

Second Chances The Seven Sisters Series Book 1

Sense and sensibility collide when love comes calling for sisters Elaina and Anna Woods.

"Taylor Edwards' family might not be the closest-knit--everyone is a little too busy and overscheduled--but for the most part, they get along just fine. Then Taylor's dad gets devastating news, and her parents decide that the family will spend one last summer all together at their old lake house in the Pocono Mountains. Crammed into a place much smaller and more rustic than they are used to, they begin to get to know each other again. And Taylor discovers that the people she thought she had left behind haven't actually gone anywhere. Her former best friend is still around, as is her first boyfriend...and he's much cuter at seventeen than he was at twelve. As the summer progresses and the Edwards become more of a family, they're more aware than ever that they're battling a ticking clock. Sometimes, though, there is just enough time to get a second chance--with family, with friends, and with love"--Provided by publisher.

It was a mind-blowing night of passion between complete strangers. Or so it seems... Then publishing mogul Wynn Hunter discovers that the ravishing temptress who'd shared his bed was none other than his childhood nemesis, Grace Munroe. No wonder he didn't recognize her—the scrawny, pigtailed brat has blossomed into a dazzling beauty. Disastrous romances have made them both wary of entanglements. So when Wynn lures Grace to Australia for a family wedding, they're determined to keep things light. But when life-threatening chaos erupts in Wynn's family, can these childhood adversaries find the courage to fall in love?

In hilarious short stories that highlight Christian principles, Smith shares comical situations that include serving French fry flamb and encountering the "perfect" mom. Each story has an upbeat conclusion and a survival tip.

A woman desperate to turn a new page heads to the Scottish coast and finds herself locked in a battle of wills with an infuriatingly

aloof bookseller in this utterly heartwarming debut, perfect for readers of Evvie Drake Starts Over. "Humor and charm abound. . . . [This] love story hits the spot."--Publishers Weekly Thea Mottram is having a bad month. She's been let go from her office job with no notice--and to make matters even worse, her husband of nearly twenty years has decided to leave her for one of her friends. Bewildered and completely lost, Thea doesn't know what to do. But when she learns that a distant great uncle in Scotland has passed away, leaving her his home and a hefty antique book collection, she decides to leave Sussex for a few weeks. Escaping to a small coastal town where no one knows her seems to be exactly what she needs. Almost instantly, Thea becomes enamored with the quaint cottage, comforted by its cozy rooms and lovely but neglected garden. The locals in nearby Baldochrie are just as warm, quirky, and inviting. The only person she can't seem to win over is bookshop owner Edward Maltravers, to whom she hopes to sell her uncle's book collection. His gruff attitude--fueled by an infamous, long-standing feud with his brother, a local lord--tests Thea's patience. But bickering with Edward proves oddly refreshing and exciting, leading Thea to develop feelings she hasn't experienced in a long time. As she follows a thrilling yet terrifying impulse to stay in Scotland indefinitely, Thea realizes that her new life may quickly become just as complicated as the one she was running from.

Gathering at their Lake Geneva estate when their adoptive father passes away, six sisters receive tantalizing clues about their true heritage, prompting Maia to journey to Rio de Janeiro to learn the story of her parents' forbidden love. By the best-selling author of The Orchid House.

First published in 2001. Routledge is an imprint of Taylor & Francis, an informa company.

This translation first appeared in a privately printed edition in 1904 (the translator remains anonymous). With an Introduction by Derek Matravers. When it was first published in 1781, The Confessions scandalised Europe with its emotional honesty and frank treatment of the author's sexual and intellectual development. Since then, it has had a more profound impact on European thought. Rousseau left posterity a model of the reflective life - the solitary, uncompromising individual, the enemy of servitude and habit and the selfish egoist who dedicates his life to a particular ideal. The Confessions recreates the world in which he progressed from incompetent engraver to grand success; his enthusiasm for experience, his love of nature, and his uncompromising character make him an ideal guide to eighteenth-century Europe, and he was the author of some of the most profound work ever written on the relation between the individual and the state.

