dusty drawers, half-finished and abandoned to be eaten by moths. Many of them are great writers, many of them have great ideas. Yet so many people come to the conclusion that they'll never finish their books. Why? Because they

aren't following a proven system. Maybe this is you right now. Maybe you believe that you're not good enough, that you'll never have enough time, or that it's a terrible book idea. You wonder how on earth other people manage to find
