*Alex Cross, I'm coming for you—even from the grave if I have to. Along Came a Spider* killer Gary Soneji has been dead for over ten years. Alex Cross watched him die. But today, Cross saw him gun down his partner. Is Soneji alive? A ghost? Or something even more sinister? Nothing will prepare you for the wicked truth. *BookShots LIGHTNING-FAST STORIES BY JAMES PATTERSON* Novels you can devour in a few hours Impossible to stop reading All original content from James Patterson

*New York City Book Awards Hornblower Award Winner One of Vogue and NPR's Best Books of the Year This beautifully written "masterclass in memoir" (Elle) recounts a young girl's journey from war-torn Vietnam to Queens, New York, "showcas[ing] the tremendous power we have to alter the fates of others, step into their lives and shift the odds in favor of greater opportunity" (Star Tribune, Minneapolis). Ly Tran is just a toddler in 1993 when she and her family immigrate from a small town along the Mekong river in Vietnam to a two-bedroom railroad apartment in Queens. Ly's father, a former lieutenant in the South Vietnamese army, spent nearly a decade as a POW, and their resettlement is made possible through a humanitarian program run by the US government. Soon after they arrive, Ly joins her parents and three older brothers sewing ties and cummerbunds piece-meal on their living room floor to make ends meet. As they navigate this new landscape, Ly finds herself torn between two worlds. She knows she must honor her parents' Buddhist faith and contribute to the family livelihood, working long hours at home and eventually as a manicurist alongside her mother at a nail salon in Brooklyn that her parents take over. But at school, Ly feels the mounting pressure to blend in. A growing inability to see the blackboard presents new challenges, especially when her father forbids her from getting glasses, calling her diagnosis of poor vision a government conspiracy. His frightening temper and paranoia leave a mark on Ly's sense of self. Who is she outside of everything her family expects of her? An "unsentimental yet deeply moving examination of filial bond, displacement, war trauma, and poverty" (NPR), House of Sticks is a timely and powerful portrait of one girl's coming-of-age and struggle to find her voice amid clashing cultural expectations.*

*How far would you go for those you love? When Valentina López Vázquez vanishes from her home one morning, it's obvious that she was taken by force. What happened to her next is not so obvious. The disappearance forces two men on a gruelling search for the truth: Barry Wall, Valentina's frantic husband, and Joe Byrne, the nihilistic detective in charge of the investigation. They are locked on a devastating course that will take them to places darker than they ever dreamt - places without limits... Don't miss this page-turning thriller. Perfect for fans of Shari Lapena, Peter Swanson, Jennifer Hillier, and Linwood Barclay.*

*This Naked Mind* has ignited a movement across the country, helping thousands of people forever change their relationship with alcohol. Many people question whether drinking has become too big a part of their lives, and worry that it may even be affecting their health. But, they resist change because they fear losing the pleasure and stress-relief associated with alcohol, and assume giving it up will involve deprivation and misery. *This Naked Mind offers a new, positive solution. Here, Annie Grace clearly presents the psychological and neurological components of alcohol use based on the latest science, and reveals the cultural, social, and industry factors that support alcohol dependence in all of us. Packed with surprising insight into the reasons we drink, this book will open your eyes to the startling role of alcohol in our culture, and how the stigma of alcoholism and recovery keeps people from getting the help they need. With Annie's own extraordinary and candid personal story at its heart, this book is a must-read for anyone who drinks. This Naked Mind will give you freedom from alcohol. It removes the psychological dependence so that you will not crave alcohol, allowing you to easily drink less (or stop drinking). With clarity, humor, and a unique blend of science and storytelling, This Naked Mind will open the door to the life you have been waiting for. "You have given me my live back." —Katy F., Albuquerque, New Mexico "This is an inspiring and groundbreaking must-read. I am forever inspired and changed." —Kate S., Los Angeles, California "The most selfless and amazing book that I have ever read." —Bernie M., Dublin, Ireland*

Couture Chocolate examines the origins of one of the world’s most popular foods--explaining the method of creating chocolate, how its quality depends to a large extent on the variety of beans used, and the differences between plain, milk and white chocolates. It reveals how some of today's most popular flavors - such as vanilla and chili--have become so popular in the past few decades. It also includes recipes for making your own chocolates at home. William shares his techniques and most mouth-watering recipes, starting with the basics: tempering and making a bar of chocolate; advice on how to add exotic flavors like rosemary or raspberry; and introducing different textures. Once those skills have been mastered, it's time to tackle some of the authors incredible creations.

