Striped bass - in fresh and salt water - are one of the world's greatest gamefish, and The Complete Book of Striped Bass Fishing is the fullest, most authoritative, most helpful book ever written on the species. Nick Karas, one of the world's great experts on the striped bass, offers proven techniques for more successful fishing. He details fishing from the surf; from boats; from bank, pier, jetty, and bridge - with all kinds of tackle and methods. And he takes an especially careful look at the growing popularity of fly rodding for stripers, fishing at night, and even how to catch striped bass in fresh water. An entire section of the book is devoted to tackle - where he takes a thorough look at the best rods, reels, lines, hooks, live and natural baits, artificial lures, accessory equipment of all kinds, bass boats, and the most innovative and practical beach vehicles. The Complete Book of Striped Bass Fishing offers a comprehensive look at every aspect of the striped bass, making it a book that no one who fishes for this great gamefish will want to be without, and the essential book for all striped-bass enthusiasts. Skyhorse Publishing is proud to publish a broad range of books for fishermen. Our books for anglers include titles that focus on fly fishing, bait fishing, fly-casting, spin

casting, deep sea fishing, and surf fishing. Our books offer both practical advice on tackle, techniques, knots, and more, as well as lyrical prose on fishing for bass, trout, salmon, crappie, baitfish, catfish, and more. While not every title we publish becomes a New York Times bestseller or a national bestseller, we are committed to publishing books on subjects that are sometimes overlooked by other publishers and to authors whose work might not otherwise find a home.

Make your next fishing trip the best yet with this expert guide to everything the modern fisherman needs to know. When it comes to fishing, nobody knows more than the writers and editors at Field & Stream magazine—unless it's the local guides, prizewinners, and other experts they interviewed for this book. The Total Fishing Manual is chock full of 318 field-tested tools, techniques and tactics, collected and written by the Field & Stream editors and accompanied by amazing photos and handy illustrations. **GEAR UP** How to pick the best lures, baits, flies, and tackle for every situation and every style of water you plan to fish. Customize your rod and reel to suit your every need. Learn how to customize your gear, get the most out of your boat, and more. **HIT THE WATER** From small streams to major rivers, ponds to big lakes, and bays to the open ocean, hundreds of field-tested strategies will help you catch more fish with or without a boat. **FIND THE FISH** Professional fishing guides from across the country tell you how and where to find lunker bass, trophy walleyes, huge trout, and much more right in your home waters. **SET THE HOOK** Whether you're bobber fishing for bluegills with the kids or heading out after the muskie of a lifetime, the techniques and tactics in this book will make your trip a success.

Considered the Bible of rod building Essential guide for fishermen making their own rods Especially useful for the experienced custom builder Have you ever wondered what it would feel like to have a rod that feels like a part of you and not just a tool? Have you ever wanted to make your own fishing rod that rivals those in stores? If you answered "yes" to either question, this book is absolutely for you. Dale P. Clemens encourages all fishermen to have a rod that is specifically customized for his or her style.

Advanced Custom Rod Building is the guide you need to make your own. This guide highlights the key points needed to make tackle that is better than anything that could be bought in a store. It also includes clear illustrations, figures, and tables to help the experienced custom builder. Clemens shares techniques for building rods used in all conditions, whether light freshwater or heavy surf. Thanks to this book, building your own custom rod that will be beautiful and durable isn't a mystery. Skyhorse Publishing is proud to publish a broad range of books for fishermen. Our books for anglers include titles that focus on fly fishing, bait fishing, fly-casting, spin casting, deep sea fishing, and surf fishing.
