The office of notary public has a long and proud history in our society. Their work is rarely glamorous, but it is so important that the highest courts in the nation routinely accept properly notarized documents as evidence in legal matters. In fact, the law governing notaries gives them the same mission as sworn law enforcement officers, "to serve and protect."

students, legislators, judges, or merely the curious. This edition has been revised and updated with a clear and easy to read table of contents. The updated format facilitates quick reference to every section and article. Finally, this book series is completed by a separate set of additional volumes, which serves as an appendix. These appendix volumes contain just a listing of article titles of each individual state, broken down by geographic region. This book provides a

comprehensive guide to the essential rules of legal writing. Unlike most style or grammar guides, it focuses on the special needs of legal writers, answering a wide spectrum of questions about grammar and style -- both rules and exceptions. It also gives detailed, authoritative advice on punctuation, capitalization, spelling, footnotes, and citations, with illustrations in legal context. Designed for law students, law professors, practicing lawyers, and judges, the work emphasizes the ways in

which legal writing differs from other styles of technical writing. Its how-to sections deal with editing and proofreading, numbers and symbols, and overall document design. Features:

- * Cautions on use of 500 stuffy phrases and needless legalisms, along with their everyday English translations**
- * Details rules for 800 words with required prepositions in certain contexts**
- * Explains the correct usage of more than 1,000 words that are often troublesome to legal writers**
- * Gives tips on preparing**

briefs and other court documents, opinion letters and demand letters, research memos, and contracts * Provides model documents of all types of legal documents and pleadings Reviews 200 terms of art that take on new meanings in legal contexts
