They'd talked about it for so long... the sexy femme comes over dressed like a slut, wearing a coat over her naughty clothing for modesty. The Butch asks for her coat, then locks them outside. What's a bad little subfemme to do?

"Give it to me, or I'll take it," I growl. Lust and fear compete for control inside you; I can read them on your pretty face as clearly as clouds crossing the darkening October skies. I pretend to lose patience. In one smooth motion I

your arms down!" I bark. "Did you obey me and wear everything I told you to?" Nodding miserably, shivering, you comply with my command. I grin wolfishly and my eyes rake your body, absorbing every delicious detail. I am thoroughly titillated by what I see: a tight black cropped cami with red lace bra underneath, shiny black micro-mini that might as well be a belt for all it covers, ruffled black garter-belt holding up black fishnet stockings, red patent-leather stripper heels. You're as nervous as a first-time hooker, here in the tiny courtyard outside my door, and it's an incredibly potent aphrodisiac.

When Emily Hall started her dream job at Stockton headquarters, she could never have imagined what awaited her. How could she have known, that stepping out of line could send her to the Basement, the harsh, cold dungeons beneath the marbled floors? And that she would be helplessly shackled when she first met the woman that would help her explore new aspects of her sexuality?"Corporate Punishment - A Dungeon Romance" is an erotic novella with hot scenes of shackled women in cold dungeons, brutal whippings and mind-blowing descriptions of bondage sex. Cleis Press' most lauded editor, Sacchi Green assumes the helm of one the most-heralded and best-selling series, Best Lesbian Erotica. These stories are a work of fiction and contain explicit sex scenes and are suitable for adults only. All characters are fictional and are over 18 years old. There are the fabled urban myths of lesbians who fill up a U-Haul on the second date and lead sweetly romantic lives of cocoa and comfy slippers. Safe and sound. A lot of cozy and not much crazy. These are NOT those stories- these are wild women with dirty minds, untamed tongues, and even the occasional cuff or clamp. A lotta crazy and no cozy slippers to be seen. their own Wild Nights (and days,) memories too hot to keep undercover. Real women with real needs and overwhelming desires find the courage to reveal intimate, unrestrained details of their sex lives, the need to share their stories second only to the urgent impulses that drove the action in the first place. There are first times, life-long commitments, and fleeting encounters to savor for a lifetime. Tenderness merges with edge-play; scenes shift from Caribbean islands to desert battlefields to the ultimate privacy of home; and the writers range from well-known names to newcomers driven to share fresh memories they'll never forget. In Evan Mora's "The Insatiable Travel Itch," repression in public drives her wild. "Transported, transplanted, we are transgressors. And it makes me fucking wet." Angel Propps struggles to face her deepest desires. "The word Daddy had a familiar shape on my tongue, but not in my head, and for one second I was sure I was going to Hell—and then I came." She'd found, of course, "The Daddy I Didn't Know I Needed." Anna Watson, in "Tamago," gives a poignant and sizzling view of being a lesbian femme who loves butches. "I know being femme is what makes the breath blow out of me when she calls and says, 'Babe, I just wanted you to know that I was driving along here, thinking about your breasts.'" Reality doesn't have to be prosaic. Real sex can be wet, messy, frenzied, sometimes even awkward, but never boring. With these writers and seventeen more, "Wild Girls, Wild Nights: True Lesbian Sex Stories" is the proof of that.

new, and a tale for every taste--from vanilla to kink, to strap-ons and sodomy. Now more than ever, it is crucial to see unique, underrepresented viewpoints across the literary spectrum. Award-winning author and editor Sinclair Sexsmith delivers in an anthology that is both tender and tantalizing, emotional and evocative. Ten stories of BDSM, submission, and service set in the secret world of Laura Antoniou's Marketplace. The Marketplace has fans all over the world, and Antoniou invited them to come play in her fictional sandbox/dungeon. Numbered among those fans happen to be some of the top erotica and alternative sexuality writers in the world, including D.L. King, Sassafras Lowrey, and Elizabeth Schechter. The full slate of writers contributing to NO SAFEWORDS runs the gamut of award-winning authors to bright-eyed new voices, as creator Laura Antoniou explains in her introduction: "As the saying goes, 'blessed are those who embellish the tale.' So here is the Marketplace, as seen through other eyes. There are some stories that show the world exactly as I created it, and some that push my boundaries a tad. There is romance and strife, glee and despair. There is hot sex, of course, but there's also humor and melodrama. Just the way I like it. "There were some surprises for me! I was delighted to find several female dominant/male submissive stories, especially since my examples of those relationships tend to be

