*The Open Door follows Saturday Night and Sunday Morning as the final volume in the Seaton series. Returning on a troopship from Malaya in 1949, Brian Seaton (Arthur's brother) comes back to a Nottingham world of rationing, the black market, a wife he no longer loves and a child who does not recognise him. He is full of life and lust, but he has tuberculosis, forcing a long stay in a military hospital where he falls for first one nurse, then a second, while carrying on a relationship with another TB sufferer back in Nottingham. In the background, this partially autobiographical novel reveals that Seaton is starting to write, meeting others like him as he realises there is a wider world than the back streets of his Midlands home.*

Research Paper (undergraduate) from the year 2006 in the subject English Language and Literature Studies - Literature, , language: English, abstract: The swearing assertion “once a rebel, always a rebel,” soliloquised by Alan Sillitoe’s character Arthur Seaton in “Saturday Night and Sunday Morning”, published in 1958, echoes the dissent of the Angry Young Men of the late fifties and sixties in Britain and functions as a binding theme and narrative strategy yoking together the different fragments of the novel. The purpose of this paper is to study the various aspects of the anti-hero’s dissenting action, assess the limits of his rebellion and eventually relate the complexity of the narrative to a larger corpus of literature that is more likely to be dubbed “literature of dissent” rather than “literature of exhaustion” (John Barth 70 – 83); although Sillitoe’s novel may partake of both. Such subversive trends, typical of post-war British literature, permeate a wide spectrum of working-class ethics ranging from mere industrial dissent to more life-enhancing assent. The ultimate purpose of such literary representation of modern life in Britain is to question, at the same time, the bourgeois standards of profitability and the controversial identity of the marginally subversive working-class anti-hero trapped between hope and despair, revolt and submission.

A Man of His Time

The Collected Works of Jim Morrison

"Working all week at the lathe leaves Arthur Seaton with energy to spare at the weekends. A hard-drinking, hard-working rebel, he knows exactly what he wants, and how to get it. Before long his dalliances with a couple of married women make him the centre of local gossip. But then one evening he meets a young girl in a pub, and life begins to look a little less simple." "Alan Sillitoe's classic novel achieved instant critical acclaim, and now, fifty years after its first publication, it stands as one of the great works of twentieth-century British writing."--BOOK JACKET.

Alan Sillitoe’s bestselling debut novel about debauchery, infidelity . . . and the morning after Arthur Seaton, a ladies’ man and factory-worker extraordinaire, has just downed seven gins and eleven pints at his local pub. Thoroughly smashed, he proceeds to tumble down an entire flight of stairs, pass out, and wake up again only to vomit on a middle-aged couple. Luckily Arthur’s lover, Brenda—a married woman with two kids—lets Arthur escape to her bed. Such are Saturdays in this bachelor’s life. When Arthur is not romancing Brenda, evading her husband, or drinking himself silly, he is turning up his nose at authority, disparaging the army, and trying to avoid paying too much income tax. Moreover, Arthur’s rapscallion ways soon lead him into the bed of Brenda’s younger sister—who is also married. But no matter how much fun there is to be had, every Saturday night has its Sunday morning, replete with hangovers and consequences: A local bigmouth starts gossiping about Arthur’s affairs, Brenda gets pregnant, the husbands find out what’s been going on, and Arthur suffers a terrible beating. Perhaps the time has come for this playboy to settle down and marry that third woman he has been seeing on the side . . . One of the first books to sell over a million copies in the UK when it was released in paperback, Saturday Night and Sunday Morning has since become a key literary reference of postwar British culture and society, as well as a classic British New Wave film. This ebook features an illustrated biography of Alan Sillitoe including rare images from the author’s estate.

An important new voice for African-American theatre, Katori Hall explores the lives of black and often invisible Americans with vivid language, dynamic narratives and richly textured characterisation. Hoodoo Love is Hall's debut play, a tale of love, magic, jealousy and secrets in 1930s Memphis, written in vivid language which captures the spirit of the Blues. Saturday Night/Sunday Morning is set in a Memphis beauty shop/boarding house during the final days of WWII. Rich with humor and history, it is a story about friendship and finding love in unexpected places. Winner of the Olivier Award for Best New Play 2009, The Mountaintop is a historical-fantastical two hander, portraying the penultimate day in the life of Martin Luther King. Hurt Village won the 2011 Susan Smith Blackburn Prize. Set in a real-life Memphis housing project, it explores in vivid and at times brutal detail a long-lasting legacy of drug abuse, child abuse, crime, and self-hatred within a poor, working-class, multi-generational Black family. This first collection of Katori Hall's dramatic works demonstrate her unique voice for the theatre, which is visceral, passionate and energetic. Hall portrays disenfranchised portions of society with fearless humanity and startling accomplishment.

Time and the Working Classes

The Loneliness of the Long-distance Runner

A Memoir

Sunday Morning > Saturday Night

Notes

*A working-class family saga set in rural England from the bestselling author of The Loneliness of the Long-Distance Runner. In 1887, Ernest Burton is a robust twenty-one-year-old who sets off to Wales in his best suit in order to work at his brother's forge. En route, he meets, seduces, and promptly impregnates a young widow. Such is the first episode of what turns into a lifetime of compulsive philandering whenever the blacksmith has a few hours away from his job. Within a year, Burton abandons the widow and returns to Nottingham. There, he marries the village barmaid, continues to toil and excel in a smithy, and fathers eight more children. Though Burton is an able-bodied provider who can ring a bull and shoe a horse with the best of them, his constant adultery, harsh authoritarianism, and violent streaks, make him anything but an ideal family man. The Burton children grow up to be rebellious despite—or to spite—their father's iron fist. And as time goes on, Burton seems more and more at odds with British society at large. Modernity threatens his profession, independent living is replaced by the welfare state, and long-standing customs of patriarchy give way to a more inclusive democracy. Two world wars and the Depression inflict additional tragedy on the family. As the Burtons struggle to overcome their strife, will the bully father have a change of heart? In this absorbing historical portrait set in Nottinghamshire, a charismatic yet despotic blacksmith reigns over his wife and children, but is powerless to control the transformations of early twentieth-century Britain.*