As the author of twenty-four novels, Elizabeth George is one of the most successful--and prolific--novelists today. In Mastering the Process, George offers readers a master class in the art and science of crafting a novel. This is a subject she knows well, having taught creative writing both nationally and internationally for over thirty years and published more than 100 books. In Mastering the Process, she shares her insights into the craft of writing a novel, from the initial idea to the final manuscript. Thoughtful, and most of all, helpful." --Lisa See, New York Times bestselling author of The Island of Sea Women For many writers, the biggest challenge is figuring out how to take that earliest glimmer of inspiration and shape it into a full-length novel. How do you even begin to transform a single idea into a complete book? In these pages, Elizabeth George takes us behind the scenes through each step of her writing process, revealing exactly what it takes to craft a novel. Drawing from her personal photos, early notes, character analyses, and rough drafts, George shows us every stage of how she wrote her novel Careless in Red, from researching location to imagining plot to editing the final manuscript. Mastering the Process is a must-read for anyone who wants to write a novel themselves. George offers us an intimate look at the procedures she follows, while also providing invaluable advice for writers about what has worked for her--and what hasn't. Mastering the Process gives writers practical, prescriptive, and achievable tools for creating a novel, editing a novel, and problem solving when in the midst of a novel. By 1979, we knew all that we know now about the science of climate change - what was happening, why it was happening, and how to stop it. Over the next ten years, we had the very real opportunity to stop it. Obviously, we failed.Nathaniel Rich's groundbreaking account of that failure - and how tantalizingly close we came to signing a global climate agreement - is a must-read for anyone who cares about the future of our planet. The industry and politicians committed to anti-scientific denialism - is already a journalistic blockbuster, a full issue of the New York Times Magazine that has earned favorable comparisons to Rachel Carson's Silent Spring and John Hersey's Hiroshima. Rich has become an instant, in-demand expert and speaker. A major movie deal is already in place. The book Losing Earth, Rich is able to provide more of the context for what did - and didn't - happen in the 1980s and, more important, is able to carry the story fully into the present day and wrestle with what those past failures mean for us in 2019. It is not just an agonizing revelation of historical missed opportunities, but a clear-eyed look at how we must do before it's truly too late.

The Long-Awaited Update for Building a Thriving Consultancy Completely updated for today's busier-than-ever consultants, this classic guide covers the ins and outs for competing and winning in this ultracompetitive field. You'll find step-by-step advice on how to raise capital, attract clients, create a marketing plan, and grow your business. Blogging and social networking Global consulting Delegating labor Profiting in a troubled market Retainer business Internet marketing Praise for the previous editions of Million Dollar Consulting: "If you're interested in becoming a rich consultant, this book is a must read." Robert F. Mager, founder and president, Mager Associates, and member of the per diem trap and into value billing." Jim Kennedy, founder, publisher, and editor, Consultants News "The advice on developing price structure alone is worth a hundred times the price of the book." William C. Byham, Ph.D., author of Zapp! "Must reading for those who are beginning a practice or seeking to upgrade an existing practice." Management, Yale University

Mastering the Process

***Growing up on a south London estate and excluded from every school that would take her, Alesha is the poster girl for the nation's ‘feral youth’. Fuelled by a need to survive, she falls into a cycle of crime, violence and drug-dealing.***

