Wanted: one convenient wife Venture capitalist Leo Reynolds is married to his work, but now he needs a wife. Someone to run his home, host his parties—and accept a marriage that's strictly business. His one rule: love will play no part in their union. At least that's the lie he tells himself, until he meets his match... Enter Daniella White—handpicked by the matchmaker as the perfect wife. Marriage to Leo means security, and she's willing to give up passion for friendship. But the moment they meet, sparks fly. And now temptation—and Leo's own heart—have the billionaire ready to change all the rules.

My name is Dove Hendry. Mine is Kingston Axton. I was captured by darkness. She has always been ours... They groomed me for Midnight Mayhem. Like a trained possession, weak against their control. She has been conditioned with our blood for years. She just doesn't know it yet... But Midnight Mayhem was the stained glass that concealed a very dark culture. A culture that she is about to become the center of. The Brothers of Kiznitch come in fours, and they're not happy about me being hustled into their acts. Or are we? Careful, Little Bird. A warning is a warning for a reason... Mind-tricks. Stunts. Deceit. Power. But there's something uglier that has been haunting me for years upon years. So ugly that I have never seen its face. I never had to. I'd hear his whispers through my internal screams, feel his shadow brush against my nightmares. He was my the monster that tormented me. And maybe lived under your bed... When I started Midnight Mayhem, his presence faded. His whispers were silenced. His shadow dissolving without a trace. I wondered why that was. She didn't have to wonder for long...

On October 20, 2006, a middle-aged auto mechanic, Jeff Markin, walked into the emergency room at the Palm Beach Gardens Hospital and collapsed from a massive heart attack. Forty minutes later he was declared dead. After filling out his final report, the supervising cardiologist, Dr. Chauncey Crandall, started out of the room. "Before I crossed its threshold, however, I sensed God was telling me to turn around and pray for the patient," Crandall explained. With that prayer and Dr. Crandall's instruction to give the man what seemed one more useless shock from the defibrillator, Jeff Markin came back to life--and remains alive and well today. But how did a Yale-educated cardiologist whose Palm Beach practice includes some of the most powerful people in American society, including several billionaires, come to believe in supernatural healing? The answers to these questions compose a story and a spiritual journey that transformed Chauncey Crandall.

In a nation on the brink of war, a young art student's star-crossed love begins to bloom in the first book of the New York Times bestselling epic fantasy trilogy by award-winning author Laini Taylor. Around the world, black handprints are appearing on doorways, scorched there by winged strangers who have crept through a slit in the sky. In a dark and dusty shop, a devil's supply of human teeth grown dangerously low. And in the tangled lanes of Prague, a young art student is about to be caught up in a brutal otherworldly war. Meet Karou. She fills her sketchbooks with monsters that may or may not be real; she's prone to disappearing on mysterious "errands"; she speaks many languages -- not all of them human; and her bright blue hair actually grows out of her head that color. Who is she? That is the question that haunts her, and she's about to find out. When one of the strangers -- beautiful, haunted Akiva -- fixes his fire-colored eyes on her in an alley in Marrakesh, the result is blood and starlight, secrets unveiled, and a star-crossed love whose roots drink deep of a violent past. But will Karou live to regret learning the truth about herself?

The mega bestselling book that started the heaven publishing phenomenon is now a major motion picture starring Hayden Christensen and Kate Bosworth and produced by Michael Polish. Don Piper's incredible true story continues to expand its reach to more people than ever before. After a semi-truck collided with Don Piper's car, he was pronounced dead at the scene. For the next ninety minutes, he experienced the glories of heaven. Back on earth, a passing minister felt led to stop and pray for the accident victim even though he was told Piper was dead. Miraculously, Piper came back to life, and the pleasure of heaven was replaced by a long and painful recovery. This special edition of Don's life-changing story includes a new preface from Don about the making of the movie, plus a personal update on the impact the book has had on him, his family, and the millions who have already heard his story. It also includes a note from the publisher, stories from readers, and Scriptures and quotations on heaven.

A strange and beguiling novel about three women struggling to determine their own lives in contemporary Tokyo, from Japan's most exciting young writer, Mieko Kawakami

Folklore Professor Oladel Adewole has lost tenure, and the beloved, much-younger sister he's raised has died; with no reason to stay, he leaves his homeland for the University of Eisenstadt. One thing makes his new life bearable: the mysterious island floating a mile above the city, his all-consuming interest for years. When a brilliant engineer makes it to the island in her new invention, the government sends Adewole up with its first survey team. The expedition finds civilization, and Adewole finds a powerful, forbidden fusion of magic and metal: the Machine God. The government wants it. So does a sociopath bent on ruling Eisenstadt. But when Adewole discovers who the mechanical creature is--and what it can do--he risks his heart and his life to protect the Machine God from the world, and the world from the Machine God.

