The following year

this voyage, the

and the fall of shot

never expected
crews to pay,
covering all the
costs of his
voyages
personally. He
therefore held the
quite reasonable
view that his crew
would pull their

loyalty to the ship

and take the rough

with the smooth.

Sadly, the crew in
1976 fell far short
of that expectation,

obliging Tilman to

leave Baroque in

Iceland. Not for the