***The Elman Induction is rightly regarded as a timeless classic. This unique book takes the induction and brings it right up to date, by sharing the process as Elman taught it, as well as possible alternative understandings of what it taking place. "Excellent, thoughtful study of the Dave Elman Induction. Graham Old dissects the technique and offers very useful insight on all aspects of what is probably the most useful hypnotic induction ever developed... I recommend this work for Elman aficionados as well as those not familiar with Elman who are wondering what all the fuss is about with this famous induction." -- Sean Michael Andrews - Atlantic Hypnosis Institute and Leading Authority on the Elman Induction "The most useful and in depth treatment of an often misunderstood induction." -- Melissa Tiers, author of Integrative Hypnosis: A Comprehensive Course in Change***

***From the publisher of Farrar, Straus and Giroux: a first novel, at once hilarious and tender, about the decades-long rivalry between two publishing lions, and the iconic, alluring writer who has obsessed them both. Paul Dukach is heir apparent at Purcell & Stern, one of the last independent publishing houses in New York, whose shabby offices on Union Square belie the treasures on its list. Working with his boss, the flamboyant Homer Stern, Paul learns the ins and outs of the book trade—how to work an agent over lunch; how to swim with the literary sharks at the Frankfurt Book Fair; and, most important, how to nurse the fragile egos of the dazzling, volatile authors he adores. But Paul’s deepest admiration has always been reserved for one writer: poet Ida Perkins, whose audacious verse and notorious private life have shaped America’s contemporary literary landscape, and whose longtime publisher—also her cousin and erstwhile lover—happens to be Homer’s biggest rival. And when Paul at last has the chance to meet Ida at her Venetian palazzo, she entrusts him with her greatest secret—one that will change all of their lives forever. Studded with juicy details only a quintessential insider could know, written with both satiric verve and openhearted nostalgia, Muse is a brilliant, haunting book about the beguiling interplay between life and art, and the eternal romance of literature.***

***One of PureWow's 9 Books We Can't Wait to Read in October! A chilling look into an alternate near future where a woman and her daughter seek refuge in a women-only colony, only to find that the safe haven they were hoping for is the most dangerous place they could be. Miranda Reynolds always thought she would rather die than live in Femlandia. But that was before the country sank into total economic collapse and her husband walked out in the harshest, most permanent way, leaving her and her sixteen-year-old daughter with nothing. The streets are full of looting, robbing, and killing, and Miranda and Emma no longer have much choice—either starve and risk getting murdered, or find safety. And so they set off to Femlandia, the women-only colony Miranda's mother, Win Somers, established decades ago. Although Win is no longer in the spotlight, her protégé Jen Jones has taken Femlandia to new heights: The off-grid colonies are secluded, self-sufficient, and thriving—and Emma is instantly enchanted by this idea of a safe haven. But something is not right. There are no men allowed in the colony, but babies are being born—and they're all girls. Miranda discovers just how the all-women community is capable of enduring, and it leads her to question how far her mother went to create this perfect, thriving, horrifying society.***

BOOKER PRIZE WINNER ¶ From the winner of the Nobel Prize in Literature, here is ¶an intricate and dazzling novel¶ (The New York Times) about the perfect butler and his fading, insular world in post-World War II England. This is Kazuo Ishiguro's profoundly compelling portrait of a butler named Stevens. Stevens, at the end of three decades of service at Darlington Hall, spending a day on a country drive, embarks as well on a journey through the past in an effort to reassure himself that he has served humanity by serving the "great gentleman," Lord Darlington. But lurking in his memory are doubts about the true nature of Lord Darlington's "greatness," and much graver doubts about the nature of his own life.

From the bestselling author of The Bomber Mafia: discover Malcolm Gladwell's breakthrough debut and explore the science behind viral trends in business, marketing, and human behavior. The tipping point is that magic moment when an idea, trend, or social behavior crosses a threshold, tips, and spreads like wildfire. Just as a single sick person can start an epidemic of the flu, so too can a small but precisely targeted push cause a fashion trend, the popularity of a new product, or a drop in the crime rate. This widely acclaimed bestseller, in which Malcolm Gladwell explores and brilliantly illuminates the tipping point phenomenon, is already changing the way people throughout the world think about selling products and disseminating ideas. ¶A wonderful page-turner about a fascinating idea that should affect the way every thinking person looks at the world.¶ ¶Michael Lewis

