**The Conclusion of the New Testament**

Believers know that when we die we enter heaven and will spend eternity there with God and the saints who have gone before us. But what actually happens in heaven? What are we going to be doing there? Won't it get boring at some point? According to Scripture, a large part of our experience of heaven will be a continual revealing of God's glory. Not just his glory in the moment, but during all of time. The mysteries of providence, the hidden movements of God throughout history, and the forgotten and unnoted works of even the most obscure of God's people will be unveiled so that we can see how wise, loving, gracious, and powerful our God is. And though we will experience perfection in heaven, we will never be omniscient, which means we will always be learning more about God's glory, inspiring us to return joyful praise and thanksgiving. If your vision of heaven has been limited to clouds and harps and angels, it's time to expand that view with the truth found in this biblically based look at the afterlife.

This book is all about learning to live your life to the edification of the body of Christ and the glory of God. In this book, I share with the reader how I learned to live in God's glory as a homemaker, and Christian writer. I share,

how I overcame my failures, as a secondary school teacher, and learned to appreciate my gifts and talents for writing about the world and things around me. It is a book done with love for all believers. It is a Christian testimony and letter that all Christian mothers will be able to relate to. This book is dedicated to all Christian wives, mothers, and homemakers. It is a great book to add to your collection of Christian books for Homemakers and house wives.

The Saints Everlasting Rest, Or a Treatise of the Blessed State of the Saints in Their Enjoyment of God in Glory

Or, a Treatise of the Blessed State of the Saints, in Their Enjoyment of God in Glory: ... Written by the Author for His Own Use ... By Richard Baxter ...

Unleash the Power of God's Glory in Your Life

*Excerpt from The Saints' Everlasting Rest, or a Treatise of the Blessed State of the Saints in Their Enjoyment of God in Glory: In Four Parts, Wherein Is Showed Its Excellency and Certainty; The Misery of Those That Lose It; The Way to Attain It; Assurance of It; And How to Live in the Continual, Delightful Foretastes of It, by the Help of Meditation The treatise lengthened far beyond the author's original intention. Of the four parts in which it is comprised,*

*he designed at the commencement only the first and last, - the last principally, being, from the nature Of its contents - directions for the getting and keeping of the heart in heaven - most adapted to sweeten the rest of his life and his death. It would have been a difficult matter for him, however, to compose a sermon, or to produce a work, in which he contemplated nothing more than to edify and console. T O convince and convert, to reprove gainsayers, and to rescue souls from the everlasting burnings, were the objects in the pur suit of which above all others he might be said to live, and move, and have his being. Accordingly he added the second part, to evince the certainty of the rest, and that the Scripture, upon whose promises the hope of it is grounded, is the perfect infallible word and law of God and the third, containing a number of most pungent appeals to the sinner to move from his death in trespasses and sins, and lay hold on the glorious hope, and to the people of God, to persuade hem to the great duty of helping to save their brethren's souls. *The classic text of Christian reverence by Richard Baxter is presented to the reader unabridged with all sixteen chapters, and the conclusion. Written by Baxter as he lay suffering from a serious illness, *The Saints' Everlasting Rest* may be interpreted both as a final correspondence between the author and God, and as a message from Baxter who sought to give a pure example of devotion to all Christians. He endured much persecution in life, and was on multiple occasions incarcerated for his beliefs. As a leading figure in the Puritan movement of the 17th century, Richard Baxter spent his life teaching the Christian faith. A reformer who sought to install rigor and observance of faith in the Church of England, Baxter's sudden and unexpected descent to illness steeled him with the devotion to write this book. He had hitherto spent his life as a preacher with some proclivity to writing: his illness however instilled an urgency which accelerated his written output in service of God.*

We are presently on the edge of a Great Awakening that will usher in the greatest Harvest the Church has yet seen. God is mobilizing His people to now go out into the fields to work with the Lord of the Harvest. The mandate on this generation of saints is weighty, as they are the army chosen to execute the Divine campaign to usher in the Lord's re-entry to planet earth! This generation will be armed with Power to withstand the demonic assaults that will characterize the Day of the LORD; they will therefore be required to walk in the righteous character of the Lord, clothed in the armor of God's Glory! These saints of God will be joined to the Lord in a Holy Union not observed since the first disciples! It is therefore vital that God has a generation prepared and positioned with Divine revelation and understanding of the Call on this notable hour of His-story; a generation that will be equipped to begin to move out in strength, courage, and boldness to do exploits and advance the Kingdom of God on earth! God is seeking saints who are like minded with Christ and united with Him in His Purposes! In John 4:34 Jesus said to them, "My food is to do the will of Him who sent Me, and to finish His

work." Let us be about His work. Jesus is a Man of war, and we are in a state of war! The Conqueror is now going forward and those riding with Him follow! God is seeking saints who are like minded with Christ and united with Him in His Purposes! In John 4:34 Jesus said to them, "My food is to do the will of Him who sent Me, and to finish His work." Let us be about His work. Jesus is a Man of war, and we are in a state of war! The Conqueror is now going forward and those riding with Him follow!

Now, this much beloved hymn is whimsically illustrated by a renowned children's book artist. In charming rhyme, the lives of various saints, like Joan of Arc, are acted out by a mischievous children's choir. Young readers will be delighted by the full-color drawings and by the message that all God's children are His "saints". Brief biographies of the saints appear at the end.

