The bestselling author of I’m Not Scared “elegizes adolescence fiercely and sympathetically” in a novel that’s “scary, lovely and at last a heartbreaker” (Kirkus Reviews). Lorenzo Cuni is a fourteen-year-old loner. His wealthy parents think he is away on a school skiing trip, but in fact he has stowed away in a forgotten cellar. For a week he plans to live in perfect isolation, keeping the adult world at bay. Then a visit from his estranged half-sister, Olivia, changes everything. Evoking the fierce intensity and the pulse-quickening creepiness of I’m Not Scared, Ammaniti’s bestselling first novel, Me and You is a breathtaking tale of alienation, acceptance, and wanting to be loved by “a fearsomely gifted writer” (The Independent). “Immensely engaging . . . Both tender and emotionally arresting, Ammaniti’s novel is unforgettable.” —Publishers Weekly, starred review “Italian author Niccolò Ammaniti does a lot in 160 pages, including surprise, humor, and frighten you—sometimes simultaneously.” —Daily Candy “Ammaniti’s prose is nimble, perceptive and economical . . . There’s a lot to love about this book—its reticent empathy, its delicate and pragmatic treatment of addiction, its remarkable use of restricted physical space.” —Full Stop “Me and You takes a short time to read but offers a memorable experience in a mutual recognition of loneliness and grief.” —Curled Up With a Good Book “Me And You, at just over one hundred pages . . . [is a] perfect book . . . Niccolò Ammaniti disgusts me for how talented he is . . . He has written a masterpiece.” —Antonio D’Orrico, Corriere della Sera

When ten-year-old Enaiatollah Akbari’s small village in Afghanistan falls prey to Taliban rule in early 2000, his mother shepherds the boy across the border into Pakistan but has to leave him there all alone to fend for himself. Thus begins Enaiat’s remarkable and often punishing five-year ordeal, which takes him through Iran, Turkey, and Greece before he seeks political asylum in Italy at the age of fifteen. Along the way, Enaiat endures the crippling physical and emotional agony of dangerous border crossings, trekking across bitterly cold mountain pathways for days on end or being stuffed into the false bottom of a truck. But not everyone is as resourceful, resilient, or lucky as Enaiat, and there are many heart-wrenching casualties along the way. Based on Enaiat’s close collaboration with Italian novelist Fabio Geda and expertly rendered in English by an award- winning translator, this novel reconstructs the young boy’s memories, perfectly preserving the childlike perspective and rhythms of an intimate oral history. Told with humor and humanity, In the Sea There Are Crocodiles brilliantly captures Enaiat’s moving and engaging voice and lends urgency to an epic story of hope and survival.

When Rafee Kane enters middle school, he teams up with his best friend, “Leo the Silent,” to create a game to make school more fun by trying to break every rule in the school’s code of conduct.

*Cavino's beloved, intricately crafted novel about an Emperor's travels—a brilliant journey across far-off places and distant memory. “Cities, like dreams, are made of desires and fears, even if the thread of their discourse is secret, their rules are absurd, their perspectives deceitful, and everything conceals something else.” In a garden sit the aged Kublai Khan and the young Marco Polo—Mongol emperor and Venetian traveler.*

*Kublai Khan has sensed the end of his empire coming soon, Marco Polo diverts his host with stories of the cities he has seen in his travels around the empire: cities and memory, cities and desire, cities and designs, cities and the dead, cities and the sky, trading cities, hidden cities. As Marco Polo unspools his tales, the emperor detects these fantastic places are more than they appear.*

*The school year is finished, exams are over and summer stretches before seventeen-year-old Federico, full of promise and opportunity. But then he accepts a request from one of his teachers to help out at a youth club in the destitute Sicilian neighbourhood of Brancaccio. This narrow tangle of alleyways is controlled by local mafia thugs, but it is also the home of children like Francesco, Maria, Dario, Totò: children with none of Federico's privileges, but with a strength and vitality that changes his life forever. Written in intensely passionate and lyrical prose, What Hell Is Not is the phenomenal Italian bestseller about a man who brought light to one of the darkest corners of Sicily, and who refused to give up on the future of its children.*

The year is 1861. Hervé Joncour is a French merchant of silkworms, who combs the known world for their gemlike eggs. Then circumstances compel him to travel farther, beyond the edge of the known, to a country legendary for the quality of its silk and its hostility to foreigners: Japan. There Joncour meets a woman. They do not touch; they do not even speak. And he cannot read the note she sends him until he has returned to his own country.

But in the moment he does, Joncour is possessed.

In this story about the perils of popularity, the courage of nonconformity, and the thrill of first love, an eccentric student named Stargirl changes Mica High School forever.