The PR Masterclass is written by former newspaper, magazine and digital journalist Alex Singleton, who is now a prominent PR trainer and consultant. It reveals the secrets of effective PR and shows how to put in place a practical, reliable and successful media strategy for your product, business or activity ¶ one that delivers the greatest results. Through the book, you get to discover how to develop and pitch effective newsworthy material, regardless of your budget. The PR Masterclass is aimed at PR professionals as well as small business owners and entrepreneurs implementing a PR strategy. "PR can do more for your money than any other marketing tool. But very few people understand how to use it. Alex does because he has been at the receiving end. So will you if you read this remarkably practical book." ¶Drayton Bird, author, Commonsense Direct and Digital Marketing "The lessons contained within The PR Masterclass should be plastered over the walls of organisations seeking to utilise the media effectively for their campaigns. This book is a must-have reference point." ¶Ryan Bourne, CityAM columnist and Head of Economic Research, Centre for Policy Studies "This is an important book about public relations and how the media is changing. Singleton is a straight-talking journalist-turned-practitioner who pulls no punches. He calls on the industry to grow up and adopt the rigour of a professional discipline. It's a call to action that I wholly heartedly support. You should read The PR Masterclass if you're new to public relations or work in the profession and want to continue doing so." ¶Stephen Waddington, European director, Ketchum, and 2014 President of the Chartered Institute of Public Relations (CIPR) "Provides all you need to know about securing press coverage." ¶Fraser Seitel, O'Dwyer's PR magazine "Every page is packed with insight and practical advice." ¶Steve Harrison, co-founder, Harrison Troughton Wunderman "Written in a no-nonsense style, every chapter contains a mine of information about the subject. What's more, it's clear that Alex knows the business inside out. This is the kind of book you need to have close at hand. Do what it says, and you'll be miles ahead with your PR." ¶James Hammond, brand consultant "Alex Singleton's book on public relations strategy is an excellent practical guide to the real world of PR." ¶Ray

*Working in secret for a fourteenth-century Oxford professor who would translate the Bible into English, master illuminator Finn forms an alliance with Lady Kathryn, a widow desperate to protect her inheritance from the church and the monarchy. INSTANT NEW YORK TIMES BESTSELLER “Feeney lives up to her reputation as the “queen of the twist”...This page-turner will keep you guessing.” —Real Simple Think you know the person you married? Think again... Things have been wrong with Mr and Mrs Wright for a long time. When Adam and Amelia win a weekend away to Scotland, it might be just what their marriage needs. Self-confessed workaholic and screenwriter Adam Wright has lived with face blindness his whole life. He can’t recognize friends or family, or even his own wife. Every anniversary the couple exchange traditional gifts--paper, cotton, pottery, tin--and each year Adam’s wife writes him a letter that she never lets him read. Until now. They both know this weekend will make or break their marriage, but they didn’t randomly win this trip. One of them is lying, and someone doesn’t want them to live happily ever after. Ten years of marriage. Ten years of secrets. And an anniversary they will never forget. Rock Paper Scissors is the latest exciting domestic thriller from the queen of the killer twist, New York Times bestselling author Alice Feeney. “One of the great reporters of our time and probably the greatest biographer.” —The Sunday Times (London) From the two-time Pulitzer Prize-winning author of The Power Broker and The Years of Lyndon Johnson: an unprecedented gathering of vivid, candid, deeply moving recollections about his experiences researching and writing his acclaimed books. Now in paperback, Robert Caro gives us a glimpse into his own life and work in these evocatively written, personal pieces. He describes what it was like to interview the mighty Robert Moses and to begin discovering the extent of the political power Moses wielded; the combination of discouragement and exhilaration he felt confronting the vast holdings of the Lyndon B. Johnson Library in Austin, Texas; his encounters with witnesses, including longtime residents wrenchingly displaced by the construction of Moses’ Cross-Bronx Expressway and Lady Bird Johnson acknowledging the beauty and influence of one of LBJ’s mistresses. He gratefully remembers how, after years of working in solitude, he found a writers’ community at the New York Public Library, and details the ways he goes about planning and composing his books. Caro recalls the moments at which he came to understand that he wanted to write not just about the men who wielded power but about the people and the politics that were shaped by that power. And he talks about the importance to him of the writing itself, of how he tries to infuse it with a sense of place and mood to bring characters and situations to life on the page. Taken together, these reminiscences--some previously published, some written expressly for this book--bring into focus the passion, the wry self-deprecation, and the integrity with which this brilliant historian has always approached his work.*

