Rural Society

Rural Sociology in a
Changing Urbanized
Society

China's agriculture and rural society has undergone rapid changes in recent years. Many poorer farmers and younger people have moved to cities,

Read Free Rural Sociology And Rural Social Work

and yet China has an immense challenge to feed a growing and more affluent population. This book provides a 'bottom-up view' of China's agriculture, showing how the many millions of Chinese peasants make a living. It presents a vivid description of the mechanisms used by

Read Free Rural Sociology And Rural Social Work

rural households to defend and sustain their livelihoods, increase their agricultural production and improve the quality of their lives. The authors examine the newly emerging trajectories of entrepreneurial and capitalist farming and assess whether such alternatives will be able to meet the enormous

Read Free Rural Sociology And Rural Social Work An Historical

social, economic and environmental challenges that China faces. The book also explores the paradigm that has underpinned the organisation and development of China's agriculture from ancient times to the present day. This shows the importance of balancing in the Chinese model as compared to the one-

Read Free Rural Sociology And Rural Social Work An Historical Essay

sided imposition of continual modernization in the western model. It is argued that such balancing is at the core of the current Sannong policy, referring to the three ruralities of food sovereignty, wellbeing for peasant households and an attractive countryside.

Includes sections "Current bulletins" and

Read Free Rural Sociology And Rural Social Work An Historical Essays

"Book reviews".

Foot and mouth disease and BSE have both had a devastating impact on rural society. Alongside these devastating developments, the rise of the organic food movement has helped to revitalize an already politicized rural population. From fox-hunting to farming, the vigour with which rural

Read Free Rural Sociology And Rural Social Work

activities and living are defended overturns received notions of a sleepy and complacent countryside. Over the years "rural life" has been defined, redefined and eventually fallen out of fashion as a sociological concept--in contrast to urban studies, which has flourished. This much-needed reappraisal calls

Read Free Rural Sociology And Rural Social Work An Historical Essay

for its reinterpretation in light of the profound changes affecting the countryside. First providing an overview of rural sociology, Hillyard goes on to offer contemporary case studies that clearly demonstrate the need for a reinvigorated rural sociology. Tackling a range of contentious issues--from fox-
