

Renovation Of The Heart In Daily Practice Experiments In Spiritual Transformation Redefining Life By Willard Dallas Johnson Jan 962006

This unrivaled story of political ambition and technical skill chronicles the biggest home-improvement job the nation had ever seen in 1948 when President Harry Truman, after almost falling through the ceiling in a bathtub, decided to rebuild America's most famous historic home. 40,000 first printing.

Her return could be a second chance to repair a first love... Forty-three and jobless, Cynthia Marshall finds herself in the last place she'd expected, back home on Madison Island, GA. Her small hometown holds the ghosts of choices past. From the large Victorian she inherited from her beloved aunt, to unresolved family issues, and the boy turned man she left behind over two decades ago. Starting a new career is hard enough but having to do so side by side with a person whose heart she broke is something she never accounted for. Marcel Lewis is the owner of the only construction company on the island and is the key to making Cynthia's new dream a reality. He never quite got over the abrupt departure of the first woman he ever loved. Her return means he can finally get answers to the whys and what-ifs that have plagued him. Years have passed, feelings have remained, but some wounds have yet to heal. The more time they spend together, the walls of the old house aren't the only ones tumbling down. But they can't construct a future without answering for decisions of the past.

From Dallas Willard, one of the most important Christian intellectuals of the twentieth century, comes a collection of readings, interviews, talks, and articles—many previously unpublished. In his groundbreaking books *The Divine Conspiracy*, *The Great Omission*, *Knowing Christ Today*, *Hearing God*, *The Spirit of the Disciplines*, *The Divine Conspiracy Continued*, and *The Allure of Gentleness*, teacher, philosopher, and spiritual guide Dallas Willard forever changed the way many Christians experience their faith. Three years after his death, the influence of this provocative Christian thinker—"a man devoted to reestablishing the exalted place moral reasoning once held in the academy" (*Christianity Today*) remains strong. Compiled, edited, and introduced by his friend and fellow theologian, Gary Black, Jr., *Renewing the Christian Mind* is a collection of essays, interviews, and articles that brilliantly encapsulate Willard's spiritual philosophy and his contributions to theology. *Renewing the Christian Mind* offers insight into spiritual formation, avocation, and theology, and includes sections directed at specific audiences, from church leaders to laypeople looking for spiritual counsel and nurture. Reasoned, honest, thought-provoking, and illuminating, this important anthology is an invaluable introduction and companion to Dallas Willard's acclaimed body of work.

Seize and expand the competitive edge with a smart, well-managed culture "renovation" Most business leaders understand the power of a dynamic, positive culture—but almost every effort to change culture fails. Why? The approach is often all wrong. Rather than attempt to "transform" a new culture from the ground up, leaders need to instead spearhead a culture renovation. It's all about keeping what works, changing what needs to be changed, and ensuring proper care and maintenance—much like refurbishing and living in a beautiful historic home and improving its overall value. In *Culture Renovation*, the head of the world's leading HR research firm—the Institute for Corporate Productivity (i4cp)—Kevin Oakes provides tangible, tactical insights drawn from a robust data set and informed by CEOs and HR leaders at many of the world's top companies. You'll find everything you need to rebuild your corporate culture with care and expertise, including: Three phases and detailed action steps for architecting the change you want to see Practical insights and examples from T-Mobile, Microsoft, 3M, and other top companies The traits of a healthy corporate culture Proven talent practices to maintain your new culture for long-term success Oakes identifies 18 proven leadership actions for turning any culture into an agile, resilient, and innovative high-performance organization. You'll learn how to best understand the culture in place today and set a new cultural path for decades to come; develop a co-creation mindset; identify influencers and blockers; ferret out skeptics and non-believers; measure, monitor, and report progress; and implement "next practices" in talent strategies to sustain the renovation. *Culture Renovation* delivers everything you need to plan, build, and maintain a corporate culture that drives profits, growth, and business sustainability now and well into the future.