Memphis Rent Party

Doc Testosterone Body

"All the sizzle, chaos, noise and scariness of war is clay in the hands of ace storyteller Lynch." -- Kirkus Reviews for the World War II series Discover the secret missions behind America’s greatest conflicts.Fergus Frew thought he knew what to expect when he signed up with the Navy’s demolitions team. But as the Korean War rages on, Fergus and his fellow divers -- AKA "frogmen" -- are tasked with more than just scouting mudflats. Soon they’re planting mines. And sabotaging tunnels, bridges... and even fishing nets. Strangest of all, it falls to Fergus to transport a spy into the country -- and that means traveling far from Navy-controlled waters.But frogmen are amphibious. And Fergus may not realize it, but he’s in a position to change the way the whole world thinks about combat.National Book Award finalist Chris Lynch continues his explosive fiction series based on the real-life, top-secret history of US black ops and today’s heroic Navy SEALs.

"Blues, being the wellspring of all American music for over a century, is always worth studying. Robert does it right." --Keith Richards "An emotional map of musical Memphis. If you don’t know these characters, let Robert Gordon introduce you." --Elvis Costello "Robert Gordon's book is proof that Southern heritage is American heritage, and all sorts of people--black and white, familiar and strange, dead and alive--are what it is." --Greil Marcus Profiles and stories of Southern music from the acclaimed author of Respect Yourself: Stax Records and the Soul Explosion. The fabled city of Memphis has been essential to American music--home of the blues, the birthplace of rock and roll, a soul music capital. We know the greatest hits, but celebrated author Robert Gordon takes us to the people and places history has yet to record. A Memphis native, he whiles away time in a crumbling duplex with blues legend Furry Lewis, stays up late with barrelhouse piano player Mose Vinson, and sips homemade whiskey at Junior Kimbrough’s churning house parties. A passionate listener, he hears modern times deep in the grooves of old records by Lead Belly and Robert Johnson. The interconnected profiles and stories in Memphis Rent Party convey more than a region. Like mint seeping into bourbon, Gordon gets into the wider world. He beholds the beauty of mistakes with producer Jim Dickinson (Replacements, Rolling Stones), charts the stars with Alex Chilton (Box Tops, Big Star), and mulls the tragedy of Jeff Buckley’s fatal swim. Gordon's Memphis inspires Cat Power, attracts Townes Van Zandt, and finds James Carr always singing at the dark end of the street. A rent party is when friends come together to hear music, dance, and help a pal through hard times; it’s a celebration in the face of looming tragedy, an optimism when the wolf is at the door. Robert Gordon finds mystery in the mundane, inspiration in the bleakness, and revels in the individualism that connects these diverse encounters.

Essential reading for authors submitting their work to agents or publishers.Publishing veteran Scott Pack offers sensible, practical advice on how to create the perfect submission. Based in on his sell-out Guardian Masterclasses, this short guide provides aspiring authors with the tools they need to avoid the classic mistakes made by so many, and to ensure they give their work the best chance possible of being read, considered and published.Covering all aspects of the submission process, including how to identify the best places to submit your work, writing the ideal cover letter, perfecting your pitch, creating an effective synopsis and strategies for submission, this ebook contains everything you need to get your submission right.This revised and updated edition includes additional information on non-fiction submissions and an extended FAQ section featuring questions posed by readers and participants in Scott’s classes and workshops.

