

Scarlet Ibis Guide

Most people are surprised to learn that about sixty species of birds may be seen in the north-central part of Eastern North America during the winter months. Many of us, if questioned, would affirm that sparrows, crows, and jays are the only winter birds to be found. If some one opens for us the door which leads out into the great bird-world, we may say, as did the writer of the old couplet:

When a fire leaves twelve-year-old Scarlet in a different foster home than her autistic little brother, she tracks a bird to find her way back to him in this deeply moving illustrated novel from the author of Wild Wings. Scarlet doesn't have an easy life. She's never known her dad, her mom suffers from depression, and her younger brother Red has Asperger's and relies heavily on her to make the world a safe place for him. Scarlet does this by indulging Red's passion for birds, telling him stories about the day they'll go to Trinidad and see all the wonderful birds there (especially his beloved Scarlet Ibis), saving her money to take him to the zoo, helping him collect bird feathers, and even caring for a baby pigeon who is nesting outside his window. But things with her mom are getting harder, and after a dangerous accident, Scarlet and Red are taken into foster care and separated. As Scarlet struggles to cope with the sudden changes in her life and her complex feelings towards her mom, the one thing she won't give up on is finding Red. Nothing is going to get in her way—even if it might destroy the new possibilities offered to her by her foster family.

"Excellent as usual. This series is one of the best I ever read and I read a lot!" - 5-star customer review. Deadly power. Stunning beauty. She will not be controlled. Sixteen-year-old Beth's ordinary life is shattered the night her dormant magic awakens and she almost kills her boyfriend. Horrified at what she's done, she flees into the fae realm to find the siren mother who disowned her a decade ago. When it turns out her power cannot be controlled, she is once again cast out from the siren community. Alone and afraid, Beth winds up in the Dark North where a group of witches rescues her. They offer to help her gain control of her deadly magic—but at what price? Scarlett is a companion story to the bestselling YA fantasy Creepy Hollow series. Grab your copy today to taste a darker side of this captivating magical world! While this story is best enjoyed in conjunction with the rest of the Creepy Hollow series, it is a standalone story that can be read on its own. (Optimal reading position in series: after book 1, The Faerie Guardian) Readers' reviews: "A fabulous addition to the Creepy Hollow series." "I haven't read books this good in a really long time. Rachel, please always keep writing!"

When Rob, the charismatic leader of the senior class, turns the school nerd into Prince Charming, his actions lead to unexpected violence.

The Rough Guide to Brazil is the essential guide to one of South America's most tantalising destinations. Detailed accounts of the best attractions

Brazil has to offer, along with the clearest maps and plans, showcase this amazingly diverse country to aid both your trip planning and on-the-ground experience. With expert advice and background, it also details the famous Rio carnival, the world's biggest rainforest - the Amazon and the most fantastic wildlife and beaches, whilst the guide itself is full of informative text on the practical and cultural nuances of visiting Brazil, from wildlife safaris in the Pantanal to the concrete architecture of Brasilia. Read about Brazil's football successes and find out more about the Capoeira music and culture that is expanding rapidly in popularity across Europe. At every point, the Rough Guide steers you in the right direction to find the best hotels in Brazil, recommended Brazil restaurants, cafes and shops across every price range, giving you clear, balanced reviews and honest, first-hand opinions. Make the most of your holiday with The Rough Guide to Brazil.

The extraordinary, groundbreaking novel from Laurie Halse Anderson, with more than 2.5 million copies sold! The first ten lies they tell you in high school. "Speak up for yourself--we want to know what you have to say." From the first moment of her freshman year at Merryweather High, Melinda knows this is a big fat lie, part of the nonsense of high school. She is friendless, outcast, because she busted an end-of-summer party by calling the cops, so now nobody will talk to her, let alone listen to her. As time passes, she becomes increasingly isolated and practically stops talking altogether. Only her art class offers any solace, and it is through her work on an art project that she is finally able to face what really happened at that terrible party: she was raped by an upperclassman, a guy who still attends Merryweather and is still a threat to her. Her healing process has just begun when she has another violent encounter with him. But this time Melinda fights back, refuses to be silent, and thereby achieves a measure of vindication. In Laurie Halse Anderson's powerful novel, an utterly believable heroine with a bitterly ironic voice delivers a blow to the hypocritical world of high school. She speaks for many a disenfranchised teenager while demonstrating the importance of speaking up for oneself. Speak was a 1999 National Book Award Finalist for Young People's Literature.

