*\* Our summary is short, simple and pragmatic. It allows you to have the essential ideas of a big book in less than 30 minutes. As you read this summary, you will learn that being rich is a legitimate, desirable goal, and many people want to become rich. Yet, only a small minority achieve it, while others suffer from their financially unfulfilling lives. How do you explain this paradox? The truth is that becoming rich is not only, by far, a matter of relationships, knowledge or even opportunities as is too often believed: it is first and foremost a state of mind. Learning how to change it is the real secret to success. You will also learn : that the material world is the product of one's inner world; that everyone is limited by his inner financial program; how to change this program; how to overcome obstacles; that quality management and wealth are linked; to become better and to help others. It was after it was suggested to him to "think like the rich" that the author had a revelation. He who had failed in his business start-ups without really knowing why, who was on the verge of bankruptcy, is now success incarnate - he is a multimillionaire. In "The Secrets of a Millionaire Mind", he reveals his secrets of success and assures that anyone can achieve it just as quickly. \*Buy now the summary of this book for the modest price of*

With his Grandfather's old six shooter Waco sets to his task, soon joined by Joe, the Indian boy from the reservation, and Sarah, the only other resident of Norte del Sur under sixty-five years old. Each has their own motivation: Waco to bring prosperity back to the town his grandfather made famous; Joe, to wreck revenge on the "white man," and Sarah, whose feelings for Waco are becoming more than sisterly. They are joined by the boy Jesus, who lives across the border with his older sister, Maria, in the small Mexican border town, also called Norte del Sur, and known only because the famous Pancho Villa once stopped at Mama Lo's Cantina. As the fame of Norte del Sur grows with every more daring holdup, the law begins closing in on the youthful gang. Norte del Sur is a coming of age tale of heroism, youthful romance and daring adventure that leads to a dramatic show down with a wild chase through the Southern Mexican desert and a shoot out at the Pass Time that comes together in a surprising conclusion.*

In his trademark style, Johnson examines unexpected connections between seemingly unrelated fields: how the invention of air-conditioning enabled the largest migration of human beings in the history of the species—to cities such as Dubai or Phoenix, which would otherwise be virtually uninhabitable; how pendulum clocks helped trigger the industrial revolution; and how clean water made it possible to manufacture computer chips. Accompanied by a major six-part television series on PBS, How We Got to Now is the story of collaborative networks building the modern world, written in the provocative, informative, and engaging style that has earned Johnson fans around the globe.*

The idea of "The Green Book" is to give the Motorist and Tourist a Guide not only of the Hotels and Tourist Homes in all of the large cities, but other classifications that will be found useful wherever he may be. Also facts and information that the Negro Motorist can use and depend upon. There are thousands of places that the public doesn't know about and aren't listed. Perhaps you know of some? If so send in their names and addresses and the kind of business, so that we might pass it along to the rest of your fellow Motorists. You will find it handy on your travels, whether at home or in some other state, and is up to date. Each year we are compiling new lists as some of these places move, or go out of business and new business places are started giving added employment to members of our race.

Why is it that when some poor soul wins the lottery, he is often right back in the poor house within 10 years? It's because he never changed his thinking. He never acquired a Millionaire Mindset. The Millionaire Mindset reveals how you can finally break the cycle of poverty consciousness and take control of your life. You will see the power that your conditioning has on your current results, and you'll gain a powerful system for reversing that early programming. Mastering the Inner Game of Wealth.
