IES SAT test prep books are designed to follow a compact format yet offer the student test taker a wealth of advice and practice material. This discipline-specific New SAT book features five full Reading and Writing practice tests, along with answer explanations that show students how to deal with the nuances and intricacies of the New SAT. Starting in 2016, students all across America will take a dramatically redesigned version of the SAT. While the test will still address the essentials of grammar and reading comprehension, the format will be completely transformed new pacing, new question types, and new required skillsets. To excel, you will need consistent practice with supremely accurate material. Yet books that offer such material are in short supply, as most test prep companies scramble to adapt to a rapidly evolving SAT market. Created by the world-class editors and educators of Integrated Educational Services, this collection of five Verbal Tests for the New SAT fulfills the needs of students as no other volume can. Test takers who are ready to move above and beyond the already-released College Board tests or even those who are just starting out will find much to learn in this efficient volume. Discover Reading and Grammar sections that match the official SAT in design and difficulty. Then, use self-assessments, scaled scores, and the most insightful answer explanations on the market to gauge your performance. This book extends the history of success that we at IES have built over the past fifteen years have guided thousands of students to high 2300s and perfect 2400 scores. Now, we are more than ready for a new era in SAT