Culture Renovation: 18 Leadership Actions to Build an Unshakeable Company

Reclaiming Jesus's Essential Teachings on Discipleship

Why We Can Trust Spiritual Knowledge

Replace Your Desire for Sin with Desire For God

Putting a Face on Grace

Why Ministry in Forgotten Communities Matters

The Divine Conspiracy has revolutionized how we think about the true meaning of discipleship. In this classic, one of the most brilliant Christian thinkers of our times and author of the acclaimed *The Spirit of Disciplines*, Dallas Willard, skillfully weaves together biblical teaching, popular culture, science, scholarship, and spiritual practice, revealing what it means to "apprentice" ourselves to Jesus. Using Jesus's Sermon of the Mount as his foundation, Willard masterfully explores life-changing ways to experience and be guided by God on a daily basis, resulting in a more authentic and dynamic faith.

How to Live as Jesus Lived Dallas Willard, one of today's most brilliant Christian thinkers and author of *The Divine Conspiracy* (*Christianity Today's* 1999 Book of the Year), presents a way of living

that enables ordinary men and women to enjoy the fruit of the Christian life. He reveals how the key to self-transformation resides in the practice of the spiritual disciplines, and how their practice affirms human life to the fullest. The Spirit of the Disciplines is for everyone who strives to be a disciple of Jesus in thought and action as well as intention.

How does God make our character more like Christ's? What is His part, and what is ours? "Under construction" is the condition of our hearts as children of God. He is the Contractor in charge, and Christ's likeness is His flawless design. We contribute to the process by cooperating with His work within us and by following the principles and instructions of His word. Then transformation happens. This Bible study compilation is a construction guide to building godly character and overcoming the hidden problems that sabotage it. It explores how God works in our lives and gives us wisdom to handle such real-life issues as unwanted change, grief, loneliness, financial debt, and difficult people. It shares God's blueprints for a renovated heart by looking at Jesus' character, godly people in the Bible, the Fruit of the Spirit, and the Beatitudes. It also discusses how to help our children grow in godly character. Whether your heart renovation started recently or years ago, this book will encourage you to continue to cooperate with God until the job is done. After all, the goal and the reward is building a heart like His. A leader guide for a group study is included.

This book will help you reflect on the spiritual significance of each element of the human person—heart, mind, body, social life, and soul—so that God can transform you. Includes discussion questions.

The Hidden White House

We weren't born again to remain the same. Take on the character of Christ through a transformation of your spirit.

Discover how your differences can become the strength of your marriage in this real-life guide to both living with and loving your spouse. It is true that opposites attract--for a while. But often as the years go by in our marriages, opposites may also begin to attack. The habits and characteristics we once found endearing about our significant other are the exact things that drive us crazy years later! Whether you and your spouse disagree about finances, parenting, or how to load the dishwasher, your differences don't need to divide you. They can actually bring you closer together--and closer to God. In *Keep Showing Up*, Karen Ehman shows you . . . How to play to each other's strengths as you work on your own weaknesses The difference between having a soul mate and having a sole mate How to become a faithful forgiver who also forgets Strategies for avoiding the social media comparison trap Why it's dangerous to mimic a friend's marriage How to unearth the magic in the mundane Why a spouse who drives you crazy can drive you straight to Jesus Throughout *Keep Showing Up*, Karen also includes ideas to implement in your marriage right now, such as powerful statements to speak to your spouse, date-night-on-a-shoestring suggestions, and discussion starters.

The last command Jesus gave the church before he ascended to heaven was the Great Commission, the call for Christians to "make disciples of all the nations." But Christians have responded by making "Christians," not "disciples." This, according to brilliant scholar and renowned Christian thinker Dallas Willard, has been the church's Great Omission. "The word disciple occurs 269 times in the New Testament," writes Willard. "Christian is found three times and was first introduced to refer precisely to disciples of Jesus. . . . The New Testament is a book about disciples, by disciples, and for disciples of Jesus Christ. But the point is not merely verbal. What is more important is that the kind of life we see in the earliest church is that of a special type of person. All of the assurances and benefits offered to humankind in the gospel evidently presuppose such a life and do not make realistic sense apart from it. The disciple of Jesus is not the deluxe or heavy-duty model of the Christian -- especially padded, textured, streamlined, and empowered for the fast lane on the straight and narrow way. He or she stands on the pages of the New Testament as the first level of basic transportation in the Kingdom of God." Willard boldly challenges the thought that we can be Christians without being disciples, or call ourselves Christians without applying this understanding of life in the Kingdom of God to every aspect of life on earth. He calls on believers to restore what should be the heart of Christianity -- being active disciples of Jesus Christ. Willard shows us that in the school of life, we are apprentices of the Teacher whose brilliance encourages us to rise above traditional church understanding and embrace the true meaning of discipleship -- an active, concrete, 24/7 life with Jesus.

