*In this World Fantasy Award-winning novel of magic and kungfu, four siblings battle rival clans for honor and power in an Asia-inspired fantasy metropolis. \*Named one of TIME's Top 100 Fantasy Books Of All Time ?\* World Fantasy Award for Best Novel, winner Jade is the lifeblood of the island of Kekon. It has been mined, traded, stolen, and killed for -- and for centuries, honorable Green Bone warriors like the Kaul family have used it to enhance their magical abilities and defend the island from foreign invasion. Now, the war is over and a new generation of Kauls vies for control of Kekon's bustling capital city. They care about nothing but protecting their own, cornering the jade market, and defending the districts under their protection. Ancient tradition has little place in this rapidly changing nation. When a powerful new drug emerges that lets anyone -- even foreigners -- wield jade, the simmering tension between the Kauls and the rival Ayt family erupts into open violence. The outcome of this clan war will determine the fate of all Green Bones -- and of Kekon itself. Praise for Jade City: "An epic drama reminiscent of the best classic Hong Kong gangster films but set in a fantasy metropolis so gritty and well-imagined that you'll forget you're reading a book." --Ken Liu, Hugo, Nebula, and World Fantasy Award-winning author "A beautifully realized setting, a great cast of characters, and dramatic action scenes. What a fun, gripping read!" --Ann Leckie, Hugo, Nebula, and Arthur C. Clarke Award-winning author "An instantly absorbing tale of blood, honor, family and magic, spiced with unexpectedly tender character beats." --NPR The Green Bone Saga Jade City Jade War Jade Legacy London is a powder keg... and Eliza Braxton is the match. There, she uses her remarkable powers of persuasion to keep Elder Hallewell's rebellious daughter in the path to an arranged match of power and prosperity. Eliza has never questioned her loyalty... until now. Currents of discontent are rolling beneath the city's surface, and Eliza's comfortable existence is about to be caught up in the tide. A resistance is building, a resistance that covets Eliza's talents above all else. But can Eliza betray everything she's ever known for things she never dared to dream? What the Lady's Maid Knew is the first thrilling installment in E.E. Holmes' new series The Riftmagic Saga. New Job. New Faces. New Challenges. The Echoes of Fate have been heard. After a thousand years, the prophecy has almost come to pass...The final days of hope have come and gone. The kingdoms of Illian stand on the edge of ruin, threatened by the armies of Valanis. As evil spreads across the land, too few are left to hold the line. A world away, the children of fire and flame may be the only hope for the realm. But the dragons have been defeated before, and Verda's future now hangs in the balance. Reeling from their losses, Asher and his companions journey north, trying to outrun the savage Darkakin. A confrontation awaits the ranger, but even with Paldora's gem, he dare not challenge Valanis yet. The days of the Dragorn have come again, and with them, a relic of the gods has been brought into the light. The knowledge of Verda's true history weighs on Gideon Thorn, and he would see the world rid of the evil that has cursed it for so long. Amid such calamity, even the gods can feel a great change coming, and a new age dawning. Whether it be light or the dark that finds victory, one soul will suffer the burden of destiny for all...*

When Fleur, a vibrant and impetuous young woman, catches the eye of warm-hearted and idealistic Jon Forsyte at a chance meeting, it seems fate is determined to torture them all with the hurts of the past... Perfect for longtime fans and new readers alike—this eBook collection includes the first three novels in Frank Herbert’s Dune saga: DUNE, DUNE MESSIAH, and CHILDREN OF DUNE DUNE IS NOW A MAJOR MOTION PICTURE directed by Denis Villeneuve, starring

Timothée Chalamet, Zendaya, Jason Momoa, Rebecca Ferguson, Oscar Isaac, Josh Brolin, Stellan Skarsgård, Dave Bautista, David Dastmalchian, Stephen McKinley Henderson, Chang Chen, Sharon Duncan-Brewster, Charlotte Rampling, and Javier Bardem. In the far future, on a remote planet, an epic adventure awaits. Here are the first three novels of Frank Herbert’s magnificent Dune saga—a triumph of the imagination and one of the bestselling science fiction series of all time. The Dune Saga begins on the desert planet Arrakis with the story of the boy Paul Atreides—who would become known as Muad'Dib—and of a great family’s ambition to bring to fruition humankind’s most ancient and unattainable dream....

Accacia finally returns to the Continent with the Asquithians under her command. It may be the extra leverage they need to overthrow Drake, the worst dictator in their history and the man who tortured Accacia mercilessly for years. But she feels uneasy. She fears Aleco more than she fears anything. How will she tell him the truth? That she no longer belongs to him. And will he accept that decision?

Gender, Violence, and the Past in Edda and Saga is the first book to investigate both the relation between gender and violence in the Old Norse Poetic Edda and key family and contemporary sagas, and the interrelated nature of these genres. Beginning with an analysis of eddaic attitudes to heroic violence and its gendered nature through the figures of Guðrún and Helgi, the study broadens out to the whole poetic compilation and how the past (and particularly the mythological past) inflects the heroic present. This paves the way for a consideration of the comparable relationship between the heroic poems themselves and later reworkings of them or allusions to them in the family and contemporary sagas. The book's thematic concentration on gender/sexuality and violence, and its generic concentration on Poetic Edda and later texts which rework or allude to it, enable a diverse but coherent exploration of both key and neglected Norse texts and the way in which their authors display a dual fascination with and rejection of heroic vengeance.