We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works. In Psalms 63:2, King David's prayer was to see God's glory and power as he had seen the Lord in the sanctuary. He was not alone in wishing to witness this wondrous event, and we, too, can become a part of God's glory. Deeply uplifting, *Beyond the Glory of God* presents a simple and clear message that uplifts and encourages all who are seeking to experience the full extent of the Lord's glory. Author Rick Rannie shares how he came to perceive God's glory and what lies beyond it, giving insight into its purpose and benefits. He uncovers the process through which God takes all His saints—a process that includes coming to know God's life, glory, and kingdom. Each section focuses on a specific aspect of the full extent of God's glory and includes questions for further study. Through the examination of key Scriptures, Rannie demonstrates why and how we come into the glory of God. He shows how we can go a step further in our faith by

living with the Father and Son in His holy kingdom to continually experience God's glory. For those seeking an uplifting Bible study or wishing to deepen their faith, Beyond the Glory of God goes beyond the basics of Christianity to dig deep into the kingdom of God.

SAINTS EVERLASTING REST

The Saints' Everlasting Rest, Or a Treatise of the Blessed State of the Saints, in Their Enjoyment of God in Glory (Classic Reprint)

SAINTS EVERLASTING REST OR A T

**Excerpt from The Saints' Everlasting Rest, or a Treatise of the Blessed State of the Saints, in Their Enjoyment of God in Glory** IT was not only our interest in God, and actual fruition of him, which was lost in Adam's fall but all spiritual knowledge of him, and true disposition toward such felicity. Man hath now a heart too suitable to his estate a low state, and a low spirit. As the poor man that would not believe that any one man had such a sum as a hundred pounds, it was so far above what he possessed; so man will hardly now believe, that there is such a happiness as once he had, much less as Christ hath now procured. The apostle bestows most of this epistle in proving to the Jews that the end of all ceremonies and shadows is to direct them to Jesus Christ, the substance and that the rest of Sabbaths, and Canaan, should teach them to look for a future rest. My text is his conclusion after divers arguments to that end; a conclusion so useful to a believer, as containing the ground of all his comforts, the end of all his duty and sufferings, that you may easily be

satisfied why I have made it the subject of my present discourse. What more welcome to men under afflictions than rest I What more welcome news to men under public calamities Hearers, I pray God your entertainment of it be but half answerable to the excellence of the subject; and then you will have cause to bless God, while you live, that ever you heard it, as I have that ever I studied it. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Paul writes that we are justified by faith apart from 'works of the law', a disputed term that represents a fault line between 'old' and 'new' perspectives on Paul. Was the Apostle reacting against the Jews' good works done to earn salvation, or the Mosaic Law's practices that identified the Jewish people? Matthew J. Thomas examines how Paul's second century readers understood these points in conflict, how they relate to 'old' and 'new' perspectives, and what their collective witness suggests about the Apostle's own meaning. Surprisingly, these early witnesses align closely with the 'new' perspective, though their reasoning often differs from both viewpoints. They

**suggest that Paul opposes these works neither due to moralism, nor primarily for experiential or social reasons, but because the promised new law and covenant, which are transformative and universal in scope, have come in Christ.**

Bestselling author Eckhardt gives a fresh revelation of Christians' identity as "Zion," the place in which God dwells. In applying the characteristics and blessings in Isaiah 60, this book will teach readers how to access the hidden benefits of Zion, expand to new levels of faith that release blessing, healing, deliverance, promotion, and increase, and enter into the glory of God through the gateway of worship.

There are not many theological books which give themselves completely over to the topic of, "the glory of God." This work by Hodges is a rarity. Hodges' entire

work surrounds the glory of God, and how the glory of God relates to Christians, ministers and magistrates. What is the glory of God? Hodges explains this most important doctrine from Psalm 113:5-6, “Who is like unto the Lord our God...” The glory of God is the end to which the promotion of holiness, and the production of happiness, and all other ends are subordinate. He shows that it is the Christians duty to behold this God, and dwell in him, to find him whose glory is so great, and does not change. Hodges’ work is written to be a cure to your soul to remind you how important it is that God is to be glorified every minute of every day of your life, and into eternity. In this, Christians may attain to a clear, life-altering glimpse of God’s true glory. This work is not a scan or facsimile, has been carefully transcribed by hand being made easy to read in modern English, and has an active table of contents for electronic versions.

A Glimpse of God's Glory

Beyond the Glory of God

Meet Saint John, a little fellow with a huge heart,  
who did ALL FOR THE GLORY OF GOD and learned  
to love Him enormously! Being different from

others is never easy. Saint John the Dwarf, of all people, could tell you that! Forever standing on chairs to reach things, unable to play games with other children because of his size, and being teased by the village bullies were all hard things to bear, and could have made John bitter and full of self-pity. But John discovered a secret - a great BIG secret - which changed his life and turned him into a giant of a saint. Join Little John on his adventures - from his home to a desert cave, to the altar and beyond - and let him teach you his secret of holiness too! With charming full-color illustrations and easy-to-read text, this first book in Susan Peek's new series for children (companion to her series for teens, "God's Forgotten Friends: Lives of Little-known Saints") is sure to capture the hearts of Catholic children everywhere.
