A biography of the surgeon who overcame poverty and racism to become chief of pediatric neurosurgery at Johns Hopkins University Hospital.

In 1995, this novel won both the Jomo Kenyatta Literature Prize, and the Commonwealth Writers Prize Best First Book in the Africa Region. Now reprinted, it remains in great demand. An epic story spanning cultures, it tells the lives of three generations of women. It traces the story of Akoko in her rich traditional Luo setting, through to the children who live and die in the 20th century.

The Pillars of Society (or "Pillars of the Community," as the RSC has performed it; original Norwegian title: Samfundets st tter) is an 1877 play written by Norwegian playwright Henrik Ibsen. Ibsen had great trouble with the writing of this play which came before the series of masterpieces which made him famous throughout the world. The ending is the most criticised feature, since Bernick is clearly guilty of attempted murder but gets off unscathed, but successfully illustrates that the rich and powerful are often selfish and corrupt. Ibsen first planned a contemporary drama at the end of 1869 but did not begin the writing until October 1875 (in Munich), completing it in the summer of 1877. It was first published on 11 October of that year in Copenhagen, with the first stagings following on 14 November at the Odense Teater and on 18 November at the Royal Danish Theatre in Copenhagen. The first performance in Norway was at Den Nationale Scene in Bergen on 30 November. By this date, the play had been translated into German, in which it was immediately well received. In December 1880 in London it became the first of any of Ibsen's plays to be performed in English (under the title Quicksands).

Recommends a method of achieving success by hard work in a Christian context, and shows how it worked in the author's own rise from poverty to become a neurosurgeon.

Betrayal in the City, first published in 1976 and 1977, was Kenya's national entry to the Second World Black and African Festival of Arts and Culture in Lagos, Nigeria. The play is an incisive, thought-provoking examination of the problems of independence and freedom in post-colonial African states, where a sizeable number of people feel that their future is either blank or bleak. In the words of Mosese, one of the characters: "It was better while we waited. Now we have nothing to look forward to. We have killed our past and are busy killing our future."--Page 4 of cover.

The sequel to *The River and the Source*, which won the Jomo Kenyatta Prize for Literature, and the Commonwealth Writers' Prize for the Best First Book, Africa Region in 1995. In this novel, Ogola tells of the lives of AIDS' orphans Lisa, Johnny and Alicia, and how they are guided to adulthood by their aunt Wandia, an intellectual and independent woman. The author weaves her narrative around the aspirations of her characters and how they develop to find a place in Luo/Kenyan society. A place they seek at the dawn of the twenty-first century, when Kenya is emerging from decades of corruption and deterioration; and in an environment of contradiction and mixed messages, where values and attitudes are continuously being re- examined.

As the weeklong Taungbyon Festival draws near, thousands of villagers from all regions of Burma descend upon a tiny hamlet near Mandalay to pay respect to the spirits, known as nats, which are central to Burmese tradition. At the heart of these festivities is Daisy Bond, a gay, transvestite spiritual medium in his fifties. With his sharp tongue and vivid performances, he has long been revered as one of the festival's most illustrious natkadaws. At his side is Min Min, his young assistant and lover, who endures unyielding taunts and abuse from his fiery boss. But when a young beggar girl named Pan Nyo threatens to steal Min Min's heart, the outrageous Daisy finds himself face-to-face with his worst fears. Written in lyrical, intoxicating prose, *Smile as They Bow* is, like the works of Arundhati Roy and Ha Jin, an unexpectedly whimsical, illuminating, and above all revealing portrayal of a culture few Westerners have ever witnessed. Over the past twenty years, Nu Nu Yi has become one of Burma's most acclaimed authors--and in 2007, she became the first person living in Burma to be nominated for an international literary award. *Smile as They Bow* was censored for more than twelve years by the Burmese government. It is fitting, then, that this is her American debut.

Chris, Ikem and Beatrice are three like-minded friends working under the military regime of His Excellency, the Sandhurst-educated President of Kangan. In the pressurized atmosphere of oppression and intimidation they are simply trying to live and love -- and remain friends. But in a world where each day brings a new betrayal, hope is hard to cling on to.

From the renowned author of *The African Trilogy*, a political satire about an unnamed African country navigating a path between violence and corruption As Minister for Culture, former school teacher M. A. Nanga is a man of the people, as cynical as he is charming, and a roguish opportunist. When Odili, an idealistic young teacher, visits his former instructor at the ministry, the division between them is vast. But in the eat-and-let-eat atmosphere, Odili's idealism soon collides with his lusts--and the two men's personal and political tauntings threaten to send their country into chaos. When Odili launches a vicious campaign against his former mentor for the same seat in an election, their mutual animosity drives the country to revolution. Published, prophetically, just days before Nigeria's first attempted coup in 1966, *A Man of the People* is an essential part of Achebe's body of work.

A new edition of her classic novel to coincide with the publication of her other works in the African Writers Series. Nnu Ego is a woman devoted to her children, giving them all her energy, all her worldly possessions, indeed, all her life to them -- with the result that she finds herself friendless and alone in middle age. This story of a young mother's struggles in 1950s Lagos is a powerful commentary on polygamy, patriarchy, and women's changing roles in urban Nigeria.

The late 1690 and early 70s may be remembered as the years of the great bank and other armed robberies in Kenya. This is the true story of one of the participants in some of those robberies, John Kiriamiti. In raw and candid language, Kiriamiti tells the story of how he dropped out of secondary school when he was only fifteen years old, and for a time became a novice pickpocket, before graduating into crimes like car-breaking and ultimately into violent robbery. This spell-binding story takes the reader into the underworld of crime, and it depicts graphically the criminal 's struggle for survival against the forces of law. John Kiriamiti was imprisoned on 6 January 1971, after being convicted on a charge of committing robbery at Naivasha on 4 November 1970. Kiriamiti left Naivasha Maximum Security Prison in August 1984, just five months after the publication of this novel and those following which were a sensation with Kenyan youth in the late 1980s and '90s.