The Decade We Could Have Stopped Climate Change

Femlandia

"Have you ever been a little anxious about going to a party? Jim Panzee feels that. Porcupine is having a big party, and according to Jim's best friend Norman, there will be--gulp--dancing. Jim can DEFINITELY not dance. When he tells his friends, they all try to teach him cool moves--surely that's the only reason Jim isn't excited about this party! In this hilarious sequel to GRUMPY MONKEY, kids will learn that it's okay not to go with the flow if they're uncomfortable, and that speaking up about what they need can help others speak up, too--and maybe they need the same thing!"--

After Isabelle accidentally kills April in a highway collision, Isabella must pick up the pieces of her own life and, with the help of April's husband and son, figure out where April was running to.

In this [dazzling! (John Irving) memoir, acclaimed New Yorker staff writer Tad Friend reflects on the pressures of middle age, exploring his relationship with his dying father as he raises two children of his own. ☐How often does a memoir build to a stomach-churning, I-can't-breathe climax in its final pages? . . . Brilliant, intensely moving.☐William Finnegan, Pulitzer Prize-winning author of Barbarian Days Almost everyone yearns to know their parents more thoroughly before they die, to solve some of those lifelong mysteries. Maybe, just maybe, those answers will help you live your own life. But life doesn't stop to wait. In his fifties, New Yorker writer Tad Friend is grappling with being a husband and a father as he tries to grasp who he is as a son. Torn between two families, he careers between two stages in life. On some days he feels vigorous, on the brink of greatness when he plays tournament squash. On others, he feels distinctly weary, troubled by his distance from millennial sensibilities or by his own face in the mirror, by a grimace that's so like his father's. His father, an erudite historian and the former president of Swarthmore College, has long been gregarious and charming with strangers yet cerebral with his children. Tad writes that ltrying to reach him always felt like ice fishing.☐ Yet now Tad's father, known to his family as Day, seems concerned chiefly with the flavor of ice cream in his bowl and, when pushed, interested only in reconsidering his view of Franklin Roosevelt. Then Tad finds his father's journal, a trove of passionate confessions that reveals a man entirely different from the exasperatingly logical father Day was so determined to be. It turns out that Tad has been self-destructing in the same way Day has!a secret each has kept from everyone, even themselves. These discoveries make Tad reconsider his own role, as a father, as a husband, and as a son. But is it too late for both of them? Witty, searching, and profound, In the Early Times is an enduring meditation on the shifting tides of memory and the unsteady pillars on which every family rests.

New York Times Bestseller Over 2.5 million copies sold For David Goggins, childhood was a nightmare - poverty, prejudice, and physical abuse colored his days and haunted his nights. But through self-discipline, mental toughness, and hard work, Goggins transformed himself from a depressed, overweight young man with no future into a U.S. Armed Forces icon and one of the world's top endurance athletes. The only man in history to complete elite training as a Navy SEAL, Army Ranger, and Air Force Tactical Air Controller, he went on to set records in numerous endurance events, inspiring Outside magazine to name him The Fittest (Real) Man in America. In this curse-word-free edition of Can't Hurt Me, he shares his astonishing life story and reveals that most of us tap into only 40% of our capabilities. Goggins calls this The 40% Rule, and his story illuminates a path that anyone can follow to push past pain, demolish fear, and reach their full potential.

*Jeff Goins dismantles the myth that being creative is a hindrance to success by revealing how an artistic temperament is a competitive advantage in the marketplace.? The myth of the starving artist has dominated our culture, seeping into the minds of creative people and stifling their pursuits. The truth is that the world's most successful artists did not starve. In fact, they capitalized on the power of their creative strength. In Real Artists Don't Starve, bestselling author and creativity expert Jeff Goins debunks the myth of the starving artist by unveiling the ideas that created it and replacing them with 14 rules for artists to thrive, including: Steal from your influences (don't wait for inspiration) Collaborate with others (working alone is a surefire way to starve) Take strategic risks (instead of reckless ones) Make money in order to make more art (it's not selling out) Apprentice under a master (a "lone genius" can never reach full potential) From graphic designers and writers to artists and business professionals, creatives already know that no one is born an artist. Goins' revolutionary rules celebrate the process of becoming an artist, a person who utilizes the imagination in fundamental ways. He reminds creatives that business and art are not mutually exclusive pursuits. Real Artists Don't Starve explores the tension every creative person and organization faces in an effort to blend the inspired life with a practical path to success. Being creative isn't a disadvantage for success, it is a powerful tool to be harnessed.*

Join the Winners; Leave Nothing to Chance. If YOU feel the Need for Speed, click on 'Look Inside' and Read Chapter One Completely FREE.

