"Take full advantage of the most essential woodworking power tool. If there's one tool that no workshop should be without, it's the band saw. It's used to crosscut, rip, create a variety of woodworking joints, and more. Rick Peters helps you select and accessorize your band saw, describes the basic and advanced techniques it's capable of, explains how to make jigs and fixtures, and shows how to maintain your saw. There are also several great projects to test your, skills" -- back cover.

You can make the furniture you want at a fraction of the price of store-bought furniture. Not only will you save tons of money, but you'll also make environmentally sustainable pieces that are solidly built, using real materials like metal, wood, concrete, and other recycled ready-mades. The projects in this book don't require special skills, prior experience, or even a garage full of tools. You'll be walked step-by-step through the process of making furniture, from where to buy the materials (or where to scavenge) to how to make the most of the tools you own.