supporting, rather than main characters. I was also pleased by the writers who weren't afraid to go a little dark; a collection of stories all about slaves misbehaving in mildly inconvenient ways and getting fantastically, erotically punished would have been tiresome. "So whether you want a rollicking Victorian flavored tale of adventure and romance or a modern, sexy welcome to a new home for a familiar character, you will find flavors here to tempt or satisfy your tastes. Return for more time travel to a world where the language we so casually use to describe our tastes doesn't even exist, but where longing for a ritualized order and discipline and a sense of belonging transcends words, and gets expressed in the rich metaphor-and reality-of a garden. "Then swerve away from romance to feel the terror of a slave newly sold to an owner who represents their worst nightmare, whether because of demographics or the enormous challenge of a language barrier. "Here, you can get into the reflection of a trainer's long career or the grief and anguish of a new owner confronted with an inherited house full of property she didn't choose. Or, watch how even the jaded, experienced ways of the Marketplace aware people become awkward in that most awkward of adult challenges-a marriage proposal. Get a glimpse into the rarefied and formal household of an owner/spotter, and then take a detour to the desolate history of a young

*First Digital Edition; Grier Rating: A*** This is the true-life story of what happens when scores of young girls live intimately together in a French military barracks. Many of these girls, utterly innocent and inexperienced, meet other women who have lived every type of existence. Their problems, their temptations, their fights and failures are those faced by all women who are forced to live together during dangerous and stressful times. The girls who chose Tereska Torres, the author, as their confidante poured out to her their most intimate feelings, their secret thoughts. With all of its revelations and tenderness, Women's Barracks is an important book because it tells a story that had never been truly told before--the story of women in war. It also has the special distinction of being the first "lesbian pulp" novel ever published and became a record-breaking bestseller. This autobiographical novel takes place in London, England during World War II. The terror of the V-1 and V-2 rocket bombings, and the resulting fires and destruction, are an unknown experience to most readers. The women enduring these events were not even 20 years old when they first arrived. Many volunteered to be there. They were French, or of French heritage, and wanted to be part of the effort to help protect France from invasion by the Nazis. Throughout it all, passions flare, long-*

standing taboos are tossed to the wind, and passionate relationships are begun between older, more experienced butch officers and the young, inexperienced femme girls under their charge. In her telling of these women's stories, Torres remains nonjudgmental of the lesbian relationships these women explored. Perhaps as a result, Women's Barracks was banned in several states for being obscene. The House Select Committee on Current Pornographic Materials denounced the book in 1952 as an illustration of how the newly emerging paperback industry was breeding and promoting moral depravity. By today's standards, of course, the book is somewhat tame; however, the eroticism and honesty with which Torres writes immerses the reader in the love, tenderness, loyalty and passion that women share with each other. In Show Yourself to Me: Queer Kink Erotica, Xan West introduces us to pretty boys and nervous boys, vulnerable tops and dominant sadists, good girls and fierce girls and scared little girls, mean Daddies and loving Daddies and Daddies that are terrifying in delicious ways. Submissive queers go to alleys to suck cock, get bent over the bathroom sink by a handsome stranger, choose to face their fears, have their Daddy orchestrate a gang bang in the park, and get their dream gender-play scene-tied to a sling in an accessible dungeon. Dominants find hope and take risks, fall hard and push edges, get fucked and devour the fear and

tears that their sadist hearts desire. Within these 24 stories, you will meet queers who build community together, who are careful about how they play with power, who care deeply about consent. You will meet trans and genderqueer folks who are hot for each other, who mentor each other, who do the kind of gender play that is only possible with other trans and genderqueer folks. This is Show Yourself to Me. Get ready for a very wild ride.
