This book would be useful to any population." - Catholic Library World Testimonials from some who used this book: "Writing letters is so time-consuming, and I get frequent requests from former employees and others who want me to provide a reference. I found just the right samples in this book to make my life easy so that I could produce the multiple letters yearly that are requested of me." Sonya S. "I am not a professional writer, but I feel that this book took my mediocre skills and helped them blossom by showing me samples of effective letters. I especially liked the letters protesting charges, and I created effective letters protesting medical charges. People assume you are more serious when you write a letter instead of trying to handle problems verbally. This book helped me leave a 'paper trail' and get taken seriously so that I could resolve some chronic financial problems." Julio G. "When I wanted to get reinstated to my academic program, I didn't give myself much of a chance, but I took my best shot by following samples in this book. I will be graduating soon, and I got a second chance at academic eligibility because of this book." Fritz H. "It blew me away when I found samples of business marketing letters I could use to find potential new customers. I have discovered that everyone likes reading letters, and the business marketing letters I now use-thanks to the samples in this book-have dramatically boosted my sales." Nadal S.