Copastors Kent Carlson and Mike Lueken tell the decade-long story of how God took their thriving, consumer-oriented church and transformed it into a modest congregation of unformed believers committed to the growth of the spirit--even when it meant a decline in numbers.

Putting on the Character of Christ - 20th Anniversary Edition

Renovation Of Love

Renewing the Christian Mind

Renovated

Every day, major headlines tell the story of how Christianity is attempting to influence American culture and politics. But statistics show that young Americans are disenchanted with a faith that has become culturally antagonistic and too closely aligned with partisan politics. In this personal yet practical work, Jonathan Merritt uncovers the changing face of American Christianity by uniquely examining the coming of age of a new generation of Christians. Jonathan Merritt illuminates the spiritual ethos of this new generation of believers who engage the world with Christ-centered faith but an un-polarized political perspective. Through personal stories and biblically rooted commentary this scion of a leading evangelical family takes a close, thoughtful look at the changing religious and political environment, addressing such divisive issues as abortion, gay marriage, environmental use and care, race, war, poverty, and the imbalance of world wealth. Through Scripture, the examples of Jesus, and personal defining faith experiences, he distills the essential truths at the core of a Christian faith that is now just coming of age.

As Christians, we know that we should become more like Jesus - so we try to act differently. But changing our outward behaviour doesn't change our hearts. Only God's grace can do that. Renovation of the Heart lays a biblical foundation for spiritual transformation, and explores the disciplines and practices that are crucial if we are to be changed from the inside out. Immensely profound but also practical and encouraging, Dallas Willard's insightful wisdom challenges us to rethink what it really means to become more Christlike and how we do so. This special 20th anniversary edition - featuring a new introduction by John Mark Comer, revised discussion questions and a never before published interview with Dallas Willard - shows that this dynamic and practical approach to spiritual growth is just as needed today as it was 20 years ago. It will both challenge and inspire you on the path of becoming more like Jesus and equip you to engage actively and intentionally in your spiritual formation. Renovation of the Heart has helped countless Christians begin the process of spiritual transformation. It is ideal both for anyone new to the Christian faith looking for guidance in discipleship, and those who are already Christians and want a new approach to help their spiritual growth and reaffirm their faith. Don't settle for complacency. Accept the challenge Renovation of the Heart offers and discover what Dallas Willard describes as a divine process that "brings every element in our being, working from inside out, into harmony with the will of God." Become an intentional apprentice of Jesus Christ, changing daily as you walk with Him.□

John Wesley has arguably influenced more American Christians than any other Protestant interpreter. One reason for this wide influence is that Wesley often spoke about the heart and its affections - that realm of life where all humans experience their deepest satisfactions, as well as some of their deepest conundrums. However, one of the problems of interpreting and appropriating Wesley is that we have been blinded to Wesley's actual views about

John Wesley has arguably influenced more American Christians than any other Protestant interpreter. One reason for this wide influence is that Wesley often spoke about the heart and its affections - that realm of life where all humans experience their deepest satisfactions, as well as some of their deepest conundrums. However, one of the problems of interpreting and appropriating Wesley is that we have been blinded to Wesley's actual views about

Christianity has tended to focus on right beliefs and right choices as the keys for personal growth. But biblical evidence and modern brain science show that our character is shaped more by whom we love than what we believe. Through conversations he had with Dallas Willard at the Heart & Soul Conference shortly before Dallas's death, Jim Wilder shows how we can train our brains to relate to God based on joyful, mutual attachment--which leads to emotional and spiritual maturity as our identity and character are formed by our relationship with God.

Christian ministries increasingly prioritize urban areas—big cities and suburbs are considered more strategic, more influential, and more desirable places to live and work. As a ministry strategy, focusing on big places makes sense. But the gospel of Jesus is often unstrategic. Filled with helpful stories and practical advice, pastor Stephen Witmer lays out an integrated theological vision for small-place ministry today.

Jan Johnson guides you through 61 carefully chosen selections from renowned author Dallas Willard's best-selling book Renovation of the Heart. With each selection, you'll progress through Dr. Willard's plan for renovating the complete person. Each provocative reflection includes a thoughtful, meaty selection by Dallas Willard along with Jan's illuminating personal stories, plus suggestions for making the concepts come alive in your own experience.