Sex and the Supremacy of Christ**Under the Dome: Part 2**

This book is open access under a CC BY-NC-ND license. This book reveals exciting early Christian evidence that Mary was remembered as a powerful role model for women leaders—women apostles, baptizers, and presiders at the ritual meal. Early Christian art portrays Mary and other women clergy serving as deacon, presbyter/priest, and bishop. In addition, the two oldest surviving artifacts to depict people at an altar table inside a real church depict women and men in a gender-parallel liturgy inside two of the most important churches in Christendom—Old Saint Peter’s Basilica in Rome and the second Hagia Sophia in Constantinople. Dr. Kateusz’s research brings to light centuries of censorship, both ancient and modern, and debunks the modern imagination that from the beginning only men were apostles and clergy.

Social networking via the internet has created an environment where people of all ages, races, nations and socio-economic classes can interact with each other seemingly as equals. It is into this sphere that two individuals, Svetlana Marisova and Ted van Zutphen, met in early 2010 to begin a relationship that culminates with the release of "Be Still and Know." To call what they have an online relationship barely begins to describe what continues to transpire between and through these two people. Over the eighteen months that they interacted via the internet van Zutphen and Marisova became inseparable as a love developed between them that echoes that between other lovers in history: lovers such as Heloise and Abelard, Jane Frances de Chantal and Francis de Sales, Dante and Beatrice. Their love was intensified as they were both haunted by what Marisova called 'the rapid approach of my use by date' caused by brain cancer. For both of them every moment mattered and every word mattered. With an inevitability that no longer surprises they discovered the power and wonder of haiku crafted in the Japanese tradition. Over the next eighteen months they grew together beyond the restrictions of space and time but each anchored in what they could separately see, hear, taste, smell and touch. The fruit of their love is the haiku, that they encouraged each other to write, revealing to each other the mystery of each other and the world they inhabited. Some of their work has been collected in "Be Still and Know." "Be Still and Know is a weaving tale of two spirits entwined in the magical qualities of fine haiku, tanka and haiga. From side to side, top to bottom, the poems neatly connect and interconnect between the poets, their imaginations and the reader. silent night the flute hiding in the bamboo The far reach of mystery, the unsaid, sends the reader into another realm of consciousness and experience. Be Still and Know is a book of timeless value and heart; its poetry is impeccable. There shouldn't be a bookshelf in town that doesn't have a copy on it. I'm certain of that!" - Don Baird (Author of Haiku Wisdom) "A literary treasure." - Robert Johnston ..". there is no doubt that this is a labor of love, and there is much here to enjoy and appreciate... it certainly is a fine tribute to svetlana, and an interesting commentary on the kind of relationship that might spring up, unbidden, from a mutual avocation, even through the somewhat impersonal channels of the internet" - jim kacian (Chairperson of The Haiku Foundation) ..". without question a genuine work of love ... many (of the poems) are very fresh, original, ethereal, even sensually spiritual. Svetlana was a most talented haiku poet, which makes her untimely death, from the vantage point of everyday consciousness, feel all the more cruel. There is so much youthful innocence (and accompanying naïveté) intermingling with a maturity beyond her years--a unique combination. The inclusion of tanka, haiga, and haibun are a pleasant surprise and enrich this collection, which is a heartbreaking tribute to a most talented, fallen poet. ... Your poetry runneth over with the terrible ache of love and loss. I deeply respect your extraordinary courage in turning toward the anguish and sorrow, giving it poetic expression. "Be Still and Know" is itself a work of stillness." - Robert Epstein (Author of Dreams Wander On) ..". another timeless classic rivaled only by the likes of Rumi or Lao Tzu" - anon. . . . a poignant, ground-breaking collection ... The #1 New York Times Bestseller (October 2017) from the author of The Da Vinci Code. Robert Langdon, Harvard professor of symbology, arrives at the ultramodern Guggenheim Museum Bilbao to attend the unveiling of a discovery that “will change the face of science forever.” The evening’s host is Edmond Kirsch, a forty-year-old billionaire and futurist, and one of Langdon’s first students. But the meticulously orchestrated evening suddenly erupts into chaos, and Kirsch’s precious discovery teeters on the brink of being lost forever. Facing an imminent threat, Langdon is forced to flee. With him is Ambra Vidal, the elegant museum director who worked with Kirsch. They travel to Barcelona on a perilous quest to locate a cryptic password that will unlock Kirsch’s secret. Navigating the dark corridors of hidden history and extreme religion, Langdon and Vidal must evade an enemy whose all-knowing power seems to emanate from Spain’s Royal Palace. They uncover clues that ultimately bring them face-to-face with Kirsch’s shocking discovery...and the breathtaking truth that has long eluded us.