Robin Hood and his band of Merry Men live the life of outlaws - stealing from the rich to feed the poor. Together, they fight to end the cruel reign of Prince John and bring peace to England. This exciting tale has been retold and adapted with new illustrations, making it perfect for younger readers aged 4+.

An award-winning scientist offers his unorthodox approach to childrearing: "Parentology is brilliant, jaw-droppingly funny, and full of wisdom...bound to change your thinking about parenting and its conventions" (Amy Chua, author of Battle Hymn of the Tiger Mother). If you're like many parents, you might ask family and friends for advice when faced with important choices about how to raise your kids. You might turn to parenting books or simply rely on timeworn religious or cultural traditions. But when Dalton Conley, a dual-doctorate scientist and full-blown nerd, needed childrearing advice, he turned to scientific research to make the big decisions. In Parentology, Conley hilariously reports the results of those experiments, from bribing his kids to do math (since studies show conditional cash transfers improved educational and health outcomes for kids) to teaching them impulse control by giving them weird names (because evidence shows kids with unique names learn not to react when their peers tease them) to getting a vasectomy (because fewer kids in a family mean smarter kids). Conley encourages parents to draw on the latest data to rear children, if only because that level of engagement with kids will produce solid and happy ones. Ultimately these experiments are very loving, and the outcomes are redemptive—even when Conley's sassy kids show him the limits of his profession. Parentology teaches you everything you need to know about the latest literature on parenting—with lessons that go down easy. You'll be laughing and learning at the same time.

Let us guide you on every step of your travels. From deciding when to go, to choosing what to see when you arrive, Insight Guides Caribbean Cruises, is all you need to plan your trip and experience the best of cruising in the Caribbean, with in-depth insider information on must-see, top attractions like the Pitons in St Lucia, Carnival in Trinidad, Nelson's Dockyard in Antigua, Cuba's capital Havana and the Panama Canal. This book is ideal for travellers seeking immersive cultural experiences, from exploring 'tropical Amsterdam' Curacao, Maya Indian pyramids on Mexico's Yucatan Peninsula or colonial mansions in the Dominican Republic, to discovering cabaret in Havana, a rum distillery in Martinique, and paying homage to Bob Marley in Jamaica. - In-depth on history and culture: explore the region's vibrant history and culture, and understand its modern-day life, people and politics - Excellent Editor's Choice: highlighting the most special places to visit around the Caribbean, uncover the best beaches and top adventures, from canyoning in Dominica to zip-lining in St Lucia - Invaluable and practical maps: get around with ease thanks to detailed maps that pinpoint the key attractions featured in every chapter - Informative tips: plan your travels easily with an A to Z of useful advice on everything from climate to tipping

- Inspirational colour photography: discover the best destinations, sights, and excursions, and be inspired by stunning imagery - Inventive design makes for an engaging, easy-reading experience About Insight Guides: Insight Guides is a pioneer of full-colour guide books, with almost 50 years' experience of publishing high-quality, visual travel guides with user-friendly, modern design. We produce around 400 full-colour print guide books and maps, as well as phrase books, picture-packed eBooks and apps to meet different travellers' needs. Insight Guides' unique combination of beautiful travel photography and focus on history and culture create a unique visual reference and planning tool to inspire your next adventure.

A teenager tries to steal the purse of Mrs. Luella Bates Washington Jones and is rebuked in a surprising fashion.

Driven to action by the dreariness of their lives in London, two not-quite friends, in the hopes of finding renewal, plan to rent a medieval Italian castle for a month. They are joined by two other women, a socialite and a dowager, each also seeking a remedy for their dissatisfactions. As the quartet eventually (though not necessarily gracefully) settles in together, they share the beauty and joy of their springtime palace, and each becomes reacquainted with the self they had forgotten. Whether or not the enchantment can carry into their lives and loves in the "real" world is the question.