Based on Emily Schuman's popular lifestyle blog of the same name, Cupcakes and Cashmere is the must-have guide for those looking to establish their own sense of style, organize and decorate their home, or throw an easy and stylish party. Organized by season, the book expands on Schuman's blog by including DIY projects, organization tips, party-planning ideas, beauty how-tos, and seasonal recipes. Cupcakes and Cashmere features original material that has not been previously published on the site. With her signature photographic layouts, Emily creates a lifestyle that is chic and achievable for every reader, making this the ultimate style guide for living a fashionable life. Understanding How God Changes Lives

Mind Renovation

Renovation of the Heart explains the common misunderstandings about human nature and the discipleship process by outlining the general pattern of personal spiritual transformation—not as a formula, but as a systematic process. This bestseller by Dallas Willard explains that as intentional apprentices of Jesus, we are to move deeper into a relationship with God while becoming more like Jesus. In his unique, winning way, Dallas Willard will guide you in discovering your true identity while exploring spiritual growth in a new way. Includes discussion questions.

Please note: This is a companion version & not the original book. Sample Book Insights: #1 The human spirit is an inescapable, fundamental aspect of every human being. It takes on whichever character it has from the experiences and choices that we have lived through or made in our past. Our life and how we find the world now and in the future is largely a result of what we have become in the depths of our being. #2 The Way of Jesus is a revolution of the human heart, not the formation of social institutions and laws. It is a revolution of character that changes people's ideas, beliefs, feelings, and habits of choice. It proceeds by changing people from the inside out. #3 The church is not the kingdom of God, but it is an inevitable expression and instrument of the kingdom's presence among us. It is a society of Jesus springing up in Jerusalem, in Judea, and in Samaria. #4 The inside of a person is what matters the most for how their life goes and ought to go. Things good and bad will happen to them, but what makes their life go is what they become within.

Inevitably on home renovation shows, the homeowner must decide to recycle it, reuse it or repurpose it. The designer negotiates for the removal of tattered recliners, outdated appliances, and clashing wall colors. But change is scary, and it's hard to part with what's familiar and comfortable. You're going to love it! It will be worth it, the professional encourages. Just trust me. Would you like to experience peace of mind and freedom from toxic thoughts? Thoughts direct our destiny and shape our future. Negative thinking deteriorates our life and invites fear, worry and insecurity to squat on the prime property of our minds. It's time to trust the divine designer to transform every thought into a remodeled reflection of the glorious mind of Christ. Are you ready? It's demo day! He's about to flip your mind, but He doesn't plan on selling. He's moving in to stay!

How do we hear God's voice? How can we be sure that what we hear is not our own subconscious? What if what God says to us is not clear? In this Signature Collection edition of a beloved classic, bestselling author Dallas Willard offers rich spiritual insight into how we can hear God's voice clearly and develop an intimate partnership with him in the work of his kingdom.

A Hands-On Guide to Lectio Divina

Would you like to enter Scripture in a way that draws you deeper into the very presence of the Holy? These forty guided meditations from experienced Bible teacher Jan Johnson offer the experience of God's Word speaking into our lives, giving individuals and groups the tools we need to encounter Christ with lectio divina.

More than ten million readers have enjoyed Robert Boyd Munger's spiritually challenging meditation on Christian discipleship. Imagining what it would be like to have Jesus come to our hearts, Munger moves room by room considering what Christ desires for us. In the living room we prepare to meet Christ daily. In the dining room we examine together what a and should not control us. We even explore the closets in our lives that Christ can help us clean out. Munger's practical and profound booklet (now revised and expanded) helps you control over all of your life.

To encounter Jesus daily and have a relationship with Him changes everything; our focus becomes eternal. Experience Jesus in such a way that His love-drenched, others-focused nature character. The spiritual practices in each chapter will challenge you to go deeper with Him.

Bible teacher and acclaimed spoken-word artist David Bowden reveals the secret to winning the battle with sin. Many Christians believe the only way to fight sin is to grit our teeth, resolve, and rise above the onslaught of temptation. But in reality, we have a far better weapon in our struggle with sin than the will-power mantras associated with diet and exercise. It's not saying "no" to sin but saying "yes" to God. In *Rewire Your Heart*, David Bowden helps us discover God's plan to overcoming sin by rewiring our desires with the Gospel. When we yield to the Holy Spirit to transform our underlying affections with the good news of Jesus, we begin to break free from the patterns of sin, guilt, and determination, and discover the richer fulfillment of joyfully obeying God's commands.

