organization's most sensitive Russian intelligence. The action in The Red Sparrow Trilogy careens between Russia, France, Hong Kong, Turkey, Greece, Italy, and the United States as these two young intelligence officers, trained in their respective spy schools, collide in a charged atmosphere of deception and a forbidden spiral of carnal attraction that threatens both their careers and consumes intelligence agencies from Moscow to the highest offices in the US government. In each book they confront not only the shadows and intrigues of the Russian and American intelligence networks but highly trained, cold-blooded killers assigned to destroy them. With a plot ripped from tomorrow's headlines, and written with sophisticated brio, The Red Sparrow Trilogy has been hailed as a monumental accomplishment "as suspenseful and cinematic as the best spy movies" (The Philadelphia Inquirer); "fans of the genre's masters including John le Carré and Ian Fleming will happily embrace Matthews's central spy" (USA TODAY). Collected together, the three novels form a stunning masterwork of suspense, intrigue, sex, and violence.***

***In a surprising number of espionage cases sex has played a significant role—often only in the background—possibly as a reason why a particular individual has lived beyond his means and is in desperate need of cash. FBI agent Earl Pitts sold secrets to the Soviets to ease his financial burdens, which came from his habitually heavy use of male and female prostitutes. Yuri Nosenko collaborated with the CIA after having misappropriated KGB funds to entertain expensive women while on official duties in Geneva, and Aleksandr Ogorodnik of the Soviet foreign ministry was persuaded to become a spy by his pregnant Spanish lover, an agent recruited by the CIA. In the realm of human behavior, sex can be the catalyst for risky or reckless conduct. The A to Z of Sexspionage explores this behavior through a chronology, an introduction, a bibliography, and hundreds of cross-referenced dictionary entries on the secret agencies, operations, and events. From Delilah's seduction of Samson in 1161 BC to State Department official Donald Keyser's conviction of passing secrets to Isabelle Cheng, a Taiwanese intelligence officer, in 2007, Nigel West recounts the history of sexspionage.***