This is the book you've been waiting for! Picking up where bestselling 90 Minutes in Heaven left off, Don Piper reveals for the first time the sacred, intimate details of the people who met him at the gates of heaven and the profound impact they had on his faith on earth. In this incredible follow-up to his eight-million-copy bestseller, 90 Minutes in Heaven, Don Piper shares untold stories about his encounters with people who greeted him at the gates of heaven, and offers powerful insights about the way for us to live our lives on earth. Don Piper's unforgettable account of a horrific car accident that took his life, and what happened next has riveted more than eight million readers. Something happened as he shared his story in the years since. Not only did Piper realize he had more to tell, he had yet to share the most sacred and intimate details of his time in heaven about the people who met him at the gates. "I have never left a speaking engagement without people

wanting to know more," he said in *THE PEOPLE I MET IN HEAVEN*, Piper takes readers deeper into his experience, which includes never-before-told encounters with the people who met him when he arrived in heaven—those who helped him on his journey that led to the entrance to God's heavenly home. Even more, Piper recounts the majesty of heaven and the glorious reunion that awaits us there. He offers practical insights, inspiration, and a challenging call that while we're on earth we need to obey Jesus' command to "go and make disciples of all nations."

The Eyewitness Accounts That Changed How a Pastor Thinks About the Afterlife

The Bible has a way of shocking us. If Americans could still blush, we might blush at the words, "Rejoice in the wife of your youth, a lovely deer, a graceful doe. Let her breasts fill you at all times with delight; be intoxicated always in her love" (Proverbs 5:18-19). But, of course, sin always tries to trash God's gifts. So we can't just celebrate sex for what God made it to be; we have to fight what sin turned it into. The contributors to this unique volume encourage you to do both: celebrate and struggle. This book has something for all—men and women, married and single—from contributors like John Piper, C. J. and Carolyn Mahaney, Mark Dever, Al Mohler, Carolyn McCulley, and others.

Can Christians Trust Tales from Heaven? Yes! Millions have read the testimonies of those who have been to heaven and returned. But what do these stories mean for Christians? How do they fit with what the Bible teaches? What do they say about who goes to heaven? Debate has raged throughout the church about whether we should trust these testimonies, since they don't always align with what we think the Bible teaches.

Reverend John Price, a pastor who has been a pioneer in integrating near-death accounts into ministry, surveys the Bible and Christian doctrines to discover that these firsthand accounts of encounters with God are fully compatible with Christian spirituality. Price began his ministry not believing in heaven. In *Revealing Heaven*, after hearing over two hundred accounts of near-death experiences, Price narrates the stories of those who helped change his mind and now makes a case not only for why Christians can trust near-death accounts but for why we should treat these amazing stories as precious gifts from God.

It is 10 years after the events in *The Diary of Pelly D*. A new life in *The New Frontier* overseas beckons Kat and Tanka, far from the terrible war in the cities, that took their parents. In a beautiful new home, *Cherry Heaven*, where people are building a young, liberal society, without focus on the genetic categorization and discrimination that led to the war. But all too soon Kat and Tanka find that *Cherry Heaven* carries haunting marks of the past. They cannot run from them, and must finally and turn and face them. Again, L. J. Adlington weaves her narrative expertly from two voices, Kat, teenage, light, modern and knowing, the other a disturbed, fragmented narrative from another girl which peels away the surface of the *New Frontier* to expose a different and more disturbing truth. Exploring issues of postwar guilt and redemption, tension and reconciliation, framed in a fast-moving mystery, this has the same engrossing readability and accessibility as *Pelly D*.

Angels are everywhere and work in all of our lives. The supernatural realm of angels is one of fascination since time began. This book is for anyone interested in the supernatural. You will discover wonderful things about angels. Some of the information is from the scriptures and some is from Kat Kerr who has been to heaven thousands of times shares her answers with us about heaven as per my blog interview with her.