A 365-Day Devotional

With this offering of daily devotionals (six per week), Dallas Willard helps us understand how we can know the voice of God and act on it. Each day you'll read Scripture on this topic and find suggestions for prayer, journaling and reflection to draw you into God's presence.

Dallas Willard was a personal mentor and inspiration to hundreds of pastors, philosophers, and average churchgoers. In Gary W. Moon's candid and inspiring biography, we read about the development of Willard's personal character, philosophical writing, and spiritual teaching, and how he has inspired some of the most influential books on spirituality of the last generation.

This New York Times bestselling book is filled with hundreds of fun, deceptively simple, budget-friendly ideas for sprucing up your home. With two home renovations under their (tool) belts and millions of hits per month on their blog YoungHouseLove.com, Sherry and John Petersik are home-improvement enthusiasts primed to pass on a slew of projects, tricks, and techniques to do-it-yourselfers of all levels. Packed with 243 tips and ideas—both classic and unexpected—and more than 400 photographs and illustrations, this is a book that readers will return to again and again for the creative projects and easy-to-follow instructions in the relatable voice the Petersiks are known for. Learn to trick out a thrift-store mirror, spice up plain old roller shades, "hack" your Ikea table to create three distinct looks, and so much more.

Western society is in crisis, the result of our culture's embrace of naturalism and postmodernism. At the same time, the biblical worldview has been pushed to the margins. Christians have been strongly influenced by these trends, with the result that the personal lives of Christians often reflect the surrounding culture more than the way of Christ, and the church's transforming influence on society has waned. In Kingdom Triangle, J.P. Moreland issues a call to recapture the drama and power of kingdom living. He examines and provides a penetrating critique of these worldviews and shows how they have ushered in the current societal crisis. He then lays out a strategy for the Christian community to regain the potency of kingdom life and influence in the world. Drawing insights from the early church, he outlines three essential ingredients of this revolution: ? Recovery of the Christian mind ? Renovation of Christian spirituality ? Restoration of the power of the Holy Spirit He believes that evangelical Christianity can mature and lead the surrounding society out of the meaningless morass it finds itself in with humility and vision.

The Renewal of the Heart Is the Mission of the Church

Complete the Cycle of Grace How sweet the sound—it saved a wretch like you. It's amazing. But has God's grace changed you? Is it changing others through you? Richard Blackaby explores what may be causing you to miss out on an abundant life of grace, and how simply knowing about it is a far cry from embracing a grace-filled lifestyle. Once you fully experience and grasp its essence, you can't help but "practice" God's undeserved favor by passing it on to everyone around you. Grace shares a close relationship with love, is never static, and is always searching for those willing to receive it. This book focuses on pointed and practical life application so that you can attain the power of gracious living today! Let God's Grace Flow Through You God's grace is so boundless, so contrary to human nature, and so unconditionally given that you will never understand it... ..until you give it away. Get ready to be washed in pure joy, renewed by a fresh sense of gratitude for the rich, undeserved favor God continually bestows upon you. Dr. Richard Blackaby explores what it means to make God's grace a lifestyle and how it will become personal, practical, and recognizable in your life. You'll discover: What genuine grace is and what it is not The power of life words and the devastation of death words The secret to establishing a grace-filled home How to recognize grace-giving opportunities Ways to extend grace when you don't think you can Unable to deny His unconditional love, or even to keep it to yourself, soon grace will have a face. And the reflection in your mirror will tell its story. Amazing Grace, How Sweet the Sound It's a living, breathing testament to the depth of God's love. You don't deserve it, but you've got it. So, what are you doing with God's amazing grace? Many Christians sing of its sweet sound, but fail to extend it to others—missing the point entirely. Putting a Face on Grace provides practical

