Prentice Hall Writing and Grammar Handbook, Grade 11

As your child progresses through his or her English/language arts education, you may find yourself creating more focused lesson plans. When your child was in the elementary school years, he or she needed to learn the foundational elements of English/language arts by studying the subject broadly. However, by the time your child enters the middle and high school years, he or she is ready for more challenging work. You can teach your child specific skills that round out and develop his or her English/language arts knowledge by selecting the Prentice Hall Writing and Grammar curriculum for homeschooling. This program delves deep into Writing and Grammar, helping your child become proficient in those subjects. With plenty of hands-on activities, Prentice Hall Writing and Grammar is an engaging program that will simultaneously solidify your child's knowledge and help you teach new material well. Each Grade of Prentice Hall Writing and Grammar is broken into three chapters: Writing, Grammar Usage and Mechanics, and Academic and Workplace Skills. Each Grade gets incrementally more difficult and introduces new concepts. The Writing portion helps your child develop his or her ability to compose arguments and express him or herself. The Grammar Usage and Mechanics chapter builds your child's understanding of the way the English language is structured. Finally, the Academic and Workplace Skills chapter ensures your child has the abilities he or she will need in college and beyond. Prentice Hall Writing and Grammar: Grade 11 is one of the more pointed and focused English/language arts programs. These are the goals your child should work toward in Grade 11: Turn in writing with minimal to no grammar errors. Recognize grammar mistakes in his or her own writing. Establish and maintain a tone appropriate for whatever type of writing he or she does. Articulate thesis in all parts of essay writing.

This second edition updates a course which has proven to be a perfect fit for classes the world over. Engaging content and a strong focus on grammar and vocabulary combine to make this course a hit with both teachers and students. Popular course features have been refreshed with new content, including the imaginative reading and listening topics, 'Culture in Mind', and 'Everyday English' sections. New for the second edition is a DVD-ROM with the Level 4 Student's Book containing games, extra exercises and videos featuring the photostories' characters as well as a 'Videoke' record-yourself function. There is a full 'Vocabulary bank' at the back of the book which expands upon lexical sets learned in the units.

Four Corners is an integrated four-skills English course for adults and young adults. Four Corners Student's Book A with Self-study CD-ROM, Level 3 is designed for low intermediate students requiring a thorough presentation of basic grammar, vocabulary, and functional language. Units 1-6 cover high-interest topics such as style, the Internet, 'living in the real world, personalities, and the environment. In Four Corners, multiple speaking activities in every lesson tied to measurable outcomes help students and teachers see the results of their learning. Additional 'Keep Talking' activities help students develop fluency. As with other levels of Four Corners, an extensive set of print and electronic course components is available to help develop students' communication and confidence.

Designed to reinforce the companion Attitude level 1 student's book unit lessons, this workbook presents twelve units of interactive audio-supplemented exercises in English language grammar and vocabulary, language practice, reading and listening, and in pronunciation, and supports the development of the students' study and writing skills.

Authentic and up-to-date information in every course, written and checked by industry insiders Clear and straightforward structure, with each unit containing a menu of learning outcomes, and an end-of-unit checklist with 'Can do' tick boxes Teaches English in context, so students practise the language and skills they need for the job in real work situations Real-world profiles from genuine professionals in the 'It's my job' section offer authentic and engaging insights into the industry Extra facts, figures, quotations, and specialist terminology included in the top margin of unit pages Additional activities and tests in the Teacher's Resource Book make the course suitable for mixed-ability classes The Teacher's Resource Book provides specialist background to the industry for every unit, as well as industry tips to support non-expert teachers Project work in the Student's Book, additional activities on the Student's Site, and a Key words list of essential vocabulary at the end of every unit provide extra opportunities for revision

Touchstone, together with Viewpoint, is a six-level English program based on research from the Cambridge English Corpus. Touchstone uses a corpus-informed syllabus ensuring students are learning the language that people really use. Activities include a strong focus on inductive learning, personalized practice, and encouraging learner autonomy. Student's Book, Level 4A includes Units 1-6 of the Level 4 Student's Book and is at the intermediate CEFR level (B1-B2).

Since its publication in 1990, Athenaze: An Introduction to Ancient Greek has helped tens of thousands of students learn classical Greek. Building on the bestselling tradition of previous editions, the long-awaited third edition combines the best features of traditional and modern teaching methods. It provides a unique course of instruction that allows students to read connected Greek narrative right from the beginning and guides them to the point where they can begin reading complete classical texts. James Morwood, editor of the Oxford Grammar of Classical Greek and the Pocket Oxford Classical Greek Dictionary, brings his expertise and years of teaching experience to this revision. Carefully designed to hold students' interest, the course begins in Book 1 with a fictional narrative about an Attic farmer's family placed in a precise historical context (432-431 B.C.). This narrative, interwoven with tales from mythology and the Persian Wars, gradually gives way in Book II to adapted passages from Thucydides, Plato, and Herodotus and ultimately to excerpts of the original Greek of Bacchylides,

Thucydides, and Aristophanes' Acharnians. Essays on relevant aspects of ancient Greek culture and history are also woven throughout.

Touchstone Second edition is an innovative four-level American English course for adults and young adults, taking students from beginning (A1) to intermediate (B2) level. Touchstone uses a corpus-informed syllabus ensuring students are learning the language that people really use. Activities include a strong focus on inductive learning, personalized practice, and encouraging learner autonomy. Student's Book, Level 3B, includes Units 7-12 of Level 3 Student's Book and is at the low intermediate CEFR level (A2-B1).

Past Simple: Learning English through History Past Simple is a fascinating introduction to British history and culture, designed to improve the language skills of adult learners of English but suitable also for use in sixth-forms and FE colleges in Britain. The authors, both practising teachers, succeed in delivering a wealth of historical facts and improving students' language and critical thinking skills all in an engaging, entertaining and often humorous way. Past Simple comprises 22 chapters, 12 on key episodes or periods of British history (such as the First World War), 10 on significant themes (imperialism, the growth of democracy, etc.) that run through the story of these islands. Each chapter is based around a central reading text, followed by comprehension and critical thinking exercises, additional primary source material and a focus on relevant language points. There is a clear emphasis on skills development and follow-up extension tasks to encourage Internet and library research. Click here for the Past Simple answer sheets.

Career Paths: Business English is a new educational resource for business professionals who want to improve their English communication skills in a work environment. Incorporating career-specific vocabulary and contexts, each unit offers step-by-step instruction that immerses students in the four key language components: reading, listening, speaking and writing. Career Paths: Business English addresses topics including making introductions, salary information, doing business with different cultures, quality standards, and business strategy. The series is organized into three levels of difficulty and offers over 400 vocabulary terms and phrases. Every unit includes a test of reading comprehension, vocabulary, and listening skills, and leads students through written and oral production.
