Verse-by-verse commentary on the book of Genesis.

Acclaimed writer and pastor Jared C. Wilson reveals how God has a plan for you that involves doing the ordinary, mundane stuff of life in a

Download Free Remembering The Forgotten God Study Guide

supernatural way. Would it change your life to know that there is a way to live your everyday life supernaturally? Most of us would say “yes,” and Jared C. Wilson’s new book reveals how. For the

homemaker wondering how to
get through the stress of
washing dishes and making
meals nobody seems to

jockey punching her time-card
every day wondering if what

student afraid of the future;
for every believer struggling to
get through daily life,
Supernatural Power for

Everyday People offers the hope of meaning and purpose, and also the promise of power. We can get beyond just "getting by." We can prevail and live a life of far more joy, contentment, and peace than

Download Free Remembering The Forgotten God Study Guide

we ever thought possible. A practical book written in a devotional tone, *Supernatural Power for Everyday People* shows readers how to rely more fully on the power of the Holy Spirit for growth and

Download Free Remembering The Forgotten God Study Guide

satisfaction in their lives. Life-expectancy worldwide is twice what it was a hundred years ago. And because of modern medicine, many of us don't often see death up close. That makes it easy to live as if

Download Free Remembering The Forgotten God Study Guide

death is someone else's problem. It isn't. Ignoring the certainty of death doesn't protect us from feeling its effects throughout the lives we're living now. But this avoidance can hold us back

Download Free Remembering The Forgotten God Study Guide

from experiencing the powerful, everyday relevance of Jesus's promises to us. So long as death remains remote and unreal, Jesus's promises will too. But honesty about death brings hope to life.

Download Free Remembering The Forgotten God Study Guide

That's the ironic claim at the heart of this book. Cultivating "death-awareness" helps us bring the promises of Jesus from the hazy clouds of some other world into the everyday problems of our world—where

Download Free Remembering The Forgotten God Study Guide

they belong.

Seventy years have passed since the tortured inmates of Hitler's

Download Free Remembering The Forgotten God Study Guide

concentration and extermination camps were liberated. When the horror of the atrocities came fully to light, it was easy for others to imagine the joyful relief of freed prisoners. Yet for those who had survived the unimaginable, the experience of liberation was a slow,

Download Free Remembering The Forgotten God Study Guide

grueling journey back to life. In this unprecedented inquiry into the days, months, and years following the arrival of Allied forces at the Nazi camps, a foremost historian of the Holocaust draws on archival sources and especially on eyewitness testimonies to reveal

Download Free Remembering The Forgotten God Study Guide

the complex challenges liberated victims faced and the daunting tasks their liberators undertook to help them reclaim their shattered lives. Historian Dan Stone focuses on the survivors—their feelings of guilt, exhaustion, fear, shame for having survived, and devastating

Download Free Remembering The Forgotten God Study Guide

grief for lost family members; their immense medical problems; and their later demands to be released from Displaced Persons camps and resettled in countries of their own choosing. Stone also tracks the efforts of British, American, Canadian, and Russian liberators as

Download Free Remembering The Forgotten God Study Guide

they contended with survivors' immediate needs, then grappled with longer-term issues that shaped the postwar world and ushered in the first chill of the Cold War years ahead.

The “me” syndrome, or the “I” effect, was tearing apart husbands and wives who were once head-over-heels in love. To help couples step back from their immediate circumstances and realize the bigger picture, he preached a series called “iMarriage.” This DVD and