*Born into a magical Cree world in snowy northern Manitoba, Champion and Ooneemeetoo Okimasis are all too soon torn from their family and thrust into the hostile world of a Catholic residential school. Their language is forbidden, their names are changed to Jeremiah and Gabriel, and both boys are abused by priests. As young men, estranged from their own people and alienated from the culture imposed upon them, the Okimasis brothers fight to survive. Wherever they go, the Fur Queen--a wily, shape-shifting trickster--watches over them with a protective eye. For Jeremiah and Gabriel are destined to be artists. Through music and dance they soar.*

Saturday Night and Sunday Morning by Alan Sillitoe

*An existential saga of working-class life in a British factory town and military service in the torrid jungles of the Far East from award-winning, bestselling author Alan Sillitoe Key to the Door turns away from the boisterous pursuits of Arthur Seaton made infamous in Saturday Night and Sunday Morning, and focuses instead on the quieter rebellions of his older brother, Brian. Brian’s childhood and adolescence in the grimy streets of Nottingham are shaped by the Depression-era struggles of his family, the life and culture of the factory town, and the love and bullying of his iron-willed grandfather and erratic father. When Brian reaches adulthood, he frequents the local pubs, works hard at a cardboard factory, and runs into a sticky situation with a woman named Pauline that obliges him to marry her. Soon though, he is conscripted for the postwar occupation of Malaya, and his true colors begin to show. Brian declares that he only wears his uniform to collect his paycheck; he shows contempt for the soldiers who obey the rules; he pursues a relationship with an exotic Chinese dancer; and he sends poetry into the jungle in Morse code. At once a vivid family portrait and a study of “the desolate, companionless void of protest” prevalent in postwar England, Key to the Door establishes the Seaton Novels as a broad and sweeping saga of twentieth-century British life, set against the backdrop of Nottingham. This ebook features an illustrated biography of Alan Sillitoe including rare images from the author’s estate.*

NEW YORK TIMES BESTSELLER The New York Times bestselling author of George Washington's Secret Six and Thomas Jefferson and the Tripoli Pirates turns to two other heroes of the nation: Abraham Lincoln and Frederick Douglass. In The President and the Freedom Fighter, Brian Kilmeade tells the little-known story of how two American heroes moved from strong disagreement to friendship, and in the process changed the entire course of history. Abraham Lincoln was White, born impoverished on a frontier farm. Frederick Douglass was Black, a child of slavery who had risked his life escaping to freedom in the North. Neither man had a formal education, and neither had had an easy path to influence. No one would have expected them to become friends—or to transform the country. But Lincoln and Douglass believed in their nation's greatness. They were determined to make the grand democratic experiment live up to its ideals. Lincoln's problem: he knew it was time for slavery to go, but how fast could the country change without being torn apart? And would it be possible to get rid of slavery while keeping America's Constitution intact? Douglass said no, that the Constitution was irredeemably corrupted by slavery—and he wanted Lincoln to move quickly. Sharing little more than the conviction that slavery was wrong, the two men’s paths eventually converged. Over the course of the Civil War, they’d endure bloodthirsty mobs, feverish conspiracies, devastating losses on the battlefield, and a growing firestorm of unrest that would culminate on the fields of Gettysburg. As he did in George Washington's Secret Six, Kilmeade has transformed this nearly forgotten slice of history into a dramatic story that will keep you turning the pages to find out how these two heroes, through their principles and patience, not only changed each other, but made America truly free for all.

NEW YORK TIMES BESTSELLER “I come from a family forged by tragedies and bound by a remarkable, unbreakable love,” Hunter Biden writes in this deeply moving and “unflinchingly honest” (Entertainment Weekly) memoir of addiction, loss, and survival. When he was two years old, Hunter Biden was badly injured in a car accident that killed his mother and baby sister. In 2015, he suffered the devastating loss of his beloved big brother, Beau, who died of brain cancer at the age of forty-six. These hardships were compounded by the collapse of his marriage and a years-long battle with drug and alcohol addiction. In Beautiful Things—“an astonishingly candid and brave book about loss, human frailty, wayward souls, and hard-fought redemption” (Dave Eggers, New York Times bestselling author)—Hunter recounts his descent into substance abuse and his tortuous path to sobriety. The story ends with where Hunter is today—a sober married man with a new baby, finally able to appreciate the beautiful things in life.

Myth in Alan Sillitoe's Saturday Night and Sunday Morning

Saturday Night and Sunday Morning, Introduction

The 2001 Bradford Riot and Beyond

*Celebrating the spirit of song In A Song to Sing, a Life to Live, Don and Emily Saliers help readers see the connections between Saturday night music and Sunday morning music by exploring the spiritual dimensions of music itself. They tell the stories of their own lives in music, and they share what they have learned and observed about the power of music in human life. They help us appreciate the joy of music and also how music carries us into places of sorrow, where we must go if we are to live with honesty about ourselves and compassion for others. This book is for churchgoers and spiritual seekers alike. Music is described in terms of spiritual practice; it has the power to embrace those who are deeply immersed in the life of Christian faith and speak to those who are spiritual but may question formal religion. The book explores a wide variety of musical traditions and offers an invitation to embrace a broader and deeper vision of the power of music and the spiritual dimensions of attentive listening. "This is a beautiful expression of music as many things--healer, gift, symbol of freedom and community, and agent of change" (Mary Chapin Carpenter).*