Parallel stories set in different times, one told in prose and one in pictures, converge as a girl unravels the mystery of the abandoned Thornhill Institute next door. 1982: Mary is a lonely orphan at the Thornhill Institute For Children at the very moment that it’s shutting its doors. When her few friends are all adopted or re-homed and she’s left to face a volatile bully alone, her revenge will have a lasting effect on the bully, on Mary, and on Thornhill itself. 2017: Ella has just moved to a new town where she knows no one. From her room on the top floor of her new home, she has a perfect view of the dilapidated, abandoned Thornhill Institute across the way, where she glimpses a girl in the window. Determined to befriend the girl and solidify the link between them, Ella resolves to unravel Thornhill’s shadowy past. Told in alternating, interwoven plotlines—Mary’s through intimate diary entries and Ella’s in bold, striking art—Pam Smy’s Thornhill is a haunting exploration of human connection, filled with suspense.

What Hell Is Not

Zu seinen Lebzeiten zählte Erich Maria Remarque zu den wirkmächtigsten deutschsprachigen Autoren. Doch welchen Stellenwert nehmen er und sein Werk heute, 50 Jahre nach seinem Tod international ein? Wie werden seine Werke und Positionen heute diskutiert und welche Zusetzungen werden damit in verschiedenen Medien verbunden? Die Beiträge dieses Bandes beleuchten diese Fragen aus historischer, literatur- und kulturwissenschaftlicher Perspektive; sie ziehen ein Resümee der Rezeption in einzelnen Ländern und Kulturen und beschreiben die Veränderungen, die das Autorbild und das Werk Remarques in den Augen der Leserinnen und Leser in den vergangenen Jahrzehnten weltweit erfahren haben. Dabei wird nicht nur die literaturwissenschaftliche und literarische Rezeption in den Blick genommen, sondern der Fokus auch auf die künstlerische Auseinandersetzung mit Remarque in Film, Theater, bildender Kunst und Graphic Novel erweitert. In his lifetime Erich Maria Remarque was one of the most popular authors in Germany. Yet, how significant are his works internationally 50 years after his death? How are his works and positions discussed today and which goals are connected with his works throughout different media? The contributions in this volume highlight these questions from a historical, literary and cultural perspective. They draw conclusions of the reception in selected countries and cultures and describe the changes the author and Remarque's works underwent worldwide in the eyes of his readers in the past decades. Here, not only the literary reception is being focused on but also the artistic debate with Remarque in film, theatre, visual art and graphic novels.

Una scuola che si pone l'obiettivo di rendere competenti i suoi allievi, organizza situazioni di apprendimento affinché ognuno di loro possa osservare, ricercare, fare ipotesi, progettare, sperimentare, discutere, argomentare le proprie scelte, negoziare con gli altri e costruire nuovi significati, per risolvere autonomamente e con responsabilità compiti di realtà. Le caratteristiche specifiche della scuola secondaria di primo grado, con insegnanti diversi per le varie discipline, sembrano costituire talvolta un ostacolo alla sua piena applicazione, che prevede un approccio olistico e multidisciplinare alle proposte apprendive. Gli autori mostrano come sia possibile proporre modalità innovative di progettazione nelle quali la competenza da acquisire diventi il risultato di una pratica, di una riflessione e di una interiorizzazione del processo di apprendimento sperimentato, in linea con le Indicazioni nazionali MIUR. Matematica per competenze nella scuola secondaria di primo grado offre agli insegnanti percorsi didattici completi e flessibili per il curricolo di matematica delle tre classi, con dettagliate indicazioni e spunti di approfondimento.

*An amusing chronicle of the tribulations of the Ghost of Canterville Chase when his ancestral halls became the home of the American Minister to the Court of St. James.*

*A bestselling modern classic—both poignant and funny—narrated by a fifteen year old autistic savant obsessed with Sherlock Holmes, this dazzling novel weaves together an old-fashioned mystery, a contemporary coming-of-age story, and a fascinating excursion into a mind incapable of processing emotions. Christopher John Francis Boone knows all the countries of the world and their capitals and every prime number up to 7,057. Although gifted with a superbly logical brain, Christopher is autistic. Everyday interactions and admonishments have little meaning for him. At fifteen, Christopher’s carefully constructed world falls apart when he finds his neighbour’s dog Wellington impaled on a garden fork, and he is initially blamed for the killing. Christopher decides that he will track down the real killer, and turns to his favourite fictional character, the impeccably logical Sherlock Holmes, for inspiration. But the investigation leads him down some unexpected paths and ultimately brings him face to face with the dissolution of his parents’ marriage. As Christopher tries to deal with the crisis within his own family, the narrative draws readers into the workings of Christopher’s mind. And herein lies the key to the brilliance of Mark Haddon’s choice of narrator: The most wrenching of emotional moments are chronicled by a boy who cannot fathom emotions. The effect is dazzling, making for one of the freshest debut in years: a comedy, a tearjerker, a mystery story, a novel of exceptional literary merit that is great fun to read.*

As the end of summer nears and her first roller derby bout (and junior high!) draws closer, Astrid realizes that maybe she is strong enough to handle the bout, a lost friendship, and middle school... in short, strong enough to be a roller girl. In this graphic novel debut that earned a Newbery Honor and five starred reviews, real-life derby girl Victoria Jamieson has created an inspiring coming-of-age story about friendship, perseverance, and girl power!*