Two years after their marriage, Jim Culback wasn’t the man Clare thought he was. How many more broken promises could she accept? After packing and moving everything they owned from Ohio to Naples, Florida, she actually thought their marriage would improve. But as time went by, she couldn’t take the beatings, lies or cheating any longer. But could her husband be capable of homicide? Is Jim responsible for the murders of two women? A detective from Chicago is put on the case to help solve the murders and has an encounter with Clare. What develops between them? Can Clare trust another man? Or does Jim have other plans for Clare?

The world is simpler than it seems. Everything that happens occurs because of cause and effect. Eliminate the cause of relationship problems, poverty, health issues, and disharmony-and you change the effect. Too often, though, we look for external causes, when the true cause lies within our own all-powerful and divine subconscious minds. The universe is made up of interconnected energy-and what are our thoughts if not pure energy? Change the workings of your inner mind, and you can quite literally change your life. In Sixth Sense, noted holistic success coach Eugene N. Nwosu provides a set of deceptively simple tools designed to help you "rewire" your subconscious mind, change your life, and acquire the enlightenment and wisdom vital for true balance, equilibrium, and success. Nwosu' s practical affirmations help harness the mind's ability to operate in harmony with the unchanging rules of the infinite, divine universe. Simpler and easier to incorporate into everyday life than The Secret and its complexities, Sixth Sense frees you from the limitations of entrenched thought patterns, creating instead full engagement in your passions and dreams. Once properly aligned with the universe, you will succeed-all the time.

After a catastrophic Unknown Event leaves the colony ship Orion stranded deep in space, it’s up to thirteen-year-old Beth and her friends to navigate through treacherous and uncharted territory and reach safety. But a heavily damaged ship, a mysterious alien species, space pirates, and an Artificial Intelligence which Beth suspects may be lying to her mean that getting home has never been so difficult. Hugely gripping, with incredible twists and a fast-paced, action-packed story, this is an unputdownable science fiction adventure - perfect for fans of Mortal Engines and Star Wars.

Unpacking the Theory and Practice of One of the Most Popular Hypnotic Inductions in the World

"From the critically acclaimed author of Vox comes a suspenseful new novel that explores a disturbing alternate reality where the government has legalized eugenics. Elena Fairchild is a teacher at one of the state's new elite schools, where children undergo routine tests for their quotient (Q). Those who don't measure up are placed in the many state boarding schools that have cropped up under a new government mandate--Elena's daughter, Freddie, is one of them. In order to be with Freddie, Elena immediately requests to transfer to the state school. To her horror, she learns that the children are receiving the bare minimum of instruction. Instead, they spend their days making handcrafted goods--valuable commodities in the age of machine-made products. What began as a shock quickly becomes a nightmare as Elena discovers the terrifying atrocities inflicted upon the

students. Not only have their test scores been tampered with, but they're also unwitting subjects of experiments, one of which tests a new method of chemical sterilization. The plan? To render all adolescents with undesirable quotients infertile...and Freddie may be next in line"--  
On the day the government decrees that women are no longer allowed more than one hundred words per day, Dr. Jean McClellan is in denial. This can't happen here. Not in America. Not to her. This is just the beginning. Soon women are not permitted to hold jobs. Girls are not taught to read or write. Females no longer have a voice. Before, the average person spoke sixteen thousand words each day, but now women have only one hundred to make themselves heard. For herself, her daughter, and every woman silenced, Jean will reclaim her voice.  
In the Early Times