Set in a horrifying near-future United States, seventeen-year-old Layla Amin and her parents are forced into an internment camp for Muslim American citizens. With the help of newly made friends also trapped within the internment camp, her boyfriend on the outside, and an unexpected

alliance, Layla begins a journey to fight for freedom, leading a revolution against the camp's Director and his guards. Heart-racing and emotional, Internment challenges readers to fight complicit silence that exists in our society today.

"When people describe my lifestyle or family as weird, I find comfort," writes author Craig Groeschel. Who then shares a Christ-centered philosophy, on everything from money to scheduling to purity, to help you break out of the normal rut and live according to the rhythms of God's grace and truth of his word. Normal people are stressed, overwhelmed, and exhausted. Many of their relationships are, at best, strained and, in most cases, just surviving. Even though we live in one of the most prosperous places on earth, normal is still living paycheck to paycheck and never getting ahead. In our oversexed world, lust, premarital sex, guilt, and shame are far more common than purity, virginity, and a healthy married sex life. And when it comes to God, the majority believe in him, but the teachings of scripture rarely make it into their everyday lives. Simply put, normal isn't working. Groeschel's WEIRD views will help you break free from the norm to lead a radically abnormal (and endlessly more fulfilling) life.

News * The Telegraph * Apple * Library Journal In this newly updated edition of the "meticulous and devastating" (Associated Press) account of violence and espionage that spent months on the New York Times Bestsellers list, Ronan Farrow exposes serial abusers and a cabal of powerful interests hell-bent on covering up the truth, at any cost - from Hollywood to Washington and beyond. In 2017, a routine network television investigation led to a story only whispered about: one of Hollywood's most powerful producers was a predator, protected by fear, wealth, and a conspiracy of silence. As Farrow drew closer to the truth, shadowy operatives, from high-priced lawyers to elite war-hardened spies, mounted a secret campaign of intimidation, threatening his career, following his every move, and weaponizing an account of abuse in his own family. This is the untold story of the exotic tactics of surveillance and intimidation deployed by wealthy and connected men to threaten journalists, evade accountability, and silence victims of abuse. I left home ten years ago, promising myself I'd never return to the place where I had never been accepted. I was despised and ridiculed for circumstances completely beyond my control. But when my grandmother passes away, I'm forced to return to Kansas. I will have to face everyone who hated me. But they're not who I'm most afraid of. My biggest fear? Facing him. Jordan Marx. The boy I once loved more than life itself. The boy who defended me from them. The boy I'd disappeared on, leaving him nothing more than a horrible nasty lie and hastily scribbled note. When Jordan finds out the secret I have carried for so long, I'm in for the battle of my life. Or so I thought. I might have wandered for years on a path riddled with thorns but with Jordan by my side, taking the long road home means more than reuniting with the only man I've ever loved. It might just mean finding myself, and the family I never thought I could ever have along the way.

Continental philosophy has entered a new period of ferment. The long deconstructionist era was followed with a period dominated by Deleuze, which has in turn evolved into a new situation still difficult to define. However, one common thread running through the new brand of continental positions is a renewed attention to materialist and realist options in philosophy. Among the leaders of the established generation, this new focus takes numerous forms. It might be hard to find many shared positions in the writings of Badiou, DeLanda, Laruelle, Latour, Stengers, and i ek, but what is missing from their positions is an obsession with the critique of written texts. All of them elaborate a positive ontology, despite the incompatibility of their results. Meanwhile, the new generation of continental thinkers is pushing these trends still further, as seen in currents ranging from transcendental materialism to the London-based speculative realism movement to new revivals of Derrida. As indicated by the title The Speculative Turn, the new currents of continental philosophy depart from the text-centered hermeneutic models of the past and engage in daring speculations about the nature of reality itself. This anthology assembles authors, of several generations and numerous nationalities, who will be at the centre of debate in continental philosophy for decades to come."

Elias Raven's poetry has been gaining critical acclaim since he came onto the poetry scene a few years ago. His book "The Painted Shadows" has been recognized by many as a work that is both refreshing and challenging at the same time. His poetry is familiar, yet the style is fully his own. The author's meditations on love & loss, life & death, religion & spirituality, his own personal identity, humanity, history & sexuality all form a compelling narrative for the reader as he pushes the absolute limits of his creativity. This poet delves deeply into his past and present taking us all on a very real and personal journey of the spirit as he seeks to articulate his visions with the rest of us. "The poetry of his writing embodies a range of feelings and images that are always unpredictable, yet beautiful and haunting at the same time...His words resonate with the reader and open doorways to the limitless possibilities [whether he] is proposing his own re-interpretation or vision to historical images and text. His words are painful to read at times, the images that come forth bleed from his heart echoing in the interior of his soul, screaming his pain... Still other passages are deeply erotic and mesmerizing, leaving the reader to wonder how much is from this poet's own personal reality. He can look into the night and transcend meaning, his words leave an indelible impression, causing the reader to dive back in again and again looking for hidden meanings and gems among the passages...Elias truly gives space to poetic meaning and initiates further dialogue leaving the reader wanting more and more." KB The assembled guest poets that are in the back of this book of poetry both old and new form a wonderful compliment to this gifted writer's verse. Familiar names from the indie writing community like Ethan Radcliff, Alan Walker & Alexandria Sure along with a slew of new and upcoming poets all form a wonderful framework and introduction to this writer's poetic vision.

