

Sda Elders Manual

Whether you are leading a ministry, an organization, or a family, God has given you a special mission. To fulfill that God-given purpose, secular leadership principles won't be enough: you need to know the biblical principles of leadership. In As I Follow Christ, some of the most notable leaders in the Seventh-day Adventist Church share what they've learned about effective leadership. Drawing from the Bible, the writings of Ellen G. White, proven practices, and personal experience, each writer reveals a unique perspective on what it looks like to be a leader who follows God.

Stereotyped edition intended to be used as local church manuals, with names of members, calendar, etc. added as appendix.

Acknowledgment should also be made that my observation of the lives and examples of many who do not profess to be Christian has made me realize the blessings of God's love, and what kind of person I could have been, except for God's hand working in the lives of those who have surrounded me.

A Study Guide of Bible Principles

Addressing low church member retention is long overdue. One of the initiatives of the General Conference of Seventh-day Adventists(R) to address

this matter is to hold Nurture and Retention Global Summits. The first one met in November 18-20, 2013 and the second one in April 5-7, 2019. The primary purpose of this publication is to preserve and disseminate the content of the seminars and workshops offered during the 2019 Nurture and Retention Summit. It covers three important related areas: Discipling, Nurturing, and Reclaiming. The secondary, and probably most important, long-term goal is to keep the conversation running and to continue to share and develop best practices to be more effective and efficient in God's mission. We believe this book will give you enough insight about the need to develop more efficient ways to attract and equip new members, as well as sending them to fulfill God's work to "make disciples of all nations" (Matt. 28:19, NIV).

"As Adventism burns with intense heat in the third world," author Russell Burrill writes in the first chapter of this book, "it barely flames in its homelands. ... Hiring pastors to do the work of the ministry while the laity pay, attend, and observe is not God's plan for the Adventist church." What the author proposes here is indeed revolutionary--nothing less than a radical change in how we Adventists "do church." He contends that both pastors and laity have strayed far from their biblically assigned roles. Regardless of how things may have been done in the church for decades now, ministry--soul-winning, evangelistic ministry--is not the primary task of Adventist pastors. As the author clearly establishes from the Bible, the chief job description of pastors is to train lay men and women for ministry. Likewise, the laity must cease delegating away its evangelistic privileges and responsibilities to a paid "priesthood" and rediscover the power of "the priesthood of all believers." For those comfortable with the status of quo of laity as spectators and pastors as the performers of ministry, this book may be less than fully welcomed. But for those eagerly awaiting the second pentecost, the ideas proposed here--if implemented--will prove to be the spark that ignites it. - Foreword About the Author. Acknowledgments 1. This is the eighth volume of "Testimonies for the Church," an influential nine-book set of books from the pen of Ellen G. White. Nearly 5000 pages in all, the entire set contains letters, articles, sermons, records of visions, and instruction regarding the everyday affairs of life. Specifically targeted at members of the Seventh-day Adventist Church, the Testimonies found their genesis in 1855 when a question arose about how best to circulate Ellen White's visions. After some discussion, it was voted that the visions would be distributed in tract form to the entire body of believers. This method of distribution proved so successful that, by 1864, Mrs. White had produced ten consecutively numbered pamphlets. These pamphlets contained general counsel to the church at large. They also contained specific counsel to individuals, since Ellen White realized that the instruction to one person would help others in similar circumstances. Although the earliest pamphlets went out of print, in 1883 the church standardized the messages—which by then had grown into many more communications—into a nine-volume set of Spirit of Prophecy counsels. This set, which contains spiritual commentary of a general nature along with many letters of intimate instruction to members of the church during Ellen White's time, has become a staple of Adventist literature.