MY SEVEN SISTERS FROM OTHER MOTHERS By Naomi Bryson My sisters are hoarders, backstabbers, whiners, haters, golfers, skiers, and emotionally needy. I have learned to live with them and to love them. The hoarders have clutter on top of clutter and keep empty food cartons and "junk mail" because they may be useful one day. Clothes are scattered everywhere and all closets are stuffed. The backstabbers want to be in my place in life and are really haters that cannot be happy with another person's success or happiness. Rather than be happy for others, the hater sets out to point up flaws and mistakes in that person to bring them down a notch. The backstabbers are also liars and make up stories about others or embellish a story that has some truth in it. I do not always know when the backstabbing sisters are in action; therefore, I must follow my gut feeling to deal with this hateful act. My emotionally needy sister has an insurmountable need for attention. She wears bizarre outfits, purchases more than her budget allows, and will start a conversation with total strangers to get attention. She depends on me and others for her social activities. My other needy sister is also a whiner and is difficult

to understand and more difficult to take on my good days and intolerable on my bad days. This sister complains about most things in a very high-pitched and annoying tone. She whines about her job, her bills, what she eats, lack of a spa in the hotel, the bed is too hard, the man in her life (or lack of), the water smells, parking is too far, and you name it. How can I have fun with these hoarders, whiners, backstabbers, haters, liars, and emotionally needy women? There are recommendations, tips and strategies that I use successfully to cope with these sisters. I use a technique that I call, "observe and grow" for self improvement and personal growth. I observe how people behave in different circumstances and change my habits if necessary. My responsibility to myself is to stay healthy and well by practicing good habits The book offers hope that women everywhere will learn to live as sisters, to respect each other's differences, to help heal each other's wounds, to promote each other's programs, to learn from each other's strengths and weaknesses, and to benefit from each other's knowledge and experience. These women are not sisters by ancestry. These are the sisters that I have fun with on the ski slopes and golf courses. We have shared recipes, menus, personal care tips, and news and current events. They are my sisters on the ski slopes and on the links and are sisters of my heart. Sisters of the heart do not need words to communicate with each other. They have developed a language of grins, wincing, smiles, and frowns that express surprise or disbelief. We know each others faults, virtues, triumphs, and desires and have been bonded together by codes of our hearts. I know that God did not give me the sisters that I want. He gave me the sisters that I need. These sisters help me, hurt me, love me and sometime leave me. They help to make me into the person that I was meant to be. Therefore, I have decided to love the people who treat me the way I want to be treated and love the ones who don't "just because." I believe everything happens for a reason, and when I get a second chance to right a wrong, I grasp the opportunity. If it changes my life, I let it and forgive quickly, for I am the person that I was meant to be. From USA Today and Wall Street Journal Bestselling author, Laramie Briscoe, comes the special edition of a fan favorite series. Nobody writes blue collar romance like Laramie Briscoe, and nowhere is it more apparent than in the Moonshine Task Force: Special

Edition Series. This edition includes a never-before-released short story, as well as all the slices of life scenes and text messages I've written for this couple. Life isn't promised, love isn't easy, and relationships aren't always clean, but everyone has their soulmate who is willing to forgive when it would be better to forget. Trevor "Tank" Trumbolt I never thought in the blink of an eye my life could change, but it did. Cresting a hill driving to my favorite fishing spot, I was hit head-on by a teenager with no regard for anyone's life but his own. The recovery process has been hard, painful, and damn near beating me down. The bright spot? Blaze. Surviving the wreck has given me a second chance to make a life with her. Not knowing if I'll ever be able to rejoin the Moonshine Task Force again has brought my world into focus. It's made me realize what's important. Blaze. Stella. My brothers. My sister. The ego that ran Blaze away before isn't here any longer. What's left is a man who's holding his heart in his hands and a burning hope that once I'm healed she'll still be around. Daphne "Blaze" Coleman There's only been one person in the world who's accepted me for who I am - from the fiery red of my hair and vibrant tattoos covering parts of my body to the smartness of my mouth and my desire to be matched in the bedroom. That man is Trevor Trumbolt. When he asked me to give up my job as an EMT because he saw the dangers I face one scary afternoon, it spelled the end for us. Now that he's been injured, he needs my help and my love. I'll give it all freely, but in the end I'm gonna need him to understand one thing about relationships. The give and take, love and sadness, pleasure and pain is a two-way street. He's either in this with me or he's not, but at the end of the day, I won't let him boss me around. If there's anything that can handle the steel of a tank - it's the heat of a blaze.
