Three adolescent boys with a single goal: see a real live naked girl. The result? Razor-sharp, rapid-fire, and raunchy, of course. And beyond hilarious. Fifteen-year-old Matt Gratton and his two best friends, Coop and Sean, always set themselves a summertime goal. This year's? To see a real-live naked girl for the first time -- quite a challenge, given that none of the guys has the nerve to even ask a girl out on a date. But catching a girl in the buff starts to look easy compared to Matt's other summertime aspiration: to swim the 100-yard butterfly (the hardest stroke known to God or man) as a way to impress Kelly West, the sizzling new star of the swim team. In the spirit of Hollywood's blockbuster comedies, screenwriter-turned-YA-novelist Don Calame unleashes a true ode to the adolescent male: characters who are side-splittingly funny, sometimes crude, yet always full of heart.

She never meant for it to happen. . . . For Chicago Thomas, aka Windy, it was an offer too good to refuse: the chance to head the forensics lab at the Las Vegas Police Department. With her six-year-old daughter in tow, Windy moves to Sin City hoping to start over with a loving fiancé—far from the sad memories of a first marriage that ended in tragedy. But the job of her dreams is about to take a nightmarish turn. She wanted to be a good girl. . . . Though the first murders appear to be random, they are savage in their intensity: an entire family, butchered in their own home. Only a few days later, another family meets the same grisly fate. To Ash Leighton, the enigmatic chief of the Metro Violent Crime Unit, the signs are clear: a serial killer is stalking Las Vegas. But she just couldn't help herself. . . . In a breathless race against time, the lines between good and bad, right and wrong, begin to blur, and Windy and Ash find themselves irresistibly drawn to each other. In a town where nothing is what it seems, only the evidence doesn't lie. And Windy may have to pay for the truth with her life. Sometimes being good is dangerous.

New York Times bestselling author Carol Edgarian delivers “an all-encompassing and enthralling” (Oprah Daily) novel featuring an unforgettable heroine coming of age in the aftermath of catastrophe, and her quest for love and reinvention. Meet Vera Johnson, fifteen-year-old illegitimate daughter of Rose, notorious proprietor of San Francisco’s most legendary bordello. Vera has grown up straddling two worlds—the madam’s alluring sphere, replete with tickets to the opera, surly henchmen, and scant morality, and the quiet domestic life of the family paid to raise her. On the morning of the great quake, Vera’s worlds collide. As the city burns and looters vie with the injured, orphaned, and starving, Vera and her guileless sister, Pie, are cast adrift. Disregarding societal norms and prejudices, Vera begins to imagine a new kind of life. She collaborates with Tan, her former rival, and forges an unlikely family of survivors, navigating through the disaster together. “A character-driven novel about family, power, and loyalty, (San Francisco Chronicle), Vera brings to life legendary characters—tenor Enrico Caruso, indicted mayor Eugene Schmitz and boss Abe Ruef, tabloid celebrity Alma Spreckels. This “brilliantly conceived and beautifully realized” (Booklist, starred review) tale of improbable outcomes and alliances takes hold from the first page, with remarkable scenes of devastation, renewal, and joy. Vera celebrates the audacious fortitude of its young heroine, who discovers an unexpected strength in unprecedented times.

But when Ashley finds himself stranded with Mather and unearths the horrific truth behind the collector's past, he is thrown headlong into a macabre nightmare that quickly spirals out of control. Ashley's life is in danger. . . . And Mather is not the only enemy. . . . A Romeo & Juliet tale for Hamilton! fans. In post-American Revolution New York City, Theodosia Burr, a scholar with the skills of a socialite, is all about charming the right people on behalf of her father—Senator Aaron Burr, who is determined to win the office of president in the pivotal election of 1800.

Meanwhile, Philip Hamilton, the rakish son of Alexander Hamilton, is all about being charming on behalf of his libido. When the two first meet, it seems the ongoing feud between their politically opposed fathers may be hereditary. But soon, Theodosia and Philip must choose between love and family, desire and loyalty, and preserving the legacy their flawed fathers fought for or creating their own. Love, Theodosia is a smart, funny, swoony take on a fiercely intelligent woman with feminist ideas ahead of her time who has long-deserved center stage. A refreshing spin on the Hamiltonian era and the characters we have grown to know and love. It’s also a heartbreaking romance of two star-crossed lovers, an achingly bittersweet “what if.” Despite their fathers’ bitter rivalry, Theodosia and Philip are drawn to each other and, in what unrolls like a Jane Austen novel of manners, we find ourselves entangled in the world of Hamilton and Burr once again as these heirs of famous enemies are driven together despite every reason not to be.
