The Reading Street series, is a comprehensive English and Language Arts curriculum for homeschooling designed to help

your child meet his or her educational goals during every Grade level. The Grade 1 set is packed with engaging and modern content designed to foster your child's love of reading and writing. The concise layout of Reading Street: Grade 1 will guide you through English and Language Arts, helping you plan exciting and informative lessons that set your child down the path of critical thinking and habitual reading. Complete with six volumes of content, a Teacher Resource DVD, Handbook and Assessment DVD, Reading Street: Grade 1 is an easy-to-use curriculum perfect for establishing your child's literary foundation. As you and your homeschooler complete the fun activities, writing exercises and games, your child will begin to grasp important English and Language Arts concepts. By the end of first Grade, children should feel more confident in their English and Language Arts skills. The goal of Reading Street: Grade 1 is to develop children's abilities to: Break up syllable sounds. Recognize and understand sentence cues, such as punctuation and capitalization. Read aloud. Identify

words with an unusual spelling, such as "the." Break down stories into plot, characters and main ideas. Differentiate nonfiction from fiction. Every week, you and your child will explore one Big Idea that encompasses vocabulary, reading topics and writing prompts. The first Grade content is structured so the Big Idea and the activities that support it challenge your young child while helping him or her learn important foundational information. With all the games and quizzes Reading Street: Grade 1 presents, your homeschooler is sure to enjoy his or her lessons. Additionally, your child will find bright pictures and age-appropriate stories and poems when they open the cover of this curriculum set. Scott Foresman Reading Street - Elementary Reading Comprehension Program 2008(c) is an all-new reading instruction program for Grades PreK-6. Reading Street is designed to help teachers build readers through motivating and engaging literature, scientifically research-based instruction, and a wealth of reliable teaching tools. The reading program takes the guesswork out of differentiating instruction with a strong emphasis on ongoing progress-monitoring and an explicit plan to help with managing small groups of students. In addition, Reading Street prioritizes skill instruction at each grade level, so teachers can be assured they will focus on the right reading skill, at the right time, and for every student.

"MCP "Plaid" Phonics" Level A helps students become fluent readers. Activities help students develop spelling (encoding), recognize words in context, and use phonics in word-building and personal writing. It provides teachers with a direct model for integrating phonics and reading through reading activities.

Scientifically research-based program supports state standards in literacy, science, mathematics, social studies, art and music to prepare children for Kindergarten.

Teacher's Guides help build and assess children's cognitive skills, alphabet knowledge, and social-emotional development. Interactive charts with songs and activities inspire class discussion and build oral vocabulary. Big Books, Trade Books, and Little Books provide shared reading experiences and develop children's concepts of print.