*From out of nowhere stood two identically clad women with guns drawn ready to do battle. Their cold dark eyes were frightening! The puffed up toad sitting on the exhausted horse was terrified. "Step down from that glue-bag again Mr.," Lizzie stated fearlessly, "and my sister will put a bullet right through the middle of that sagging gut!""Now git before we change our minds!" Liza added as the troop of trouble makers galloped toward town."I'll be back with the law!" the heavy set man yowled."On Baxter land," they shouted in unison, "we are the law!"*

The poems of the fourteenth-century Kashmiri mystic Lal Ded, popularly known as Lalla, strike us like brief and blinding bursts of light. Emotionally rich yet philosophically precise, sumptuously enigmatic yet crisply structured, these poems are as sensuously evocative as they are charged with an ecstatic devotion. Stripping away a century of Victorian-inflected translations and paraphrases, and restoring the jagged, colloquial power of Lalla's voice, in Ranjit Hoskote's new translation these poems are glorious manifestos of illumination.

In his last play published posthumously the late Francis Imbuga presents the dramatic dialogue of his characters as mind games. In addition to using a narrator, Sikia Macho, to fill us in on the broken politics of Kafira, centring around detention without trial, Imbuga deliberately delays the inciting action, the formation of the Green Party of Kafira which then challenges the hitherto political monolith called the National Party. The candidate of the new party, former detainee Pastor Mgei, wins the election, and thereby dethrones the so-called Chief of Chiefs. In *The Green Cross of Kafira*, Imbuga, with a renewed sense of urgency, addresses the theme of dictatorship in Africa, and completes his trilogy of the Kafira plays which begins with *Betrayal in the city* followed by *Man of Kafira*.

#1 New York Times bestselling author Nora Roberts presents *Legacy*, a new novel of a mother and a daughter, of ambition and romance, and of a traumatic past reawakened by a terrifying threat... Adrian Rizzo was seven when she met her father for the first time. That was the day he nearly killed her—before her mother, Lina, stepped in. Soon after, Adrian was dropped off at her grandparents' house in Maryland, where she spent a long summer drinking lemonade, playing with dogs, making a new best friend—and developing the stirrings of a crush on her friend's ten-year-old brother. Lina, meanwhile, traveled the country promoting her fitness brand and turning it into a billion-dollar business. There was no point in dwelling on the past. A decade later, Adrian has created her own line of yoga and workout videos, following in Lina's footsteps but intent on maintaining creative control. And she's just as cool-headed and ambitious as her mother. They aren't close, but they're cordial—as long as neither crosses the other. But while Lina dismisses the death threats that Adrian starts getting as a routine part of her daughter's growing celebrity, Adrian can't help but find the vicious rhymes unsettling. Year after year, they keep arriving—the postmarks changing, but the menacing tone the same. They continue after she returns to Maryland and becomes reacquainted with Raylan, her childhood crush, all grown up and as gorgeously green-eyed as ever. Sometimes it even seems like the terrifying messages are indeed routine, like nothing will come of them. Until the murders start, and the escalation begins...

New York Times and USA Today bestseller! New York Times bestselling author Maureen Johnson delivers the witty and pulse-pounding conclusion to the Truly Devious series as Stevie Bell solves the mystery that has haunted Ellingham Academy for over 75 years. Ellingham Academy must be cursed. Three people are now dead. One, a victim of either a prank gone wrong or a murder. Another, dead by misadventure. And now, an accident in Burlington has claimed another life. All three in the wrong place at the wrong time. All at the exact moment of Stevie's greatest triumph . . . She knows who Truly Devious is. She's solved it. The greatest case of the century. At least, she thinks she has. With this latest tragedy, it's hard to concentrate on the past. Not only has someone died in town, but David disappeared of his own free will and is up to something. Stevie is sure that somehow—somehow—all these things connect. The three deaths in the present. The deaths in the past. The missing Alice Ellingham and the missing David Eastman. Somewhere in this place of riddles and puzzles there must be answers. Then another accident occurs as a massive storm heads toward Vermont. This is too much for the parents and administrators. Ellingham Academy is evacuated. Obviously, it's time for Stevie to do something stupid. It's time to stay on the mountain and face the storm—and a murderer. In the tantalizing finale to the Truly Devious trilogy, New York Times bestselling author Maureen Johnson expertly tangles her dual narrative threads and ignites an explosive end for all who've walked through Ellingham Academy. *Brecht projects an ancient Chinese story onto a realistic setting in Soviet Georgia. In a theme that echoes the Judgment of Solomon, two women argue over the possession of a child. Thanks to the unruly judge, Azdak (one of Brecht's most vivid creations) natural justice is done and the peasant Grusha keeps the child she loves, even though she is not its mother. Written while Brecht was in exile in the United States during the Second World War, The Caucasian Chalk Circle is a politically charged, much-revived and complex example of Brecht's epic theatre. This new Student Edition contains introductory commentary and notes by Kristopher Imbriggota from the University of Puget Sound, US, offering a much-needed contemporary perspective on the play. The introduction covers: - narrative structure: play about a play within a play ("circle") - songs and music - justice and social systems - context: Brecht, exile, WWII, socialism - notions of collective and class - fable and story adaptation, folk fairy tale*
