

Scary Gross And Weird Stories From The Bible

In a collection of eight bizarre tales, a boy is chased by his own face, another travels through time to change his own destiny, and the food-chain develops a strain of cat-eating birds. Original.

They’re troubling. They’re bizarre. And they JUST might be true. They’re Weird Stories Gone Wrong. Here are six spectacularly spooky books from acclaimed children’s author Philippa Dowding that will have you wondering about tall tales, giant flies, and mysterious monsters in the dark. Jake and the Giant Hand–Book #1 Jake doesn’t really believe a giant’s hand was found in a field near his grandfather’s farm, but when Jake begins noticing giant flies buzzing around and Grandpa says the basement is off-limits, he doesn’t know what to believe. Myles and the Monster Outside–Book #2 2016/2017 Hackmatack Children’s Choice Book Award – ShortlistedA series of creepy events follow Myles and his family one rainy night as they move across the country. But the scariest thing has to be the misty, red-eyed figure that won’t leave them alone. Carter and the Curious Maze–Book #3 Carter discovers a creepy maze at the fair and travels farther and farther back in time. How will he ever get back to the present? Alex and The Other–Book #4 Alex is a lonely boy, not exactly bullied but not popular either. Then a girl – named Alex! – arrives who looks just like him. She is popular, and better than him at everything. Soon, she’s even better than he is at being him. Will Alex get his life back, or will his evil twin take over for good? Blackwells and the Briny Deep–Book #5 After seeing a phantom ship, the Blackwell kids run aground on a mysterious island with warring mermaids, zombie pirates, and a strange dolphin-boy named Finn. Quinn and the Quiet, Quiet–Book #6 On Quinn’s third day at the Work Centre he sees a girl run away. After he’s questioned about her escape, suddenly a renegade Officer and Work Bot want Quinn to help the oldest children find sanctuary in the Quiet, Quiet. But why are the children turning blue? How can Quinn help them? And more than that: what’s the Quiet, Quiet anyway?

Scared? You will be! Feel your nerves jangle and chills run up and down your spine thanks to the hair-raising genius of Edgar Allan Poe, Mark Twain, E. F. Benson, H. P. Lovecraft, Fritz Leiber, Nathaniel Hawthorne, Stephen Crane, Charles Dickens, Robert Barr, and many others who know well how to manipulate a reader’s emotions. From Washington Irving comes "The Adventure of My Grandfather" and from Sakai, "The Cobweb." Bill Pronzini plays a horrifying game of "Peekaboo," while Frances Garfield portrays "The House at Evening" to alarming effect. This unique and very special collection is like a carnival ride of terror that you'll want to go on again and again.

Perhaps the best-kept secret in the publishing industry is that many publishers–both periodical publishers and book publishers–make available writer’s guidelines to assist would-be contributors. Presents true stories about real-life monsters, doomed domains, and strange disappearances, many attributed to ghosts and other supernatural encounters.

A spooky history of the American Midwest–from grave robbers to ghost sightings and more–by the author of *Creepy California*. Most people think of the American Midwest as a place of wheat fields and family farms; cozy small towns and wholesome communities. But there’s more to the story of America’s Heartland–a dark history of strange tales and unsettling facts hidden just beneath its quaint pastoral image. In *Horror in the Heartland*, historian Keven McQueen offers a guided tour of terrible crimes and eccentric characters; haunted houses and murder-suicides; mad doctors, body snatchers, and pranks gone comically–and tragically–wrong. From tales of the booming grave-robbing industry of late 19th-century Indiana to the story of a Michigan physician who left his estate to his pet monkeys, McQueen investigates a spooky and twisted side of Indiana, Ohio, Kansas, Nebraska, Iowa, Minnesota, Wisconsin, and Michigan. Exploring burial customs, unexplained deaths, ghost stories, premature burials, bizarre murders, peculiar wills and much more, this creepy collection reveals the region’s untold stories and offers intriguing, if sometimes macabre, insights into human nature.

Haunted is a novel made up of twenty-three horrifying, hilarious, and stomach-churning stories. They're told by people who have answered an ad for a writer's retreat and unwittingly joined a "Survivor"-like scenario where the host withholds heat, power, and food. As the storytellers grow more desperate, their tales become more extreme, and they ruthlessly plot to make themselves the hero of the reality show that will surely be made from their plight. This is one of the most disturbing and outrageous books you'll ever read, one that could only come from the mind of Chuck Palahniuk.

An almanac of facts about witchcraft, ghosts, vampires, zombies, horror movies, superstitions, and other scary subjects.

From Lovecraft to Borges to Gaiman, a century of intrepid literary experimentation has created a corpus of dark and strange stories that transcend all known genre boundaries.