A masterpiece of Biblical scope, and the magnum opus of one of America's most enduring authors, in a commemorative hardcover edition In his journal, Nobel Prize winner John Steinbeck called *East of Eden* "the first book," and indeed it has the primordial power and simplicity of myth. Set in the rich farmland of California's Salinas Valley, this sprawling and often brutal novel follows the intertwined destinies of two families—the Trasks and the Hamiltons—whose generations helplessly reenact the fall of Adam and Eve and the poisonous rivalry of Cain and Abel. The masterpiece of Steinbeck's later years, *East of Eden* is a work in which Steinbeck created his most mesmerizing characters and explored his most enduring themes: the mystery of identity, the inexplicability of love, and the murderous consequences of love's absence. Adapted for the 1955 film directed by Elia Kazan introducing James Dean, and read by thousands as the book that brought Oprah's Book Club back, *East of Eden* has remained vitally present in American culture for over half a century.

Ten True Stories of Experiencing Heaven

Hidden Leadership

In Peace Lies Havoc

So this is Heaven! These true stories are your unique, personal opportunities to enjoy a taste of Heaven from here on earth. Heaven Is Beyond Your Wildest Expectations shares the testimonies of ten ordinary people who have been to Heaven—having died and returned, or in a vision or dream. These real-life, modern-day stories inspire faith that, no matter what happens here on earth, all troubles are momentary, light afflictions compared to the glory that awaits you in Heaven. For momentary, light affliction is producing for us an eternal weight of glory far beyond all comparison (2 Corinthians 4:17). When you see God's love permeating all of Heaven and realize that He reaches down to you right where you are, your heart will come to rest in Him—knowing He is watching over you and that His angels will minister to you in every moment of need. When you know that Heaven's splendor and glory is your eternal destiny, you can endure whatever you must while patiently waiting for the day when you will enter Heaven and your eternal joy in the presence of the Lord.

An intense and riveting novel from the critically acclaimed author of Before I Die. If someone hurts your sister and you're any kind of man, you seek revenge. If your brother's accused of a terrible crime but says he didn't do it, you defend him. When Mikey's sister claims a boy assaulted her, his world begins to fall apart. When Ellie's brother is charged with the offense, her world begins to unravel. When Mikey and Ellie meet, two worlds collide. This is a brave and unflinching novel from the bestselling author of Before I Die. It's a book about loyalty and the choices that come with it. But above all, it's a book about love.

Set in modern-day Washington, D.C., Requiem for the Devil depicts the end of the Devil's ten-billion-year career. For the first time in his existence, Lucifer falls in love, and this event threatens to transform his identity and perhaps even his destiny. Gianna O'Keefe is the woman who drags him out of his ancient despair and points him toward possible salvation. Yet Lucifer's path from evil is neither straight nor smooth. Pursuing love means betraying his fellow fallen angels, the loyal friends who once followed him to damnation. Divine and infernal forces seem to conspire against his and Gianna's union. Lucifer's empire crumbles around him as he dares to defy the natural order and question his fate.

The long-awaited final volume of William Manchester's legendary biography of Winston Churchill. Spanning the years of 1940-1965, The Last Lion picks up shortly after Winston Churchill became Prime Minister-when his tiny island nation stood alone against the overwhelming might of Nazi Germany. The Churchill conjured up by William Manchester and Paul Reid is a man of indomitable courage, lightning-fast intellect, and an irresistible will to action. The Last Lion brilliantly recounts how Churchill organized his nation's military response and defense, compelled FDR into supporting America's beleaguered cousins, and personified the "never surrender" ethos that helped the Allies win the war, while at the same time adapting himself and his country to the inevitable shift of world power from the British Empire to the United States. More than twenty years in the making, The Last Lion presents a revelatory and unparalleled portrait of this brilliant, flawed, and dynamic leader. This is popular history at its most stirring.