ways you can become a conduit of God's grace to those around you. Dr. Richard Blackaby's personal stories will have you nodding in agreement, laughing with empathetic understanding, and eagerly embracing a new life worth passing on. You will become the essential element that keeps God's life-giving grace flowing. And if you think you're unworthy of such an honor, that's good. That's grace... Story Behind the Book Much has been said about God's grace. Observing it, defining it, soaking it in. But little has been said about bringing it full circle, to the point where we freely receive and give it on a daily basis. This is what lifestyle grace is all about. Richard Blackaby's book hits a market in need, and "reinvents" grace for us all—exploding our understanding of this tremendous gift and bringing it into a new, tangible dimension. Learn the secret of living with contentment, peace, and security. Pause for a moment and ask yourself what it would be like to be completely without fear. If you did not fear death. If you did not fear life and what it might bring. If you did not fear any man, or woman, or any living creature. How would you go about your days differently? In *Life Without Lack*, Dallas Willard revolutionizes our understanding of Psalm 23 by taking this comfortably familiar passage and revealing its extraordinary promises: "The Lord is my shepherd, I shall not want. . . . I will fear no evil." The psalmist claims to live without any need and without any fear. How is that possible? Written with Willard's characteristic gentle wisdom, *Life Without Lack* helps readers experience God's presence, his abundant generosity, and peace and freedom from worry. Based on a series of talks by the late author and edited by his friend Larry Burtoft and by his daughter, Rebecca Willard Heatley, *Life Without Lack* will forever change the way you understand and apply the most well-known passage in all Scripture.

As Christians, we know that we are new creations in Jesus. So we try to act differently, hoping this will make us more like Him. But changing our outward behavior doesn't change our hearts. Only by God's grace can we be transformed internally. *Renovation of the Heart* lays a biblical foundation for understanding what best-selling author Dallas Willard calls the transformation of the spirit—a divine process that brings every element in our being, working from inside out, into harmony with the will of God. This fresh approach to spiritual growth explains the biblical reasons why Christians need to undergo change in six aspects of life: thought, feeling, will, body, social context, and soul.

Willard also outlines a general pattern of transformation in each area, not as a sterile formula but as a practical process that you can follow without the guilt or perfectionism so many Christians wrestle with. Don't settle for complacency. Accept the challenge *Renovation of the Heart* offers to become an intentional apprentice of Jesus Christ, changing daily as you walk with Him.

Renovation of the Heart is an influential contribution from the late Dallas Willard that continues to break ground twenty years after its first release. Helping us to understand how character is formed and where Jesus does his most significant work on our spiritual and emotional health, this book changed a generation's mind about what it means to follow Jesus—not a matter of sin management but a matter of drawing near and letting ourselves be shaped into the eternal people of God. With reflections on the book's impact over its life from family, friends, and admirers of Dallas, and supplemental resources for the first time in print, *Renovation of the Heart* will continue its ministry of liberation-by-formation for years to come. Includes a foreword by John Mark Comer and an afterword by Natasha Sistrunk Robinson.

Life Without Lack

Curated by Dallas Willard's long-time colleague and friend Gary Moon, this medley of images, snapshots and "Dallas-isms" moves readers toward deeper experiences of God. Whether influenced by him as a family member, friend, professor, philosopher or reformer, contributors bring refreshing insight into his ideas, what shaped him and also his contagious theology of grace and joy. I'm not okay and you're not okay. We're in serious trouble. And yet the life that we are promised in Christ should be one of spiritual maturity and increasing holiness. We should be light and salt to a dark and flavourless world. We should be brimful of the fruit of the Spirit. So, why the yawning chasm between what we are and what we should be? When around half of marriages fail, when there are massive problems with addiction, when our leaders are moral failures, when there is war and world famine, who can we blame? Only ourselves, says Dallas Willard. We live from the heart – the spiritual place within us from which outlook, choices and actions have been formed by a world away from God. Now it must be transformed. With piercing cultural analysis Dallas Willard shows how the spirit of the age has blinded Christian people to the truth of their moral responsibilities. He presents a radical

challenge to be transformed to the likeness of Christ in every dimension of life - thought, emotion, character, soul and body. Drawing on biblical and practical resources he explores the spiritual disciplines that are crucial if, by the grace of God, we hope to acquire renovated hearts.

The foundational principles from Dallas Willard's Renovation of the Heart provide students with a plan to be transformed into the character of Jesus in this interactive DVD curriculum.

At a time when popular atheism books are talking about the irrationality of believing in God, Willard makes a rigorous intellectual case for why it makes sense to believe in God and in Jesus, the Son.
