With no choice but to stay in town until itŐs safe to go back to the ranch, Tory feels as out of place as ever, and her worry for LuckyŐs safety makes matters worse. Like Tory, Lucky is a survivor. He escapes from the fire into the woods, where he faces hardship and danger, from lack of water to a brush with a pack of hungry wolves. Will pony and girl find each other again? Kindred spirits, neither of them will stop until they find a way home, wherever that may be.

Discovering that his soon-to-be-born first offspring, a soonchild, cannot hear the World Songs from her mother's womb, Sixteen-Face John, an Arctic Circle shaman, embarks on a fantastical journey to different eras and in the forms of animals and demons to find the songs that will inspire the soonchild's birth.

Who but Russell Hoban could weave a tale of life's pleasures and pain around a candy pig? And who but Quentin Blake could make the most poignant of stories so lighthearted and delightful? In this episodic picture book by an inimitable author-illustrator duo, a fantastic chain of events is triggered by the unacknowledged fall of a marzipan pig behind the sofa. We meet in quick succession a heartsick mouse, a lonely grandfather clock, an owl in love with a taxi meter, a worker bee, a fading hibiscus flower, a mouse who greets the dawn dancing, and finally a boy who guesses at the true relations between things. Appealing to the unsentimental yet sensitive nature of children, The Marzipan Pig is exquisitely attuned to the bittersweet wonder of life and to the sentience of all beings.

There was a sign on Rosie's door that said, "If you want to know a secret, knock three times." Kathy, Rosie's good friend, knocked three times and learned the secret-that Rosie was no longer Rosie, but Alinda, the lovely lady singer. Adventures with Alinda were fun for Kathy and Sal and Pudgy and Dolly. Even Lenny, who occasionally didn't believe in Alinda, was delighted by the Fourth of July celebration that Alinda, with the help of the Magic Man, held. At the end of the celebration, Alinda was gone forever, and Rosie had returned, but she soon found something else nice to be. Maurice Sendak, the well-known artist and author-illustrator of Kenny's Window and Very Far Away, has written a story of real children, playing as only children know how. Young readers will wish that Alinda lived next door to them.
