***Addressing low church member retention is long overdue. One of the initiatives of the General Conference of Seventh-day Adventists(R) to address this matter is to hold Nurture and Retention Global Summits. The first one met in November 18-20, 2013 and the second one in April 5-7, 2019. The primary purpose of this publication is to preserve and disseminate the content of the seminars and workshops offered during the 2019 Nurture and Retention Summit. It covers three important related areas: Discipling, Nurturing, and Reclaiming. The secondary, and probably most important, long-term goal is to keep the conversation running and to continue to share and develop best practices to be more effective and efficient in God's mission. We believe this book will give you enough insight about the need to develop more efficient ways to attract and equip new members, as well as sending them to fulfill God's work to "make disciples of all nations" (Matt. 28:19, NIV).***

***Beginning with the destruction of Jerusalem and continuing through the persecutions of Christians in the Roman Empire, the apostasy of the Dark Ages, the shining Light of the Reformation, and the worldwide religious awakening of the nineteenth century, this volume traces the conflict into the future, to the Second Coming of Jesus and the glories of the earth made new. In this concluding volume, the author powerfully points out the principles involved in the impending conflict and how each person can stand firmly for God and His truth.***

"Grow in the grace and knowledge of our Lord and Savior Jesus Christ." ~2 Peter 3:18 How do Christians grow? Few question the call of the Bible to grow in godliness, but the answer to exactly how this happens is often elusive. In this book, Dane Ortlund points believers to Christ, making the case that sanctification does not happen by doing more or becoming better, but by going deeper into the wondrous gospel truths that washed over them when they were first united to him. Drawing on wisdom from figures throughout church history, Ortlund encourages readers to fix their gaze on Jesus in the battle against sin, casting themselves upon his grace and living out their invincible identity in Christ.

Introduction to Adventist Mission is a crucial publication for understanding the Seventh-day Adventist approach to mission, which permeates every aspect of Adventist theology and practice. God's mission of saving people is identified, and the grand biblical narrative and history of mission is explained, informing the reader of how to participate in this mission and experience the joy of collaborating with God in his search for humanity. Adventist theology of mission is presented within its Trinitarian foundation and in relation to world religions. At its core, mission is service oriented, so every follower of Christ should be engaged in various forms of activities to reach the unreached. This book should be studied and in the library of every serious student of the Bible who is committed to spreading the Gospel of hope to this dying world.

The Minister's Handbook

This is the eighth volume of "Testimonies for the Church," an influential nine-book set of books from the pen of Ellen G. White. Nearly 5000 pages in all, the entire set contains letters, articles, sermons, records of visions, and instruction regarding the everyday affairs of life. Specifically targeted at members of the Seventh-day Adventist Church, the

Testimonies found their genesis in 1855 when a question arose about how best to circulate Ellen White's visions. After some discussion, it was voted that the visions would be distributed in tract form to the entire body of believers. This method of distribution proved so successful that, by 1864, Mrs. White had produced ten consecutively numbered pamphlets. These pamphlets contained general counsel to the church at large. They also contained specific counsel to individuals, since Ellen White realized that the instruction to one person would help others in similar circumstances. Although the earliest pamphlets went out of print, in 1883 the church standardized the messages—which by then had

grown into many more communications—into a nine-volume set of Spirit of Prophecy counsels. This set, which contains spiritual commentary of a general nature along with many letters of intimate instruction to members of the church during Ellen White's time, has become a staple of Adventist literature.

This is a handbook for pastors, elders, and all Christians who want to see how Scripture presents the process of discipline that should operate in the Christian community. It was written in response to the various concerns that threaten to tear apart marriages, families, friendships, and congregations—concerns that call for a biblical approach to discipline that can heal fractures, restore right relationship, and ensure the health of the church. Developed around the five corrective steps found especially in Matthew 18:15-17, this book helps church leaders deal with the sorts of problems that require the church's disciplinary response. Charting a course that combines discernment with appropriate action, this

simple, readable handbook can have a profound effect on the community of believers.
