allow the teachers to more efficiently and effectively integrate the SBA in every day classroom activities. At the end of each group meeting, there is a Group Meeting Participation Form for students to complete. This form allows the

teacher to monitor what happens outside the classroom as well. It also allows the students to have evidence to support their declarations in discussing their individual participation and group participation. The Workbook also

incorporates activities which will help students to successfully complete the required tasks. The activities scaffold the thinking that will be required to complete the final tasks. The step by step approach makes the overall
