This synthesis will be of interest to transit agency staff responsible for advertising sales in their agencies. They can use this report to learn from the experiences of other transit agencies and to compare their experiences with those of others. The report documents and summarizes transit agency experiences with advertising sales and synthesizes current practices for advertising sales, contracting, and display.

Business Law I Essentials is a brief introductory textbook designed to meet the scope and sequence requirements of courses on Business Law or the Legal Environment of Business. The concepts are presented in a streamlined manner, and cover the key concepts necessary to establish a strong foundation in the subject. The textbook follows a traditional approach to the study of business law. Each chapter contains

learning objectives, explanatory narrative and concepts, references for further reading, and end-of-chapter questions. Business Law I Essentials may need to be supplemented with additional content, cases, or related materials, and is offered as a foundational resource that focuses on the baseline concepts, issues, and approaches.