The basis for the film, of the same name, this is a classic to cherish.

DK Eyewitness Travel Guide: Brazil

Parrots

With beautifully commissioned photographs, and spectacular 3-D aerial views revealing the charm of each destination, these amazing travel guides show what others only tell. DK Eyewitness Travel Guides have been updated to include: expanded hotel & restaurant listings, better maps, enhanced itineraries, and easier-to-read print!

The first time Melanie Ross meets April Hall, she's not sure they have anything in common. But she soon discovers that they both love anything to do with ancient Egypt. When they stumble upon a deserted storage yard, Melanie and April decide it's the perfect spot for the Egypt Game. Before long there are six Egyptians, and they all meet to wear costumes, hold ceremonies, and work on their secret code.

Everyone thinks it's just a game until strange things start happening. Has the Egypt Game gone too far?

Top advice from a master stillwater angler and complete hatch information for lakes, ponds, and reservoirs make Effective Stillwater Fly Fishing the perfect resource for fly fishing on stillwaters. With proven fly patterns, tips on the best way to fish them, and more than 300 full-color photos, this book is a must-have for all dedicated fly fishers. The author helps you make the most of every fishing expedition--even those ego-bruising days when the fish seem to reject everything. Gorman approaches stillwater fly fishing as a puzzle and views challenging days as a chance to put together the pieces and enjoy the most cerebral, rewarding parts of the sport.

A collection of essays and documents chronicizing the history of treatment, labeling, and understanding of mental retardation in the U.S. NYUP is one the forefront of publishing in disability studies.

Insight Guides' unique combination of beautiful travel photography and focus on history and culture together create a unique visual reference and planning tool to inspire your next adventure. 'Insight Guides has spawned many imitators but is still the best of its type.' - Wanderlust Magazine

A timeless American classic and one of the most beloved children's books ever written, *Old Yeller* is a Newbery Honor Book that explores the poignant and unforgettable bond between a boy and the stray dog who becomes his loyal friend. When his father sets out on a cattle drive toward Kansas for the summer, fourteen-year-old Travis Coates is left to take care of his family and their farm. Living in Texas Hill Country during the 1860s, Travis comes to face new, unanticipated, and often perilous responsibilities in the frontier wilderness. A particular nuisance is a stray yellow dog that shows up one day and steals food from the family. But the big canine who Travis calls "Old Yeller" proves his worth by defending the family from danger. And Travis ultimately finds help and comfort in the courage and unwavering love of the dog who comes to be his very best friend. Fred Gipson's novel is an eloquently simple story that is both exciting and deeply moving. It stands alongside works like *The Adventures of Huckleberry Finn*, *Where The Red Fern Grows*, and *Shiloh* as a beloved and enduring classic of literature. Originally published in 1956 to instant acclaim, *Old Yeller* later inspired a hit film from Walt Disney. Just as *Old Yeller* inevitably makes his way into the Coates family's hearts, this book will find its own special place in readers' hearts.

Now available in PDF format. Brazil evokes images of Carnaval, skillful soccer teams, the sounds of bossa nova and samba, and Brazilians of all ages swaying across the white sands of Ipanema and Copacabana in the beautiful city of Rio de Janeiro. Part 1. Summary and analysis

The Sportsman's Gazetteer and General Guide

Parentology

Robin Hood

Although definitely a part of the Caribbean, these two islands are unique, refusing to conform with the stock Caribbean image created by glossy brochures and travel agencies. They are both generous and Caribbean-spirited, but quite capable of going their own way. This Adventure Guide takes you across the nation from mountains and hills to grasslands, savannahs and palm-lined beaches, offering the intrepid traveler a ticket to explore. Birdwatchers are drawn by the chance to see the beautiful scarlet ibis. Night-time excursions allow visitors to watch the miraculous egg-laying practices of the leatherback turtle. And caiman smaller versions of the South's alligators are a common sight. And then there's Carnival, which offers wild dances, fantastical costumes and frenzied revellers. Whatever your reason to visit T&T, you have the right guide in hand.

