**hurting hearts. Too many
secrets. One chance to
conquer their fears. Over the
past year, Travis Coleman lost
the two people he allowed
closest to his heart. Both gave
him ultimatums—then left.
Hell if he needs that kind of
pain again. Time to move
forward without the friends he
thought might save him from
his dangerous cravings. When
Ashley Sims returns to Rocky
Mountain House, her
rambling lifestyle isn't all
she's hoping to change. Travis
snagged a piece of her, and
while getting tangled in his
issues again might be crazy,
she hasn't given up on him.**

Nine months ago, Cassidy Jones walked away to stop his best friend from making a huge mistake. Temptation lingers, though, and when Travis shows up on his turf accompanied by a sensually uninhibited woman, the combination tosses fuel on the banked fire. Passion flares among the three of them, as hot as the summer days. But are they willing to push the limits, and fight for love? Warning: Dirty fighting, dirty talk, dirtier sex—secrets are coming out. Get ready for ménage a trois and cowboy-on-cowboy action, with ropes and crops and the kind of relentless love strong enough to set a man free. Keywords:

Dissident

Stephenie Meyer's Twilight saga has maintained a tight grip on the contemporary cultural imagination.

This timely and critical work examines how the Twilight series offers addictively appealing messages about love, romance, sex, beauty and body image, and how these charged themes interact with cultural issues regarding race, class, gender and sexuality.

Through a careful analysis of the texts, the fandom and the current socio-historical climate, this work argues that the success of the Twilight series stems chiefly from Meyer's negotiation of cultural mores.

This special anniversary edition includes a new introduction and commentary by author Gary Paulsen, pen-and-ink illustrations by Drew Willis, and a water resistant cover. Thirteen-year-old Brian Robeson, haunted by his secret

knowledge of his mother's infidelity, is traveling by single-engine plane to visit his father for the first time since the divorce. When the plane crashes, killing the pilot, the sole survivor is Brian. He is alone in the Canadian wilderness with nothing but his clothing, a tattered windbreaker, and the hatchet his mother had given him as a present. At first consumed by despair and self-pity, Brian slowly learns survival skills—how to make a shelter for himself, how to hunt and fish and forage for food, how to make a fire—and even finds the courage to start over from scratch when a tornado ravages his campsite. When Brian is finally rescued after fifty-four days in the wild, he emerges from his ordeal with new patience and maturity, and a

Jesse's got a ton of family to reconnect with, including his estranged twin.