Accommodations, restaurants, travel tips, sights, museums, excursions it's all here. A special section is dedicated to the nation's booming yachting industry, with details on marinas, facilities and services. I wish I'd had this book the first time I visited Trinidad and Tobago. The book fully describes the culture of these island people and this knowledge would make a trip to these wonderful islands even more enjoyable. I also believe it's a good choice for readers who can't make the trip but still want to taste the culture. --

Amazon customerI've been to TNT once for two weeks and am returning again in a few months. I bought the book to refresh my memory and, more importantly, get me excited about my return trip. It's a great read, and as the back cover suggests, it really is written for the traveler who wants to experience more than just sunbathing. However, once you've been to Trinidad and Tobago, you discover that they are not your generic Caribbean islands. Visiting Trinidad and Tobago is more of a cultural vacation than an island getaway. Once you step foot off the plane at Piarco airport, you'll never want to leave, or you'll want to go back once every year. The two islands are full of charisma, and O'Donnell and Pefkaros do a good job of capturing this spirit in the book. You really cannot be intimidated by the cultures of TNT. From the street vendor corn soup, to crab and dumplings, down de islands, Maracas, Pigeon Point, Speyside, fried flying fish, Caribs, lorries, maxis, wining, Trinidad's great bar/club scene, the Northern Range, etc. - this book virtually covers all Trinidad and Tobago vacation opportunities and experiences. -- Amazon customerAn excellent take-long tote, as is the more adventurous Trinidad & Tobago, 2nd Edition by Kathleen O'Donnell and Stassi Pefkaros, which updates information on adventure travel with special focus on the wildlife and culture of the islands. -- Midwest Book Review

Collects a series of poems that are connected by the image of the ibis.

The Rough Guide to Trinidad & Tobago

Thank You, M'am

The Scarlet Ibis

Everything You Wanted to Know about the Science of Raising Children but Were Too Exhausted to Ask

The Rough Guide to Trinidad & Tobago is the definitive guide to these lively twin islands. Beautiful white-sand beaches, swaying palms and reef-studded waters are all on offer, but there's more to Trinidad and Tobago than sun and beach life: Tobago is home to one of the densest populations of bird species in the world, and the oldest protected rainforest in the western hemisphere. Up-to-date listings and tips give you the lowdown on the islands' brilliant dining and nightlife scenes. And from boutique hotels on the sand to budget dorms, local guesthouses to lavish villas, our accommodation reviews will help you find a room that suits your needs. The Rough Guide to Trinidad & Tobago also gives you insider information on everything from watching leatherback turtles lay eggs on the beaches, to navigating the multitude of carnival fetes and Calypso tents. So whether you feel like striking out on rainforest hikes, cooling off in hidden waterfalls, or exploring Hindu temples and Indo-Trinidadian food, The Rough Guide to Trinidad & Tobago will ensure you get the very best out of your stay. Make the most of your time on Earth with The Rough Guide to Trinidad & Tobago.

By turns humorous and warm, stark and frightening, Bluebeard's Egg infuses a Canada of the 1940s, '50s and '80s with glowing childhood memories, the harsh realities of parents growing old, and the casual cruelty that men and women inflict on each other. Here is the familiar outer world of family summers at remote lakes, winters of political activism, and seasons of exotic friends, mundane lives and unexpected loves. But here too is the inner world of hidden places and all that emerges from them—the intimately personal, the fantastic and the shockingly real...whether it's what lies in a mysterious locked room or in the secret feelings we all conceal.

The beautiful plumage of parrots and the ability to mimic sounds are both a blessing and a curse.

A handbook to the diverse Caribbean nation that comprises the small island of Tobago and its more rural and much larger neighbour, Trinidad. Features include: critical listings of the best places to stay and eat; practical tips on how to explore; and coverage of the islands' cultural life, including Trinidad's world-famous carnival, traditional Indian festivals, indigenous music and local folklore. The guide also provides tips on birdwatching and exploring forested peaks and mangrove flats, as well as diving and snorkelling.
